The Rules of Order as prescribed by the Constitution governing the conduct of the meeting were read by the Grand Secretary.

ORDER OF BUSINESS

It was moved by the Deputy Grand Master, seconded by M.W. Bro. J. A. Hearn, and unanimously carried, that the Order of Business of this Annual Communication be changed at the discretion of the Grand Master.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful
the Grand Lodge, A. F. & A. M. of Canada in the
Province of Ontario.

My Brethren:

As we assemble here in Metropolitan Toronto for the 109th Annual Communication of our Grand Lodge, we must express to the Past Masters' Associations of the various Toronto Districts our sincere appreciation of the great efforts expended by them to make this another successful meeting. Many of us who live so far from the actual scene of this great convocation owe much to these brethren for the enormous amount of work they do, not only during this week, but for some months beforehand, and the work of attending to the completion of all details afterward.

I would be remiss if I did not say, on behalf of our complete membership, how much we appreciate the efforts of R.W. Bro. Robert Strachan, Chairman of the Committee of Scrutineers, and R.W. Bro. R. G. Truscott, Chairman of the Committee on Credentials. Theirs is a labour of love and devotion. Because of the nature of their work it is almost impossible for them to attend most of the proceedings of Grand Lodge, including the great attraction, which is the Grand Master's dinner.

It is our privilege to again meet in this beautiful Cedarbrae Secondary School and I would like to express to the Board of Education of Scarborough our appreciation of the fine spirit of co-operation and assistance they have extended to us. It is true that it takes us a few minutes longer to get to this school, but the conveniences offered make it worthwhile. I need only cite a few: the large and beautiful surroundings, the excellent parking facilities, larger and more numerous meeting rooms and, of

course, the dining facilities. We are indeed fortunate.

As I look back on the first year of office as your Grand Master, I cannot help but have so many fond memories, the friendships made and the wonderful associations, not only in our Grand Jurisdiction, but in so many of our sister Grand Jurisdictions across Canada and in that great country immediately to the south. The bonds of friendship between our two countries are one of the wonders of the world. Here for one hundred and fifty years we have lived in peace and harmony. We have not found it necessary to protect our borders with guns, but have found it easy and wise to live as brothers of this great continent, thereby setting an example which is the envy of the entire universe. The boundary line does not separate us, but rather holds us together, as two races of free people interested in co-existence. This is so important today in a world torn with unrest and discontent. All we need to do is look around and note the difficulties that have arisen in Cuba, Panama, Zanzibar, Africa, the Far East and most recently of all in Cyprus. This is a time when we must all strive toward a state of unity of thought. All believing people in the world must, in order to survive, make every effort to meet upon a common ground, must endeavour to resolve their religious and racial differences. These differences are not important; after all we are products of the race of our forefathers, and generally belong to the church we were taught to attend. The most important factor is that we all believe in the Great Architect of the Universe and are solid supporters of the Brotherhood of Man under the Fatherhood of God. Surely we can and must learn to live together as God's children.

The world in which we live today is so much smaller than the world of fifty years ago. Technological advances have given us so many new conveniences that can be used for good or evil; now it

is up to us to get together in the best interests of all and see to it that these modern tools are used to assist mankind to learn to live together as one large family under one Father.

We welcome our many visitors who are with us today representing so many Grand Jurisdictions from the United States and Canada. For many of you this is your first visit with us—for others, it may be a repeat visit, but to all of you we extend our sincere fraternal greetings and trust that your short stay with us will be enjoyable and, in some small way, Masonically instructive.

I would be in error if I didn't mention particularly Very Wor. Brother Fraser Hay, who is the Most Excellent Grand First Principal of the Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario. Very Wor. Brother Hay was indeed so kind to me at his Annual Convocation held on April 20th, 21st of this year, and, furthermore, has been a close personal friend of mine for many years.

NECROLOGY

R. WOR. BROTHER JOHN RUDD RUMBALL

The 13th day of August 1963, was a sad day in the history of Canadian Craft Masonry. After an illness of some three years our beloved R. Wor. Bro. John Rudd Rumball passed to his reward in that "House not made with hands, eternal in the heavens".

Being a very humble man, I am sure Brother Rumball would not want us to elaborate on the great service that he has rendered to Craft Masonry. However, I would like to list just a few of his accomplishments:

January 11th, 1916. Initiated into Ashlar Lodge, No. 247, Toronto.

1931. Served as Worshipful Master Ashlar Lodge.
March 13th, 1944. Initiated into Toronto Lodge of
Perfection, A. & A.S. Rite.
January 18th, 1945. Initiated into Toronto Chapter

May 11th, 1945. Initiated into Moore Sovereign
Consistory, Hamilton.
1946 - 1947. Grand Director of Ceremonies of Grand
Lodge.

of Grand Lodge.
October 4th, 1952. Coroneted, Honorary Inspector-
General 33°, A. & A.S. Rite.
September 13th, 1956. Crowned Sovereign Grand
Inspector-General Active, A. & A.S. Rite.
1960 - 1963. Hon. Life Member Board of General
Purposes of Grand Lodge.

His memory will be long revered and his many contributions to our "Way of Life" will forever live in the history of Freemasonry.

R. WOR. BROTHER HARRY S. JOHNSTON

It is with a deep feeling of loss that we report the death of one of our great pillars of Freemasonry. R. Wor. Bro. Johnston was a man who gave so unselfishly of his time and talents. Below are listed some of his Masonic achievements:

On April 30th, he was taken to Patton's Rest Home, R.R. No. 3, Stayner, where he slowly faded out. He died at 2.30 p.m. on Thursday, July 25th, 1963.

M. WOR. BROTHER RICHMOND MAYSON

M. Wor. Bro. Mayson was a Past Grand Master and at the time of his death was Grand Secretary of the Grand Lodge of Saskatchewan. He passed away on August 5th, 1963, in England while on a visit following his attendance at our Grand Lodge.

We extend our most sincere sympathy to the Grand Lodge of Saskatchewan.

R. WOR. BROTHER JOSEPH NESBITT

On April 20th, 1964, I was saddened to hear of the sudden passing of one of my District Deputy Grand Masters in the person of R. Wor. Bro. Nesbitt.

R. Wor. Bro. Nesbitt was elected and installed D.D.G.M. of Victoria District on July 17th, 1963. From reports I have received he served this office well and his efforts in this direction will have a profound impact on Masonry in this area.

May I extend to his family our condolences in this their hour of bereavement.

Hush, hush the heavenly choir
They cleave the air in bright attire:
See, see, the lutes the angels bring
And hark, divinely thus they sing:
To the Power Divine all glory be given
By man upon earth and angels in heaven.
Oliver, Historical Landmarks.

PRESIDENT JOHN F. KENNEDY

We would like to express to our brethren of the United States our condolences in the untimely death of their late President, Mr. John F. Kennedy.

President Kennedy was a man of many outstanding abilities, a God-fearing man whose one desire was to serve his family, his country and God.

We, along with all people of the free world, share with them the great sorrow in the passing of their chief administrator.

RECOGNITION OF 100 YEARS ACTIVE EXISTENCE

- (b) Forest Lodge, No. 162, Wroxeter, as of May 25th, 1964.

PAST RANK

(a) Shortly before W. Bro. J. S. Thornton was to be installed as Worshipful Master of St. George's Lodge, No. 41, he suffered a bad fall when returning home from a Masonic Divine Service and as a result of injuries received he was unable to be installed until a month later. In consequence of this he served less than the prescribed twelve months. His attendance since his installation has been excellent. The lodge now asks that the rank of a Past Master be given Wor. Bro. Thornton. I so recommend.

(b) Wor. Bro. William Nagel of St. John's Lodge, No. 81, was unable to attend for installation as Master for one and one-half months after the date set by the by-laws of the lodge due to an illness following an infection. At the request of the lodge I recommend that he be given the rank of a Past Master.

(c) Owing to severe weather conditions the installation of Wor. Bro. William P. Arkell and the investiture of the other officers of Teeswater Lodge, No. 276, was postponed until December 27th, 1962. His successor was installed on December 12th, 1963, resulting in Wor. Bro. Arkell serving as Master for fifteen days less than the prescribed twelve months. I recommend that he be given past rank.

(d) For sound reasons Long Branch Lodge, No. 632, was granted a dispensation to install the officers on December 10th, 1963. As a result Wor. Bro. O. S. Jones, who was installed on December 18th, 1962,

served eight days short of the prescribed twelve months. At the lodge's request I recommend that he be given past rank.

(e) After holding the office of Worshipful Master of Atomic Lodge, No. 686, for about eight months W. Bro. George W. Fletcher was transferred to England by his firm. He was most attentive to lodge affairs and was regular in attendance until his departure. The lodge now requests that he be given past rank. I so recommend.

(f) Wor. Bro. William Baluk was unable to serve the prescribed full time as Master of St. John's Lodge, No. 17, Cobourg, due to his transfer as a Provincial Police Officer to Timmins. On the recommendation of the D.D.G.M. and the Lodge, I recommend that he be given the rank of a Past Master.

(g) Terrace Bay Lodge, No. 662, Terrace Bay, have asked for past rank for Wor. Bro. Ernest Woods, who was removed to British Columbia in February, 1964, after his installation on June 22, 1963. Before he left he was able to and did attend five regular, three emergent meetings and the dedication of their new building. I recommend that the request of the Lodge be granted.

(h) W. Bro. Murray Keam was unable to serve his full term as Master of Rideau Lodge, No. 595, Ottawa, due to absence on courses and, later, to transfer by the Government. I recommend that he be given past rank.

APPOINTMENT TO THE BOARD

After a great deal of consideration, conference with the Grand East and various senior members of the Board of General Purposes, I hereby recommend the appointment of the following brethren to Honorary Membership on the Board:

R. Wor. Bro. F. D. Shannon
V. Wor. Bro. A. C. Ashforth

These brethren have made so many outstanding contributions, and I feel sure you will concur in my selection.

APPOINTMENTS

- (a) At the last Annual Communication of Grand Lodge the office of Grand Registrar was not filled because no nomination had been received for the office. I felt that this honor could well go to the extreme northern part of our Grand Jurisdiction which has never had such an honour. To this office on September 28th, last, I appointed Wor. Bro. C. J. R. Ballantyne of Spruce Falls Lodge, No. 648, Kapuskasing. He was invested with his regalia on November 18th, 1963, at a very well-attended meeting of his lodge. It was a special remembrance night for his late father, V. Wor. Bro. Smith Ballantyne. I recommend that he be given past rank.
- (b) I deferred appointing a Grand Junior Deacon until November 1st, 1963, following Grand Lodge, when I gave this appointment to W. Bro. Albert Roy Doan of Alvinston Lodge No. 323, Alvinston. I recommend that he be given past rank.
- (c) On April 19th, 1964, R.W. Bro. Joseph Nesbitt, D.D.G.M. of Victoria District, passed away very suddenly leaving that office vacant. I immediately appointed R.W. Bro. George V. Grant, his immediate predecessor in office, to the office to complete the term of our late R.W. Bro. Nesbitt. He graciously accepted the appointment.

NEW LODGES INSTITUTED

During the year the following Lodges have been instituted under dispensation:

This, my brethren, is a step in the right direction and I hope that each incoming District

Deputy Grand Master will do his utmost to encourage and implement the formation of at least one new lodge in his District in the year 1964 - 1965.

LODGES CONSTITUTED AND CONSECRATED

It was my pleasure to constitute and consecrate two new lodges during the 1963-1964 term. They are;

Oakridge Lodge, No. 708, London, October 5th, 1963.

Lakehead Lodge, No. 709, Port Arthur, September 12th, 1963.

You will note that we have five lodges now under dispensation, and it is my hope that we might give dispensations for the formation of at least twenty lodges during the next twelve months. We must strive to institute more and smaller lodges if we are to flourish, so I ask you—

“WHAT ARE YOU PREPARED TO DO”

LODGE ROOMS DEDICATED

What a pleasure it was for me to preside at six dedication ceremonies, and I would like to express my gratitude to Most Wor. Bro. R.W. Treleven for presiding at the dedication of the new Temple at Forest, Ontario, and for so many other kindnesses. I must also thank R.W. Bro. D. J. Gunn for taking charge of the Dedication Ceremony at Petrolia on May 9th, 1964. These two buildings are in Sarnia District and as I had already been in this District three times, I felt it would be wise to have someone else attend to these duties.

In every case the new Masonic buildings dedicated were not only a credit to Masonry, but were an inspiration to the communities in which they are situated.

It is a pleasure to record the following dedications:

- (a) Terrace Bay Lodge, No. 662, Terrace Bay, on September 24th, 1963, by the Grand Master.
- (b) Alvinston Lodge, No. 323, Alvinston, on November 1st, 1963, by the Grand Master.
- (c) Plattsville Lodge, No. 178, Plattsville, on November 9th, 1963, by the Grand Master.
- (d) Forest Lodge, No. 263, Forest, on November 23rd, 1963, by M.W. Bro. R. W. Treleaven, Past Grand Master.
- (e) Century Lodge, No. 457, Merlin, on April 4th, 1964, by the Grand Master.
- (f) Lorne Lodge, No. 404, Tamworth, on April 18th, 1964, by the Grand Master.
- (g) Petrolia Temple, Petrolia, on May 9th, 1964, by R.W. Bro. Donald J. Gunn, Past D.D.G.M.
- (h) Whitby Temple, Whitby, on May 29th, 1964, by the Grand Master.

May I extend my thanks to so many brethren who are moving spirits behind these new buildings. There is always someone, who generally wishes to remain anonymous, who sparks these undertakings.

VISITATIONS TO OTHER GRAND LODGES AND MASONIC BODIES

It was my pleasure to receive so many invitations to attend other Grand Lodges and the various Masonic bodies. Many of these dates conflict, and because of this it became necessary to send someone else to represent me on several occasions.

DISTRICT RECEPTIONS

The custom is that the Grand Master should appear at least once during his term at an official reception in his honour in each District. It was my pleasure to attend approximately half of the Districts this year.

These receptions, naturally, are too numerous to list, but I must say that each one was an extreme joy and pleasure for your Grand Master. The many kindnesses that have been shown to me are experiences that I will long treasure.

I look forward to visiting the balance of these Districts during the ensuing year. It is always a pleasure to meet, greet and clasp the hand of my brethren.

SPECIAL EVENTS

Conferences of Grand Masters and Grand Secretaries

It has been the custom to hold these annual Conferences in Washington, D.C. However, the Conferences were held at Kansas City, Missouri, this year on February 20th and 21st.

It was my pleasure to attend this great convention accompanied by the Grand Secretary and Most Worshipful Brother W. L. Wright.

This was a very informative and instructive meeting. Attendance from other Grand Lodges was somewhat lower, and it was decided we would revert in 1965 to our old plan of meeting in Washington, D.C.

Our Most Worshipful Brother W. L. Wright was guest speaker at the Grand Secretaries' Banquet and, as we would expect, he delivered another outstanding message. I am sure we all came away from that meeting with many thought-provoking ideas ringing in our ears.

Supreme Council A. & A.S.R.

It was my pleasure not only to attend this council meeting, but also to be a candidate in the class.

This was a very fine meeting; the weather in Edmonton was beautiful and I am sure everyone enjoyed themselves immensely. It was my privilege to speak on behalf of the candidates, and I assure you that, to me, this was a great honour.

On January 31st, 1964, it was my extreme pleasure to have the privilege of initiating my son, John H. Irvine, into our beloved fraternity in St. John's Lodge, No. 209A, London. This was the first meeting in the beautiful new Masonic Temple in London. This is, without question, the finest Temple in Canada, and a monument to the efforts of our brethren of London District.

Some five hundred and seventy brethren attended this meeting among whom were, the Deputy Grand Master, M. Wor. Brother E. G. Dixon, M. Wor. Bro. R. W. Treleaven, the Grand Senior Warden, Grand Junior Warden, The Grand Chaplain, 12 members of the Board of General Purposes, 13 District Deputy Grand Masters, V. Wor. Bro. W. D. Graham, Grand Director of Ceremonies, V. Wor. Bro. F. B. Robinson, Grand Senior Deacon, and some 15 other appointed Grand Lodge officers for the current year.

I had the pleasure of presiding at this meeting and was assisted in conferring the degree by the Past Masters who served with me as officers when I was Master in 1950. This, my brethren, was a real highlight of the year and an occasion I shall never forget.

At the banquet following the degree, M. Wor. Bro. Treleaven spoke to the brethren on the subject—"The beauty of the English language". This was a most instructive and interesting speech, and a fitting climax to an evening overflowing with brotherly love.

A toast was proposed to the newly initiated member, and I was indeed proud of the manner in which my son, and new brother, responded.

“MAY THE MOST HIGH BLESS US ALL.”

It was our extreme pleasure to entertain the Most Worshipful Grand Master Mason of the Grand Lodge of Scotland, Brother Lord Bruce, and his Rt. Wor. Grand Secretary, Bro. Dr. Alex. F. Buchan.

On Tuesday, June 16th, we met for dinner at the Chateau Laurier, Ottawa, along with the aforementioned brethren, M.W. Bros. Pitts, Martyn, Treleven, the Grand Master, Grand Secretary, the Grand Master of Quebec, M.W. Bro. Stuart Hodge and his Grand Secretary, M.W. Bro. J. M. Marshall, R.W. Bro. Lord Waleran, Past Grand Junior Warden of the United Grand Lodge of England, and a few other past and present Grand Lodge Officers. Then we retired to Dalhousie Lodge, No. 52, and conferred the 2nd Degree on Brother F. Neuridin Kia, Ambassador of Iran to Canada and a candidate in one of the Scottish Lodges. R.W. Bro. J. H. McKinney, D.D.G.M. Ottawa District, presided and, with a select group of officers, conferred the degree according to ancient usage and custom.

This was a most enjoyable evening; the sunlight of Masonic brotherhood shone brightly on this occasion and we thank Most Wor. Bro. Pitts and V. Wor. Bro. B. Lishman for attending to all details in connection with this most interesting event.

MASONIC BROTHERHOOD KNOWS NO INTERNATIONAL BOUNDARIES.

On April 20th, 21st, 1964, it was my pleasure to attend, with the Grand Secretary, the Annual Convo-

cation of Grand Chapter, Royal Arch Masons, at the Royal York Hotel in Toronto. Most Excellent Companion Fraser Hay, who is also a Past Grand Junior Deacon of our Grand Lodge, is a personal friend of mine. We are very closely associated in office in Mocha Temple Shrine, A.A.O.N.M.S., London, Ontario.

It was my pleasure, at his hands, to be honoured by a presentation of past rank of First Principal in Royal Arch Masonry. This was indeed a great honour.

150th Anniversary St. George's Lodge No. 15

It was a real thrill for me to be invited to attend the 150th Anniversary of St. George's Lodge, No. 15, St. Catharines, on February 11th, 1964.

This meeting took the form of a dinner at "Prudhommes" on the Queen Elizabeth highway and was well attended by, not only scores of past and present Grand Lodge officers, but by the members of that grand old lodge and by visitors from the surrounding area.

May I take this opportunity to congratulate St. George's Lodge, No. 15, not only for their service to the Craft and to mankind, but for the many courtesies extended to me.

Our Oldest Member In Service

On September 24th, 1963, it was my pleasure, along with R. Wor. Bro. A. V. Chapman of Port Arthur, member of the Board of General Purposes, to call at the home of Bro. John Walker of that city who is a member of Shuniah Lodge, No. 287.

Brother Walker, I believe, is the oldest Mason, in terms of years of service, in our Grand Jurisdiction. He was made a Mason on December 16, 1889,

and shortly will be celebrating, not only his one hundredth birthday, but will also be entitled to recognition of seventy-five years of service to the Craft. It is my hope that I might have the opportunity of celebrating this occasion with him.

Brother Walker enjoys particularly good health and is one of the finest gentlemen I have ever been privileged to meet. MAY GOD BLESS AND KEEP HIM.

THE MASONIC FOUNDATION OF ONTARIO

The brethren will remember that at the last Annual Communication of Grand Lodge and pursuant to the recommendations of a special committee on Masonic Foundations, which had been appointed the previous year, it was decided to establish a Masonic Foundation "which will have the necessary qualifications of a charitable organization under the law in order that it may provide the means of broadening the scope of Grand Lodge benevolence and attracting substantial financial resources which will greatly increase the interest and participation of the Craft in its benevolent outreach."

I am pleased to report that by Special Act of the Legislature of Ontario a Charter has been granted, creating The Masonic Foundation of Ontario.

The membership is composed of those Master Masons who are, from time to time, members of the Board of General Purposes of Grand Lodge, together with those Master Masons who are appointed annually to membership in the Foundation by the Grand Master.

A meeting of the Foundation was held yesterday morning, July 14. This being the first meeting it was devoted most exclusively to matters of organization, By-laws were passed and Directors for the

ensuing year were elected. The Directors are the Grand Master, the Deputy Grand Master, M.W. Bro. H. L. Martyn, M.W. Bro. C. M. Pitts, M.W. Bro. R. W. Treleaven, R.W. Bro. R. C. Berkinshaw, R.W. Bro. T. L. Wilson, R.W. Bro. Donald M. Fleming and Bro. Norman W. Byrne, Q.C.

Following the meeting of the Foundation the Directors met and elected its officers as follows:

President—M.W. Bro. R. W. Treleaven.

First Vice-President—R.W. Bro. R. C. Berkinshaw.

Second Vice-President—M.W. Bro. C. M. Pitts.

Sec.-Treas.—Bro. Norman W. Byrne, Q.C.

DISCIPLINARY ACTION

1. The most distressing duty that has fallen on my shoulders was that it became necessary for me to reprimand, most severely, the officers of one of our lodges.

It appears that a great deal of confusion and dissension had set in, and there was much severe lack of co-operation between two factions. Not only was this an impediment to the operation of the lodge, but it was also an extreme detriment to the Craft.

On September 28, 1963, by command of the Grand Master, the Past Masters and Officers were notified to appear before a committee in order that perhaps these difficulties might be resolved. This committee consisted of: The Grand Master, M. Wor. Bro. Treleaven, the Grand Secretary, three members of the Board of General Purposes (one of whom was R. Wor. Bro. B. B. Foster, Chairman of the Committee on the Condition of Masonry) and the D.D.G.M. for that District.

Our first thought was that we should recall the charter, but after conference with the promise

from all concerned, in an official way, and after receiving the resignation from two senior officers, it was the unanimous decision of the committee that we give them one more chance.

We are not satisfied that they are doing as they should. Another meeting is now necessary, and if we find it necessary we must and will, this time, suspend the warrant. This is a step that must be taken, and we are sorry that this automatically suspends every member of this lodge. It is most unfortunate that many fine brethren will be hurt because of the actions of a few.

2. I was indeed sorry to have to reprimand one of my Grand Lodge Officers. I am sure I must in a way admire his tenacity but on the other hand I abhor his judgment.

The moral being that, when a D.D.G.M. finds it necessary to check an officer on his work or his deportment, this should be done in private, not in open lodge. There is a time, a place, and a way to offer constructive criticism.

Let us:

JUDGE WITH CANDOR
 ADMONISH WITH FRIENDSHIP
 AND REPREHEND WITH MERCY

3. A rather unfortunate occurrence brought to my attention that one of our members was entertaining in one of our Temples, at which time they were serving alcoholic beverages. This is strictly a violation of well-known regulations.

I have warned this man; there will be no further warning. The penalty is automatic suspension from

the Order. This will not be condoned. In future there will be no warning.

GRAND MASTER'S BANQUET

This banquet, which is again nearly sold out, will be held in the Canadian Room, Royal York Hotel, on Wednesday, July 15th.

We are indeed fortunate this year in being able to secure the services of Bro. Dr. Carl S. Winters, D.D., as our speaker.

Dr. Winters, formerly an Ordained Minister, later an officer of the United States Government working with delinquent children, is now a Public Relations man with General Motors Corporation.

I have heard Dr. Winters speak and I am sure he will have a most interesting message.

CHAIN LETTERS

During the past year we have all seen many chain letters. In fact, I have been astounded at some names I have seen on some of these letters, names of men whom I had come to respect and admire and gave them credit for having above average intelligence.

Not only are these missiles cheap and juvenile, but they are an insult to the Order and are a violation of the Constitution. I implore you to assist me in stamping this out.

VETERANS' LAPEL BUTTONS

Shortly after taking office as Grand Master, on the previous recommendation of M. Wor. Bro. R. W. Treleaven, it was my pleasure to appoint the following committee to select suitable buttons to replace our Veterans' Medals;

R.W. Bro. Eric Nancekivell,
R.W. Bro. W. A. Stewart,
R.W. Bro. J. R. Dargavel and
The Grand Secretary.

These buttons are to take the place of all such medals, pins and bars excepting the William Mercer Wilson Medal. These have now been received and have been replacing the former presentations since May 1st, 1964.

I might say these buttons have been very enthusiastically received, one of the reasons being that a brother can wear it every day. The medal that was previously presented could only be worn at the Lodge, and because of the age of most recipients it was impossible for many of them to attend lodge, hence, the use of it became grossly restricted. It is to be noted that the great majority of Grand Lodges are adopting this type of recognition and perhaps for the same reasons.

I would like to thank this Committee, not only for the distinctive and beautiful button they have selected, but for the despatch with which they have performed this duty.

MEMBERSHIP

Again we show a slight loss in membership. This year our loss is 947 members. However, I believe we are moving in the proper direction; we need more and smaller lodges where individual expression may have a chance. When a lodge is too large, a new member gets lost in the multitude and gradually loses interest.

Another contributing factor is lack of planning on the part of the individual Master of the lodge. Meetings should be short, business-like and instructive, the accent being on fellowship. Let us plan a long way ahead and then follow the plan. Let us make the new member feel he is part of the lodge.

Welcome him, assist in his education and put him to work.

If you can't do this, your lodge is too big—then you must form a new lodge—we owe this to our members.

“LET US GO FOR QUALITY FIRST
AND QUANTITY WILL FOLLOW

PROTOCOL

In order that we maintain the high standards of protocol for which our Grand Lodge is famous throughout the entire Masonic world, there are a few things I must mention. It has come to my attention that in some lodges improper salutations have been used. Under no circumstances should we refer to Worshipful Masters as “Sitting Masters,” or as “Ruling Masters.” The term “Worshipful Master” seems to be the more dignified wording.

The habit of addressing brethren as Brother George or Brother Bob is using very poor etiquette and should not be condoned. When we address a brother we should first use his proper Masonic title and his last name—for example—Wor. Brother Jones, or R. Wor. Brother Smith. Let us not get into the undignified habit of first names.

With regard to District Deputy Grand Masters, it is always considered proper that the D.D.G.M. and other members of the Board of General Purposes appear at all functions in full dress—this means white tie and tails. I have heard of it being done otherwise. Let us be sure of proper dress, thereby keeping all standards in proper dignity. Furthermore, no brother should attend a lodge unless he wears a suit and also a tie. Sport shirts are not exactly in keeping.

Hold high the torch
You did not light its glow.
It was given to you
By another hand you know.

APPRECIATION AND CONCLUSION

It seems only yesterday that I was elected by you brethren to serve as your Grand Master. I must say that this has been a thrilling experience for me and, I hope, in some small way I may merit the trust you have placed in me.

I would be remiss if I didn't write a few words of commendation and appreciation about our Grand Secretary, M. Wor. Bro. E. G. Dixon. He has been a tower of strength and our work together has been a wonderful experience of co-operation and an association that I shall reflect upon with much joy for many years to come.

The members of the entire staff of our Grand Lodge in Hamilton have at all times extended to me the utmost in loyalty and assistance and I would at this time extend my sincere appreciation to all of them.

No Grand Master could have been blessed with a finer group of elected and appointed Grand Lodge officers. I express to each of them my heartfelt thanks for the countless things they have done for me. May God bless all of you.

When one reviews the outstanding achievements and the contributions made by our Past Grand Masters, one feels very humble, and it is my sincere hope that I may be able to leave for generations to come, some small evidence of the fact that at least I endeavoured to serve you well.

May I thank the Most Worshipful Past Grand Masters and Deputy Grand Master, for their fine

spirit of co-operation, their wise counsel and sincere spirit of helpfulness that has been extended to me throughout the year. They have made my task so much easier and so enjoyable.

For the balance of my term as your Grand Master, I pledge to you that I shall endeavour, to the utmost of my ability, not only to uphold the high standards of our Grand Lodge, but to serve our members to the fullest extent of my ability.

If I live a life that's clean and square
And love my fellowman;
If I lend a hand to help him bear
His burdens whene're I can;
I need not fear what the future holds
Nor what the reward may be,
For that mighty love that all enfolds
Will surely care for me.

Respectfully and fraternally,

JOHN A. IRVINE,
Grand Master.

APPOINTMENT OF COMMITTEE ON THE GRAND MASTER'S ADDRESS

At the conclusion of the Address it was moved by M.W. Bro. H. L. Martyn, seconded by M.W. Bro. E. G. Dixon, and carried: That a committee, composed of all the Past Grand Masters present, consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This report was presented by M.W. Bro. J. A. Hearn, and on motion of M.W. Bro. Hearn, seconded by M.W. Bro. W. L. Wright, it was received and adopted.

To the Officers and Members of Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Brethren:—

The Grand Master's Address which was presented to us yesterday is a brief compilation of his Masonic travels and activities during the past Masonic year.

He is to be heartily commended for his many Masonic duties coupled with a very busy schedule as a member of Parliament in our Federal House.

We share the same sorrow in the passing of Rt. Wor. Bro. John Rumball and Rt. Wor. Bro. Harry S. Johnston. It seems like yesterday when they were among us at Grand Lodge taking their usual active parts in our deliberations. We miss them very much.

We sorrow with our Sister Grand Lodge of Saskatchewan in the loss of their Past Grand Master and Grand Secretary, Rt. Wor. Bro. Richmond Mayson. He was among our guests at our last Annual Communication.

The Grand Master's reference to the tragic passing of President John F. Kennedy touches us all; we feel very close to our friends below the border. We sorrow with them.

We hasten to add our commendations and rejoice with those Lodges who have reached their 100 years of active

existence. May the years which lie ahead be ones of peace, progress and happiness.

We concur in the appointment of Grand Representatives near other Grand Lodges and near our Grand Lodge. This is a wonderful experience for those named to keep the various Grand Lodges, which they represent, posted on our activities.

It is inevitable that some Worshipful Masters do not fill out a full term, for one reason or another, such as illness, removal from the jurisdiction and changes in election or installation date. We agree with the Grand Master that they be given past rank. We agree with the Grand Master's recommendation that Rt. Wor. Bro. F. D. Shannon and V. Wor. Bro. A. C. Ashforth be made Honorary Members of the Board. This is a very deserving tribute to two worthy Brethren who have contributed and will continue to contribute much to our Board of General Purposes.

At our last Annual Communication, two offices were left unfilled, The Grand Registrar, an elective office and Grand Junior Deacon, an appointed office. We concur in the appointment of Wor. Bro. C. J. R. Ballantyne as Grand Registrar of Spruce Falls Lodge, No. 648, Kapuskasing, and Wor. Bro. Albert Roy Doan of Alvinston Lodge, No. 323, Alvinston, as Grand Junior Deacon.

The sympathy of this Grand Lodge is extended to Victoria District in the loss of their D.D.G.M., Rt. Wor. Bro. Joseph Nesbitt, on April 19th, 1964. This Grand Lodge is greatly indebted to Rt. Wor. Bro. George V. Grant, his predecessor, who graciously accepted to fill out Bro. Nesbitt's term.

We agree with the donations amounting to \$4,000.00 to a number of very worthy causes. Letters received from the recipients indicate their grateful appreciation.

Five new Lodges were instituted during the past year. As the Grand Master remarks, this is a step in the right direction.

With gratification we note the continued progress in the erection of new lodge buildings, the dedication of new Lodges. Our Grand Master was present at many of them and there are more on the drawing board.

Our Grand Master has travelled far and near, not only in our Jurisdiction but throughout other Jurisdictions. Whenever it has not been possible for him to attend, he has been represented by Past Grand Masters or members of the Board.

In the Grand Master's Address he makes kind and sincere reference to other Masonic bodies which have conferred honors upon him, as well as many life memberships in various Lodges throughout this Jurisdiction.

If we were to ask him what was one of the outstanding events in his first year of office, and there were many, we suggest it would be the initiation of his son, John A. Irvine, into St. John's Lodge, No. 209A, London. We welcome the son of our Grand Master into our fraternity.

Reference is made in the Grand Master's Address of the formation of "The Masonic Foundation of Ontario". We entertain high hopes for the future for this Foundation, as its plans unfold for the future. The Freemasons of this Jurisdiction can look ahead with justifiable pride in this undertaking. To those who took part in its original and final stages we are most grateful.

Disciplinary action is never a pleasant duty for any Grand Master, but there are rules and regulations. We do have a Constitution and regulations which are not merely scraps of paper, but they are intended to govern the Craft wherever they may be. They are not unreasonable; they are not unfair; it would perhaps do us all good if we read them once in a while. We commend our Grand Master for his fortitude.

The expressions of appreciation of our Grand Master to those with whom he has worked closely during the past year, in particular the Most Worshipful Grand Secretary, are greatly appreciated. He will find the Past Grand Masters ready and willing to assist him wherever and whenever they can.

And now Most Worshipful Sir, we commend you and confirm all you have done in the past year in the interests of Freemasonry. May the Great Architect give you good health, strength and wisdom to guide the affairs of this Grand Lodge during the coming year.

Respectfully and fraternally submitted,

J. A. HEARN, P.G.M.,
Chairman.

LETTERS OF REGRET

The Grand Secretary advised that several letters and communications had been received from Grand Masters, distinguished brethren and Grand

Lodges, extending most cordial fraternal greetings and best wishes and expressing regret that they were unable to be present or represented.

RECEPTION OF GRAND REPRESENTATIVES

As the Grand Secretary called the roll of Grand Representatives of other Grand Lodges those who were present stood up and were welcomed by the Grand Master. Grand Honours were then given under the direction of the Grand Director of Ceremonies.

AUDITOR'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren,

I beg to report having completed the continuous monthly audit of the accounts of the Grand Treasurer and of the Grand Secretary for the year ended 31st May, 1964, and I have verified the statements submitted by the Grand Treasurer showing the receipts and disbursements of the General and the combined Memorial and Semi-Centennial Funds for the year ended 31st May, 1964.

The investment securities of the General, Memorial and Semi-Centennial Funds, as set out in the respective schedules accompanying the Grand Treasurer's report, were produced by the Canada Permanent Toronto General Trust Company for my inspection. I found them in order.

I wish to extend my appreciation to the Grand Treasurer's Clerk and to the staff at the office of the Grand Secretary for their co-operation during the audit procedure.

All of which is fraternally submitted.

H. FRANK VIGEON, C.A.,
Auditor.

On motion of the Grand Treasurer, seconded by the Grand Secretary, the Report and the Auditor's Report were received and referred to the Committee on Audit and Finance.

GRAND SECRETARY'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

I present herewith my annual report for the year ended May 31, 1964, containing a Summary of

Receipts from various sources placed in the General Fund; Details of Receipts in the General Fund and Ledger Balances as at May 31st, 1964, a Summary of Receipts for the year; Details of the Returns of Lodges as at May 31st, 1964, a Summary of the Receipts and Payments to the Grand Treasurer on account of the Memorial and Semi-Centennial Funds; and a Statement of the Receipts and Disbursements on the Memorial and Semi-Centennial Funds Revenue Account.

As an appendix to the Proceedings I have recorded the details of the Returns of the 624 warranted Lodges and one Lodge under dispensation, as of December 31st, 1963.

For the third year in succession, I must report a net loss in membership, this year of 947, the third loss since 1942. Our total membership as of December 31st, 1963, is 134,245.

If we compare last year's figures with this year's we will find that there has been an increase of 12 in the number lost by death; that there have been 165 fewer resignations; that suspensions are about the same, a gain of 2; that there were 108 fewer initiations, 43 fewer affiliations and 10 fewer restorations.

We must not be alarmed at our loss in membership for the third consecutive year. Most Grand Lodges in North America record the same experience. But we can do something about it if we only will. We can interview those who fall in arrears for one year, inquire if finances are a problem for them and endeavour to collect the arrears before they become greater. Let us show the delinquents who would jeopardize their Masonic standing that we are interested in them, that they mean more than money to us and that we are

ready to help them with their problems. Isn't that Freemasonry at work?

Two new lodges have been constituted and consecrated during the year and, as of today, five new lodges are operating under dispensation, giving a total of all lodges, as of today, of 629, an all time high.

The Report of the Advisory Committee will please you because it will show that many more lodges have completed new Temples or have commenced building or remodeling to give to their members more commodious and more comfortable accommodation. Those lodges whose Temples have been completed, without exception, report a great revival of interest and increased attendance.

LAPEL BUTTONS

Pursuant to the recommendation of M.W. Bro. R. W. Treleaven, Grand Master, last year, which was adopted by Grand Lodge, all medals, with the exception of the William Mercer Wilson Medal, pins and bars have been discontinued and in their place, since May 1, we have issued lapel buttons which may be worn at all times. So few of our veteran members are able to attend lodge that the medals and pins could not be worn by the greater percentage of those who qualified for them. The Committee, appointed by the Grand Master, consisting of R.W. Bros. Eric Nancekivell, Chairman, J. R. Dargavel, W. A. Stewart and the Grand Secretary, have selected the design and style for the several buttons which are now being distributed. Nothing but most favorable comment has followed the adoption of these buttons. I might say that most Grand Lodges, which recognize the services of our veteran members, have adopted buttons which can be worn outside the lodge.

As we are receiving many requests to purchase these lapel buttons by or for those who have already received medals and pins, it has been decided to make the respective lapel button available by purchase through the Secretary of the veteran's lodge at \$4.00 each, postpaid. If a lodge wishes to purchase five or more, the cost is \$3.75 each. Applications made by the Secretary for these buttons must state the member's full name, rank and date of initiation, and the particular button requested. Applications for lapel buttons for those who qualify after May 1, 1964, should be made in the same manner as previously for medals and pins but not sooner than one month prior to the date of qualification.

Since May 1, 95 lapel buttons (50 years a Mason), 3 buttons (60 years a Mason) and 3 buttons (50 years a Past Master) have been issued.

In all 445 medals and lapel buttons have been awarded, during the year, to members who have completed fifty years of membership.

SIXTY YEAR PINS AND BUTTONS

During the year 44 members have received Sixty Year Pins or Buttons in recognition of sixty years or more of membership. We extend our congratulations to these stalwarts of the Craft.

FIFTY YEARS A PAST MASTER

We proudly record the recognition of the services of those members who have served as Master and Ruler in the Craft for fifty years. This year twenty of our Past Masters have received our Long Service Medal or appropriate lapel button, marking fifty years of service as a Past Master. Four of our Past Masters have completed sixty years of such service. We wish to convey to all of them our appreciation of their services.

WILLIAM MERCER WILSON MEDAL

This medal, which is to be continued as such, is intended to be the Victoria Cross of this Grand Lodge. It is awarded sparingly for outstanding meritorious service to those whose services cannot be suitably and fittingly recognized in other ways. It cannot be awarded to a Past Master.

Since our last Annual Communication the Medal has been awarded to five members. They are:

Bro. John Houghton Baskett, Dereham Lodge,
No. 624, Mount Elgin.

Bro. Robert Benson, Temple Lodge, No. 296,
St. Catharines.

Bro. Archibald Campion, Brant Lodge, No. 45,
Brantford.

Bro. Reginald Henry Jamieson, Mississauga
Lodge, No. 524, Port Credit.

Bro. Roderick Matheson, Kilwinning Lodge, No.
565, Toronto.

To them go our sincerest thanks for the great work they have done and are doing.

APPRECIATION

During the year we have had two changes in our staff in the Grand Lodge Office. Bro. C. A. Newcombe, Chief Clerk, resigned to return to England and Mrs. Fischer left us to take care of her son. We miss them both. W. Bro. James C. Guy has assumed the duties of Chief Clerk.

To the members of a very loyal and efficient staff I again express my sincerest thanks.

Respectfully submitted,

Grand Secretary.

On motion of the Grand Secretary, seconded by the Grand Treasurer the Report was received and referred to the Committee on Audit and Finance.

COMMITTEE OF SCRUTINEERS

The Grand Master appointed V.W. Bro. Robert Strachan, Chairman of the Committee of Scrutineers, to supervise and count the vote at the election of Grand Lodge Officers, with power to name the members of the Committee.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The reports of the thirty-eight District Deputy Grand Masters were presented by the Grand Secretary and on motion of the Deputy Grand Master, seconded by the Grand Secretary, they were received and referred to the Board of General Purposes.

The Report of every District Deputy Grand Master is addressed to "The Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario." Each begins, "Most Worshipful Sir and Brethren," and every one ends, quite rightly, "Respectfully and fraternally submitted." To save space these formalities are omitted from the beginning and end of each Report.

ALGOMA DISTRICT

My year as District Deputy Grand Master of Algoma District has been a great honor, a pleasure and an education, for all of which, I am most grateful.

I wish to express my thanks to the members of Superior Lodge, No. 672, the Past Masters, Masters and Wardens of Algoma District for their part in making my election possible, and to Most Wor. Bro. John A. Irvine for confirming the election.

I was most fortunate in having Wor. Bro. Wm. H. McKinley as District Secretary, Bro. Rev. T. F. Moore as District Chaplain, Wor. Bro. Henry W. Hill as Supervisor of Masonic Education. All three are members of Superior Lodge, No. 672. Bro. E. D. Rathbone, M.D., of Kamistiquia Lodge, No. 584, acted as District Chairman of the Blood Donors' Committee. It has been a pleasure working with these brethren and their professional ability has been of great assistance to me.

The highlight of the year was the visit of the Grand Master to Algoma District in September. Most Wor. Bro. John A. Irvine accompanied by Rt. Wor. Bro. George McQueen, Assistant to the Grand Secretary, arrived at the Lakehead on Monday, September 23rd. A reception banquet was held that evening at the Nor-Shore Motor Motel, when a capacity gathering was present to honour our distinguished

guests and all were rewarded with a most inspiring address by the Grand Master. After the Banquet, Grand Lodge assembled in the Port Arthur Masonic Temple with Most Wor. Bro. J. A. Irvine presiding, assisted by Rt. W. Bro. McQueen, present and past Grand Lodge Officers, Past Masters and Masters of Algoma District. The ceremony of constituting and consecrating Lakehead Lodge, No. 709, was conducted in a most impressive manner.

On Tuesday, September 24th, the Grand Master accompanied by the same officers travelled to Terrace Bay and, that evening, dedicated the new Masonic Temple built by Terrace Bay Lodge, No. 662. This new Masonic Temple, at Terrace Bay, is indeed a credit to the Craft and the members are to be congratulated for their splendid volunteer effort.

Congratulations are also in order for V. Wor. Bro. W. E. Shaw, W.M., the officers and members of Lakehead Lodge, No. 709, although the youngest lodge in the District they are conducting their lodge in a very capable manner. We witnessed a rather unusual ceremony on October 7th, when the Past Masters of Superior Lodge installed and invested the officers of Lakehead Lodge, No. 709, and relinquished the distinction of Junior Lodge in the District.

Hornepayne, being the most isolated lodge in the District, is working under a great handicap. Being a railroad town, the diesel locomotive has reduced their numbers, while many are out on the road at the time of meetings. However, they are doing exceptionally well in maintaining their lodge. While there last month on my official visit, their attendance at both the meeting and the Divine Service was good. The true Masonic spirit is still much alive in Hornepayne and their hospitality is something we shall cherish and talk about for many years.

I made my official visitation to each of the twelve lodges and had the pleasure of attending several lodges on other occasions. In all cases I was received most cordially and treated with that dignity and respect due a representative of the Grand Master. I am pleased to report that, to the best of my knowledge, all twelve lodges are operating under close harmony and high efficiency. They are all making every effort to maintain their attendance, prevent suspensions, promote Masonic Education and maintain a high standard of degree work.

Recent improvements in transportation and highways have helped a great deal in Algoma District with the problem of inter-lodge visitations. Inter-lodge visitations between the eight Lakehead lodges and the other four remain a

problem. However, with improved transportation and improved roads, we do get together more often. This year, in fulfilling my obligations as D.D.G.M., my total mileage by car was 3,109 miles, not counting social engagements.

Through the untiring efforts of our District Chaplain, we tried out a new idea for a District Divine Service, which was held on Sunday, April 26th, at 2.30 P.M., in the Lakehead Exhibition Auditorium. It was held in the Auditorium in order to have room for all who wished to attend, as the Brethren were instructed to attend with their families. This proved more convenient for those outside the Lakehead. It was held at 2.30 P.M., so as not to conflict with the regular church services and enabled the Brother Clergymen to take part in the Service. The results although far below our expectations were encouraging. Five local Brother Clergymen conducted the Service. The Shrine Chanters and Jobs' Daughters made up the choir, with 121 brethren accompanied by 178 members of their families in attendance. This being our first attempt with this type of District Divine Service, I am quite confident that by putting more time and effort into organizing and preparing for a similar service, we can build it up to a capacity attendance. This is not intended to replace the Divine Service of each lodge; these were held as usual this year.

On February 4th, we held a short informal meeting of the District Worshipful Masters. At this meeting I passed on certain information from Grand Lodge and discussed various matters which might assist the newly-installed Masters in performing their duties. Eight of the twelve Masters were present and from the favourable comments received I would suggest such a meeting be held each year.

Our District Blood Donors' Committee, under the Chairmanship of Bro. E. D. Rathbone, M.D., has distributed, through the Lodge Secretaries, enrollment cards in an attempt to have all lodges under one plan. The plan seems to have been accepted by the lodges as a step in the right direction. However, the individual members still hesitate to co-operate by reporting their blood donations. All lodges have given this project splendid publicity through the summons but still the reports are low. However, this year the Red Cross Blood Donors' Clinic at both Port Arthur and Fort William had a record turnout. I feel that our Masonic effort may have greatly assisted in making this possible.

It is with deep regret that the number of brethren, who have been called to the Grand Lodge Above, is again over fifty. One of these, in the person of Wor. Bro. J. E. Hamilton, for many years Secretary of Shuniah Lodge, No. 287, was well-known and held in high esteem throughout the

District for his keen interest in the Craft. His passing was a great loss to the District of Algoma. We cherish their memory in our hearts.

The Past Masters', Masters' and Wardens' Association has been doing a fine job this year through visits to the District Lodges, thus increasing lodge attendance and improving the general interest.

Mrs. Hall and I have enjoyed having the privilege of attending the many social functions. Our only regret is that we were unable to attend them all. We will long cherish the pleasant memories of the past year.

In conclusion, I would like to say "thanks" to all who have assisted me through my term of office, with a special "thanks" to the members of my staff and to the Masters and Secretaries of the District Lodges. It has been a most pleasant experience to have represented the Grand Master in Algoma District, one which I shall never forget. I have learned a great deal and I hope that in some small way I have left something which will benefit the Craft of this District.

To my successor I pledge my support and I hope his term will be as pleasant as mine has been.

CECIL J. S. HALL, D.D.G.M.

BRANT DISTRICT

It has been a wonderful experience and a great honour to represent the Most Worshipful the Grand Master in Brant District. I shall be ever indebted to my brethren of Ozias Lodge, No. 508, for nominating me and to the District for my acclamation to this office, and to you, Most Worshipful Sir, for confirming their choice.

My responsibilities were made much easier and more enjoyable by the invaluable assistance I received from the District Secretary, Wor. Bro. Leonard Johnson, the District Chaplain, Bro. The Venerable Frank McRitchie, the District Director of Masonic Education, Wor. Bro. W. Frank Coker, and the Chairman of the Blood Donors' Committee, Wor. Bro. R. Bruce Gullen. To these brethren I wish to express my sincere thanks and appreciation.

I have visited all Lodges in the District and can report the work to be done in a satisfactory manner. However, Masonry is not thriving in the District to the extent one would like to see and some Lodges are suffering from lack

of work. In all instances I have stressed greater use of Masonic Education, greater interest in our Library and a more impressive rendition of our degree rituals as a possible means toward better attendance, more enthusiasm and greater activity.

It was my pleasure, accompanied by Mrs. Scace, to attend several Ladies' Nights throughout the District. On each occasion we were royally received and entertained.

It was my privilege to present a Veteran Jubilee Medal to my uncle, Rt. Wor. Bro. William B. Scace. Unfortunately the District suffered the loss of this staunch Mason later during the year, as reported, together with other Past Grand Lodge officers, to the Committee on Fraternal Dead.

Brant District has been honoured to receive several visits from neighbouring District Deputies during the year and, whenever possible, I have attempted to reciprocate.

We have a fine and active Masters', Past Masters', and Wardens' Association which continues to give valuable assistance throughout the District.

Several Church Services have been held. On May 10th the District Church Service was held in Grace Church, Brantford, when a most inspiring sermon was given by our District Chaplain. It was thoroughly appreciated by those who attended.

Finally, Most Worshipful Sir, I wish to thank you for the privilege of representing you in Brant District and, also, Most Wor. Bros. Dixon and Martyn for their patient guidance and help.

FRANK E. B. SCACE, D.D.G.M.

BRUCE DISTRICT

To have had the privilege of serving as D.D.G.M. of Bruce District has been a rewarding and educational experience for me. I wish to express my appreciation to the Officers and Members of Cedar Lodge, No. 396, for proposing me, to the Lodges of the District for supporting me, and to you, Most Worshipful Sir, for confirming their choice.

It was my good fortune to have associated with me very capable and devoted Masons as my District Officers. Wor. Bro. Herb Eldridge served as District Secretary and accompanied me on all my Official Visits. Wor. Bro. Rev. George Millar, as District Chaplain, was with me on most of

the Visits, as well as conducting a District Divine Service at which Speed Lodge choir from Guelph assisted. R. Wor. Bro. Gordon Matthias was Chairman of Blood Donors and is to be commended for a splendid job. Bro. Alf. Stoppard was Chairman of Masonic Education and visited all the Lodges in the District, and gave talks on the three degrees, which was evident by the efficiency throughout the District.

I visited the twelve Lodges in the District at least once and some of them oftener. Seven of the Lodges had degree work and the other five opened and closed in three degrees. They all performed their work in a capable manner, and efficiently, with the exception of one Lodge which I will visit at their June meeting and report further to Grand Lodge. I had the pleasure of attending many other Lodges of neighboring Districts as well as several Ladies' Nights to which Mrs. Currie and I were kindly invited. I wish to express our sincere thanks to the Brethren and their Ladies.

I attended Huron and Bruce Lodge, No. 611, on County Night, at which Most Wor. Bro. Harry L. Martyn was Guest Speaker. I, also, was able to attend the Grand Master's Reception at St. John's, 209A, at London, and also at Fordwich, No. 331, in North Huron. I was inspired with the Grand Master's messages. The brethren of Bruce District wish me to extend to Most Wor. Bro. J. A. Irvine their hearty co-operation and best wishes.

I am pleased to report that six lodges now own their own lodge premises. Port Elgin, No. 429, is moving into its own building and will be ready for dedication in the fall. There are a few that need more fire protection and this has been brought to their attention. Lodge attendance, I think, is affected by older members not being able to climb the stairs in some Lodges.

It is with deep regret that I report the loss of three Past District Grand Masters, who have been called to the Grand Lodge Above. Rt. Wor. Bro. James Matches passed away July 24th, 1963. Rt. Wor. Bro. Herbert Arthur Doubt passed away May 21st, 1964. Rt. Wor. Bro. James Albert Magee passed away May 23rd, 1964.

It was a pleasant experience to welcome three District Deputy Grand Masters as well as twelve P.D.D.G.M's on my Official Visit to my Mother Lodge, Cedar, No. 396, on March 3rd, at which one hundred and thirty-five were in attendance. Rt. Wor. Bro. Edmund C. Stevens from Grey District commented on the work of the Officers, for which I was very thankful.

I conclude by thanking all the P.D.D.G.M's and the Brethren of Bruce District for their assistance in helping me

to perform my duties on behalf of the Grand Master, which have been inspirational and a challenge to me, and I hope I have left a contribution to the Brethren of Bruce District.

JOHN F. CURRIE, D.D.G.M.

CHATHAM DISTRICT

It has been a privilege, as well as an honour, to be the representative of the Grand Master in Chatham District for the Masonic year 1963-64. I wish to especially thank the brethren of Tecumseh Lodge, No. 245, A.F. & A.M., Thamesville, for allowing my name to be presented in the District Meeting at Grand Lodge as a nominee for the office of District Deputy Grand Master of Chatham District. While it is a real honour to represent the District in Grand Lodge it also carries a great deal of responsibility.

I made at least one official visit to each of the lodges in the District during my term of office. Several of the lodges did not confer a degree on my official visit due to lack of candidates. At one meeting the candidate did not present himself. Most of the lodges that did not confer a degree on my official visit opened and closed the lodge in the three degrees in a manner which showed that the officers had the work well in hand. Several return visits were made to some of the lodges when several 50 Year Medals were presented. I expect to present two 60 Year Pins. Unfortunately I was not able to be present on all occasions when 50 Year Medals were presented.

The attendance at some of my official visits was rather disappointing. Possibly one of the reasons for poor attendance at lodge meetings and a weakening of membership is the complaint that is heard quite frequently that society is getting overorganized and Masonry seems to be suffering. I have wondered if more lodges did only general business, with some Masonic Education on regular meeting nights, thus making the evening shorter and called emergency meetings for degree work this would result in more interest being created.

Most of the lodges in the District held Divine Church Services or are about to hold one. The attendance at many of these Services is only fair in proportion to the total membership of a lodge. The District Divine Service was held in St. John's United Church, Botany, with the District Chaplain, W. Bro. Rev. S. E. Stevenson, in charge, assisted by Bro. Rev. F. G. Risdon. The Chaplain gave a very inspiring message on the subject, "Seven Steps to the Holy of Holies." Masons, their families and friends filled the

auditorium and Sunday School hall with a full Masonic choir in attendance.

In company with my sister and often the District Secretary and his wife, I attended several evenings during the year when the ladies were honoured at banquets and entertainment.

Chatham District was honoured on Saturday, April 4, with the presence of the Grand Master at a District Reception on the occasion of the dedication of the new Temple of Century Lodge, No. 457, Merlin. Several District Deputies and other Grand Lodge officers were also in attendance. Howard Lodge, No. 391, Ridgetown, have permission to hold a meeting in their new Temple in June. Some other lodges have a new Temple under discussion.

According to the District Secretary's report there were 58 initiations, 59 deaths, 25 dimits and 24 suspensions in the District with a total membership for the 15 lodges of 2675, being a loss from last year of 41.

I have enjoyed the association of neighbouring District Deputies. On June 8, an occasion which, as near as I can find out, I hope will be unique, there is a possibility of four District Deputy Grand Masters being together with their fathers, also Masons, at Komoka, when R.W. Bro. Malcolm Gray makes his official visit to his mother lodge, Myra No. 529.

I appreciate the assistance that I have received during the year from the District Secretary, W. Bro. Glen Robertson, the District Chaplain, W. Bro. Rev. S. E. Stevenson, Chairman of Masonic Education, W. Bro. Douglas Krieger, and Chairman of Blood Donors, W. Bro. Dr. C. T. Lamont.

I have considered it an honour and a privilege to have been the representative of the Grand Master in Chatham District this year. I hope that the District has received some benefit from my term of office. I wish my successor the same support and co-operation during his year of office that I have received from the District.

HAROLD A. CAMERON, D.D.G.M.

EASTERN DISTRICT

My year in office is rapidly drawing to a close, the twenty lodges in the District having been visited at least once, and as I reflect on the past few months, I wonder at the speed with which they have elapsed. It was indeed a

rewarding experience and my sincere thanks go out to the Past Masters, Masters and Wardens in the District who saw fit to elect me to this high office and to the Most Worshipful, the Grand Master, for confirming my election.

My first act was to appoint Wor. Bro. W. D. McNaughton, a Past Master of my mother lodge, as District Secretary and he attended to details, particularly on meeting nights, leaving me more time to meet the brethren. Wor. Bro. Ralph Flath carried out his duties as Supervisor of Masonic Education with zeal, while Bro. Rev. Robert H. Hobbs, the District Chaplain, attended many of the official visits. Special thanks go out to Wor. Bro. George McCutcheon, a Past Master and Secretary of Cornwall Lodge, No. 125, who served so effectively as District Blood Donor Chairman. For the first time this district will have a report, the number being 131 donors for the year just ending.

The highlight of the year for the fraternity was the Eastern District Lodge of Masonic Education sponsored by Corinthian Lodge, No. 669, under the general chairmanship of Very Wor. Bro. G. Revell. Each Lodge was represented with attendance being well in excess of 100. This lodge, and particularly the general chairman, are to be highly commended for their foresight and hard work in making this venture such a success, and I trust we may have more of these educational sessions in the future.

Our membership suffered a very small net loss during the year ended May 31st but the number called to the Grand Lodge Above contributed greatly toward this loss. I am of the opinion, however, that we are now at the bottom of a cycle and the pendulum should start soon to swing upwards. Average attendance remains fairly good in most lodges and many young men are now going through the various offices. No doubt the enthusiasm of these young Masons will be a factor in increasing the number of new candidates without affecting the high calibre of our membership.

The amount of arrears in dues in some lodges should be a cause for concern and, while this was brought to the attention of the various Secretaries during the year, a greater effort must be made by the officers of some of the lodges in bringing this under control.

In comparison with the past two years, when new lodge rooms were dedicated and one new lodge was instituted, this has been a comparatively quiet year. I was received in a cordial and friendly manner on each official visit and average attendance was 50 per meeting. The work, generally, was performed in an impressive manner with our Ancient Charges and Landmarks being maintained. It was my

distinct pleasure to present 50 Year Medals to four brethren and to hear several interesting, well-prepared talks on Masonic Education. I endeavoured, in my message at the banquet table, to speak on topics pertaining to Grand Lodge and Masonry in general and stressed the importance of the Constitution. My District Secretary, I and our ladies were tendered invitations to several Ladies' Nights and, when time permitted, we attended. The good fellowship and brotherhood displayed at these gatherings were a joy to behold.

Our last Masonic gathering was the District Divine Service held at Christ Church, Long Sault, where more than 225 brethren paraded to the Service to the skirl of a brother's pipes. It was indeed unfortunate that Bro. Rev. Hobbs was hospitalized two days before but the Service was ably taken by Bro. Rev. Archdeacon W. D. McL. Christie of Trinity Church, Cornwall. My deep appreciation and thanks go out to him for such a splendid effort on such short notice.

This, indeed, has been a year of deep satisfaction for me. I have had the privilege of meeting many of the brethren in this District for the first time, have witnessed some excellent ritualistic work and have particularly noted the interest in our fraternity being taken by many young men. Past Grand Lodge Officers continue to be very active and are a tower of strength and support to their mother lodges as they were to me.

Masonry, in this District, remains in good hands and there is no doubt that the Most High will continue to prosper our united endeavours.

E. ROBERT DAYE, D.D.G.M.

FRONTENAC DISTRICT

The privilege of serving as the representative of the Grand Master in Frontenac District has been an educational and rewarding experience, resulting in the renewing of old acquaintances and the making of many new friends. To the Brethren who made this possible, I extend my sincere thanks.

My duties and responsibilities were made easier and much more enjoyable by the co-operation and assistance of the District Secretary, W. Bro. A. G. Wright, and the District Chaplain, W. Bro. W. B. Sutherland. My thanks and appreciation as well as those of the whole District are extended to these faithful Brethren.

It was evident on my official visits to the eighteen Lodges, that Masonry in this District is in fairly good

condition. The attendance was about the same as the previous year. There has been a decline of 73 in the membership, and this is reflected in all but two Lodges. At all meetings I observed degree work, which was good to excellent, considering the fact that some Lodges had more candidates than others.

The District Secretary, W. Bro. A. G. Wright, reports that the minutes of the meetings of each Lodge are clearly and properly recorded, that Lodge Secretaries were most co-operative and are to be commended for the care and accuracy of all lodge records. The financial condition of each Lodge appears to be good.

W. Bro. Robert Currie, although ailing in health, consented to act as Chairman of the Blood Donors' Committee. The report so far shows 145 donations. However, I feel that many contributions were not reported to the Committee by the donors.

Five to ten minute talks on Masonic Education are being used to good advantage by many Lodges in the District to stimulate interest and encourage increased attendance at their meetings. The reports show talks were given at 62 of the 189 regular meetings held during the year. This was an increase of 5 over the previous year, and points up the increased interest in this branch of Masonry.

On all visits, lodge premises were checked for fire hazards and the lack of safety measures, and where these existed, they were brought to the attention of the Master.

Carefully planned meetings, started promptly at the scheduled hour and conducted without delays, were stressed to allow the Brethren to return home at a reasonable hour.

The District Church Service was held in Sydenham Street United Church, Kingston, on Sunday, May 3rd, under the direction of Bro. the Rev. J. A. Davidson, who chose as his subject "What God requires of you". In addition to the District Service, many of the Lodges held individual and combined Services, several of which I was able to attend.

It was an honour and a privilege to present a Veteran Jubilee Medal to Bro. Ole Gillette at his home on behalf of Porcupine Lodge, also to Bros. William Hawke and Fred Meggs on my official visit to Leeds Lodge, Gananoque. These long-time members set a good example for the Brethren by their loyalty, devotion and interest in the Craft.

The highlight of the year was the Grand Master performing the rite of Dedication of Lorne Lodge's new premises

at Tamworth on April 18th. His message in the banquet room will long be remembered by those who were able to be there. The members of Lorne Lodge are to be congratulated for their zeal, devotion and credit to Masonry in furnishing their new quarters.

The kindness and consideration shown to Mrs. McIntyre and myself at the many "Ladies' Nights" will long be remembered. We thoroughly enjoyed ourselves on these occasions.

In conclusion, may I, through this medium, express to the Officers of Grand Lodge, the Masters, Officers and Brethren of Frontenac District, my sincere thanks and appreciation for the many courtesies extended to me during my term of office.

KENNETH McINTYRE, D.D.G.M.

GEORGIAN DISTRICT

It has been an honour and privilege for me to represent the Grand Master in Georgian District, and I take great pleasure in presenting my report on the Condition of Masonry in this district for the past year.

I would like to express my sincere appreciation and gratitude to the brethren of Georgian District for the honour they bestowed upon me by choosing me as their D.D.G.M., and to you, Most Worshipful Sir, for confirming their choice.

I am deeply indebted to Wor. Bro. Wm. R. Mackey, P.M. of Beaver Lodge, No. 234, who acted as my District Secretary. Wor. Bro. Mackey accompanied me on all my visits and his reports of the records of each lodge show that they are well kept and in good order. Bro. Rev. W. Gordon Prosser consented to act as District Chaplain, and his excellent guidance and advice during the year were greatly appreciated. Wor. Bro. Leonard W. Rutherford effectively filled the duties of District Chairman of Masonic Education, as did Wor. Bro. Frank Loughheed as the District Chairman of Blood Donors. I would like to thank R.W. Bro. J. J. Robbins, Caledonian Lodge, No. 249, Midland District Treasurer, for his co-operation and assistance.

Each of the twenty lodges was visited officially once, and many, more times during the year. I would like to extend my thanks to the Worshipful Masters and their officers for the excellent manner in which they carried out the Work.

A number of Lodges in Georgian District have lodge rooms where fire safety is still a problem. In each case a

committee has been formed; they are fire conscious, and I feel confident that these conditions will be corrected before our new term opens.

Many of the lodges held "Ladies' Nights" and Wor. Bro. Wm. R. Mackey and Mrs. Mackey, with my wife and I, were privileged to attend these pleasant events. We were given a warm greeting on these occasions and enjoyed meeting the brethren and their wives.

The Georgian District Masonic Officers' Association has had a very successful year under the capable leadership of Wor. Bro. Neville Keefe of Georgian Lodge No. 348, Penetang. Their assistance in helping to organize the Lodge of Instruction, held in Collingwood on April 30th, was greatly appreciated. At the Lodge of Instruction R.W. Bro. Earl W. Gilroy explained the work in the Master Mason Degree. The officers for the evening were the Wardens from various lodges in the District. We are indebted to Manito Lodge, No. 90, for their assistance, as well as to R.W. Bro. Earl W. Gilroy for his time and interest in preparing the most helpful and inspiring presentation.

The highlight of the year was the visit of the Most Worshipful the Grand Master to Georgian District, on April 10th. A reception was held in Thornbury for M. Wor. Bro. J. A. Irvine. After the banquet the Grand Master delivered a most inspiring address to 200 brothers. There were fifty-three present and past Grand Lodge officers present.

On March 24th, the past Grand Lodge officers and many brethren assembled in Manitoba Lodge, Cookstown, on the occasion of presenting R.W. Bro. Thomas Robinson, P.D.D. G.M. with his Fifty Year Medal for serving 50 years as a Past Master of Manitoba Lodge. On April 16th, Orillia Lodge, No. 192, held a Grand Lodge officers' night. The degree work was done by past and present Grand Lodge officers under the direction of R.W. Bro. Eric Bacon, P.D. D.G.M. I also had the privilege of presenting two Fifty Year Veteran Jubilee Medals.

Divine Services were held by most Lodges in the District and the District Divine Service was held on May 31st, in Thornbury United Church. The District Chaplain, Bro. Rev. Gordon Prosser, delivered an inspiring message on The Moral Implications of Belief in God. The co-operation of all Masters and all Lodges made this Service a real success.

I must, in this report, express my thanks to M. Wor. Bro. E. G. Dixon, R.W. Bro. George McQueen, R. W. Bro. George T. Evans and M. Wor. Bro. Harry L. Martyn for the help and friendly counsel that was so freely given.

In conclusion, I would like to say "thanks" to all who have assisted me throughout my term of office. I am at a loss to express fully my sincere appreciation of the support extended to me by the Masters, Officers and members in this District. I hope that, during my term of office, I have, in some small way, been able to contribute to the advancement of Masonry in Georgian District.

MELVIN G. McKECHNIE, D.D.G.M.

GREY DISTRICT

If there were a motto for Grand Lodge Officers it might well be "Reward Through Service". No other reward for the time and effort spent in the work of Freemasonry can compare with the satisfaction one feels for service rendered. Then, too, in the mind of every incumbent there must exist the sincere conviction of the need in the world to-day of those eternal truths that the Craft teaches. Having savoured the fruits of this rich and gratifying experience as the representative of the Most Worshipful the Grand Master, there remains the hope that I may repay this honour by continuing to be of further service to the Craft in general and to Grey District in particular.

The Executive for Freemasonry in Grey District, namely, the Worshipful Masters and their Officers, have been most conscientious and co-operative in the execution of their duties and responsibilities. They have received me with such warmth of hospitality as to leave no doubt of their high regard for the Craft. In fact, I would not be at all nervous if the Grand Master himself, dropped in, unannounced, to check the proceedings in any one of the twelve lodges in the district. The work that I have witnessed on my official visits has clearly demonstrated that Freemasonry here observes the traditions and landmarks.

The Past Masters' Association, under the direction of V. Wor. Bro. T. Harold McGhee, has contributed greatly to interest and uniformity in the district. At the annual meeting, last fall, plans were made for their three major activities, namely, Inter-Lodge Visitations, Ladies' Night and Lodge of Instruction. This is the third year of our twelve year rotation plan for lodge visits. During this period each lodge will visit and be visited by all lodges in the district. The District Ladies' Night held at Shelburne on April 4 was organized by R. Wor. Bro. Robert Davies. On this occasion we had the pleasure of hearing our Deputy Grand Master address us on "The Place of the Family in the Community". The Lodge of Instruction at Hiram Lodge, Markdale, on April 24, was convened by Wor. Bro. David Low. After

several practices, the Senior Wardens exemplified the Third Degree. In the words of the Moderator, R. Wor. Bro. W. K. Bailey, "It was as nearly perfect as it could possibly be".

No District Deputy Grand Master could complete a successful year without help. I would like to acknowledge, with gratitude, the assistance that I have had from my District Executive; to Worshipful Brother Robert Cowan for his faithful attendance on my official visits and his careful scrutiny of lodge records, which, he assures me, are correct and complete; to Right Worshipful Brother Wilfred Newell for his support at all District functions and his superintendence of Masonic Education; to Brother Reverend Russel Finley for his assistance at several visits and for a very inspiring message at our District Annual Church Service; to Worshipful Brother Marshall MacIntosh for his work with Blood Donors.

It was most gratifying to note the support which I enjoyed throughout the whole district. The interest of the brethren in travelling to sister lodges on the occasion of my official visits was particularly noticeable among those lodges that had smaller membership. Many of those visiting were Past Masters or Past Grand Lodge Officers. If interest in the Craft is stimulated and sustained through those who have served in office, there should be more opportunity to serve. It would seem reasonable then to recommend that in those localities where lodges number more than two hundred members a new lodge might be instituted.

E. C. STEVENS, D.D.G.M.

HAMILTON "A" DISTRICT

The privilege of serving as the representative of the Most Worshipful the Grand Master in Hamilton District "A", is an honour for which I am deeply grateful and most appreciative. It is with the utmost humility that I express my sincere thanks to my brethren of Oakville Lodge, No. 400, in particular, for the confidence they placed in me in proposing my name for this high and honored office and to the brethren of Hamilton District "A" in general, for electing me to serve in this capacity; also to the Grand Master for his consideration in confirming my election.

My first official duties were to appoint Wor. Bro. A. E. Campbell as District Secretary, R. Wor. Bro. W. L. Somerville as Supervisor of Masonic Education, Wor. Bro. Fred Scott as Chairman of the Blood Donors' Committee and Bro. the Rev. R. G. MacMillan, Minister of Knox Presbyterian Church, Oakville, Ont., as District Chaplain. To each of these

brethren I extend a sincere "thank you" for the interest they have shown in the District and for the capable and efficient manner in which each carried out his respective responsibilities.

I visited each of the nineteen lodges in the District at least once, officially, and a number of others on special occasions. Without exception, I was received into the lodges in a warm and cordial manner with appropriate honors being accorded, showing the high esteem in which the Grand Master is held throughout this District.

During my visits I witnessed the conferring of all three degrees and am pleased to report that the work done by the Worshipful Masters, Officers and Members was, generally, of the highest standard and in accordance with the Constitution and Rulings of Grand Lodge. The work was presented in a sincere and dignified manner with all Worshipful Masters displaying good leadership. I was pleased to see them making use of their junior officers and members in the degree work thus creating a greater interest in Masonry for the younger brethren. The work done by the younger brethren was of the highest calibre and it would appear that Masonry, in Hamilton District "A", is in good hands for many years to come.

The attendance on my official visits was generally good, with the facilities being taxed to capacity on some occasions. The loyal support of the Wor. Masters was greatly appreciated.

In addition to my inspection of the lodge work, I also made an inspection of the buildings in which our lodges are meeting. All appear to have adequate insurance coverage but three were not equipped with an approved fire escape for the complete protection of the brethren in the event of fire. However, one of these was in the process of making alterations at the time of my visit and an approved fire escape was included in the plans. The other two are contemplating changes in their buildings in the near future to afford greater fire protection.

The District Secretary inspected the records of the lodges and his reports indicated that all lodges were in a healthy financial condition with all records being kept in an excellent manner.

My banquet room talks were short and dealt chiefly with Grand Lodge, benevolence, what Freemasonry is, what it stands for and what the man, who professes to practice Freemasonry, should be.

It is with regret that I must report a small decline in the membership of the District this year. The decrease was due

chiefly to the death of a number of the older brethren of the older lodges.

During the year, four District Masonic Education meetings were held, under the capable chairmanship of R. Wor. Bro. W. L. Sommerville. The meetings were all interesting and informative with a total of 407 brethren attending.

Wor. Bro. Fred Scott, again, rendered outstanding service as chairman of the Blood Donors' Committee. His report showed 344 donors making a total of 602 donations.

Mrs. McKillop and I were pleased to accept many invitations from the lodges of both Hamilton "A" and "B" Districts to attend their annual Ladies' Nights, all of which we thoroughly enjoyed. On a number of these occasions we had the pleasure of the company of R. Wor. Bro. L. J. and Mrs. Hewitt, District Deputy Grand Master of Hamilton District "B".

On Sunday, May 3rd, a well-attended District Divine Service was held at Knox Presbyterian Church, Oakville. The Service was conducted by the District Chaplain, Bro. the Rev. R. G. MacMillan, assisted by R. Wor. the Rev. C. D. Donald, Past Grand Chaplain.

On May 28th, I had the pleasure of representing the Grand Master in Instituting a new lodge in Oakville. A dispensation was granted to 38 charter members and the lodge will be known as Trafalgar Lodge.

In closing, I wish to take this opportunity to express my sincere thanks to the Grand Secretary, M. Wor. Bro. E. G. Dixon, for his help and guidance throughout the year, also, to the Past Masters' and the Masters' and Wardens' Associations of Hamilton Districts "A" and "B". Their loyalty and support throughout the year has been greatly appreciated.

H. G. McKILLOP, D.D.G.M.

HAMILTON "B" DISTRICT

To have served as the representative of the Grand Master and to have received on his behalf a warm and hospitable welcome in all of the 20 lodges of Hamilton Masonic District "B" has been a distinct pleasure and a rare privilege.

The District has been most fortunate to have as the District Secretary, this year, Wor. Bro. John D. Taylor. His genial manner, his interest in lodge records and history, and his knowledge of the work of a Lodge Secretary have en-

abled him to carry out the duties of his office with humour, purpose and efficiency. As Supervisor of Masonic Education, Wor. Bro. Leonard A. Staples has given valuable leadership to the various Lodges through writing and distributing articles, advising on lodge programmes and particularly in organizing and conducting District Masonic Education meetings. Wor. Bro. Adam C. Zimmerman, Chairman of the District Blood Donors' Committee, has given conscientious service to this cause; Bro. the Rev. Robt. W. McLauchlin, District Chaplain, and Wor. Bro. Joseph H. Wright, Asst. District Chaplain, have also been very successful appointments, discharging their duties capably and faithfully.

In my visits to the Lodges, I have been impressed by the high standard of the work and by the enthusiastic leadership of the Worshipful Masters and their Officers. The District Secretary reported the books and records to be in good form and the Lodges to be financially sound. On each Official Visit, stress was laid upon the active concern of Grand Lodge on behalf of all of its members, and the need to maintain an interested, active membership in all Lodges.

Throughout the year, special emphasis was given to the ritual work and to Masonic Education. With the assistance of Wor. Bro. L. A. Staples, a booklet on "Suggestions to Officers in the Discharge of Their Duties" was compiled and presented to the officers of all Lodges in this District. In addition, three District Masonic Education Meetings were organized and conducted—one on each of the three degrees. These meetings were well-attended and the programmes were enthusiastically received.

We are fortunate in the Hamilton Districts in having such active organizations as the Masters' and Wardens' Associations and the Past Masters' Association. To both Associations go the thanks of the District for their outstanding leadership and influence. The active support of the '63 Masters and the '64 Masters has also been much appreciated.

To several senior members were presented, this year, the 50-Year Veteran Jubilee Medals. It is always a pleasure to recognize in this fitting way the long service, loyalty and contribution of these respected brethren. It has been with a sudden and deep sense of loss that we have also experienced the passing of other senior brethren, among them former Grand Lodge Officers who served this District well and long.

The District Divine Service was capably conducted by the District Chaplain, Bro. the Rev. Robt. McLauchlin. The large group of brethren and their families who attended enjoyed an inspiring address. The several Lodges in the

District who hold their own Divine Services are commended for their efforts and their attendance.

It was a real pleasure for Mrs. Hewitt and me to attend many Ladies' Nights in Hamilton Districts "A" and "B". These were occasions for good fun and good fellowship, well-attended and much enjoyed. Such events serve a useful purpose in bringing Masonic families together.

On June 29, 1964, Battlefield Lodge (U.D.) was instituted at the Masonic Temple in Stoney Creek. It has begun its Masonic voyage with capable leadership, the promise of a bright future and the unqualified support and good wishes of the whole District.

It is with a sense of gratitude that I approach the conclusion of my term of office. My sincere thanks go to the District for electing me to this esteemed office and to the Grand Master for graciously allowing me to represent him. I am grateful for the ready co-operation and efforts of the District Officers and for their valuable help and unfailing loyalty. To Most Wor. Bro. E. G. Dixon and Rt. Wor. Bro. Geo. McQueen goes a special word of thanks for their assistance and counsel. While the pleasant memories of a most enjoyable year will linger long, the real pleasure has come from the privilege of serving the Order.

LEONARD J. HEWITT, D.D.G.M.

LONDON DISTRICT

It has been an honour and a privilege to represent The Most Worshipful the Grand Master in London District and I take great pleasure in presenting my report on the Condition of Masonry in this District for the Masonic year 1963-64.

I was very pleased to appoint Wor. Bro. Wm. Tunks of Myra Lodge, No. 529, Komoka, as District Secretary. He has performed his duties in a kindly and efficient manner. He reports that all lodge records are well-kept and he is satisfied with the work of the Lodge Secretaries.

Wor. Bro. Wes Botham of Corinthian Lodge, No. 330, again accepted the position of Supervisor of Masonic Education for his third term. A Lodge of Instruction was held on April 6, 1964, with The Tuscan Lodge, No. 195, acting as host lodge. The work of the evening, under the leadership of Wor. Bro. Botham and his committee, was outstandingly exemplified by the Senior Wardens of London District.

Bro. Rev. Mervin Bury of Knox United Church, London, was our District Chaplain. He accompanied me on almost all of my official visits and has given both moral and spiritual leadership throughout the District. The London District Divine Service was held at 8 p.m. on May 3rd at Knox United Church, London. Bro. Rev. Bury gave a very inspiring message on "Who is Thy God". My wife and I had the pleasure of attending worship with 16 Lodges in the District as well as several others in surrounding Districts.

The Blood Donors' Committee, under the capable Chairmanship of Wor. Bro. Wm. Fuller, held two clinics during the past year, one in December and one in May. Slightly fewer than 100 attended the December clinic. At the spring clinic 140 gave blood. The Red Cross was well-pleased, but I am sure next year we could have a better response to this great humanitarian service.

There were a number of outstanding Masonic events during the past year, the first of which was the Consecration of Oakridge Lodge, No. 708, Byron (London), on October 5th, 1963, conducted by M.W. Bro. J. A. Irvine. Many Grand Lodge Officers took part in this very impressive ceremony.

On the evening of January 22nd, 1964, the Grand Director of Ceremonies, V. Wor. Bro. Wm. Graham, had the pleasure of initiating his son, William Graham, into St. John's Lodge, No. 20. One week later, on January 31st, M. Wor. Bro. J. A. Irvine initiated his son, John Irvine, into St. John's Lodge, No. 209a, with a great number of Masons from all parts of Ontario in attendance.

The last event which I would like to mention is the Sunrise Church Service and breakfast held in Fanshaw Park, sponsored by Kilwinning Lodge, No. 64, held this year on June 7 at 7.30 a.m. Approximately 500 Masons gathered during a downpour to attend worship under the leadership of Rev. Bro. Bury, District Chaplain. Rabbi David Kirshenbaum certainly exemplified the Brotherhood of Man in his very informative address.

My wife and I, together with Wor. Bro. and Mrs. Tunks, had the pleasure of attending 29 Masonic social events and enjoyed the wonderful hospitality extended to us on all occasions.

I visited each of the twenty-five lodges at least once during my term of office, as well as seven of the surrounding Districts on various occasions, and I enjoyed my association with the D.D.G.M's of these Districts.

On February 3, I had the honour and privilege of visiting The Tuscan Lodge, No. 195, this being the first official

District Deputy visit to the new Masonic Temple, Dufferin Ave., London. The Masons of London have every reason to be proud of this beautiful new edifice and are looking forward to its dedication in the near future.

I would like to express my thanks to all those who have given so freely of their time to make my term a never-to-be-forgotten experience, especially the 1963-64 Worshipful Master and the Grand Lodge officers whom I have had the honour of travelling with this year. I pay special tribute to at least two brethren for their support at my meetings; V. Wor. Bro. Wm. Graham, Grand Director of Ceremonies, who by his faithful attendance, has certainly been a wonderful example to the brethren who may receive Grand Lodge appointments in the future, and also Bro. Bill Grieve, who attended 23 of my visits and celebrated his 86th birthday this year.

In conclusion, I wish to thank all the brethren of London District for giving me the opportunity and the privilege of serving them as D.D.G.M. It has been a pleasure to serve during the term of office of M. Wor. Bro. Irvine, who has been an outstanding Mason in London District for many years. I hope that in some small way, as the youngest District Deputy in the history of London District, I have contributed to the advancement of Masonry in our District.

MALCOLM GRAY, D.D.G.M.

MUSKOKA-PARRY SOUND DISTRICT

It has been an honour and a rare privilege for me to have represented the Grand Master during the past year in this beautiful part of the Province, Muskoka-Parry Sound District, where I have spent most of my life and have made so many friends. It has been a rewarding experience and one that I shall always remember.

I should, first of all, like to express my gratitude to Wor. Bro. Ernie Thorne, my District Secretary, upon whose shoulders fell the various detail work which he handled so well. He accompanied me on all my visits and his capable manner of handling the various duties given to him left me free to give my full time to the more serious matters that one encounters. I should like, also, to express my thanks to Bro. The Reverend H. W. Garbutt, who was my District Chaplain, Wor. Bro. Howard Schamehorn, Chairman of the Blood Donors' Committee and Wor. Bro. Carl Cowden, the District Chairman of Masonic Education. It was a good team and although some met with various frustrations, each did his best to further his particular project.

One of my first duties was rather sad in that I had to report the death of R.W. Bro. Colonel D. M. Grant, who passed to the Grand Lodge Above at the good age of ninety-five. He was D.D.G.M. for this District in 1913 and a member of Unity Lodge, Huntsville. We cherish his memory.

In an effort to single out highlights, it seems to me that each Official Visit was a highlight. I was received with great kindness and hospitality in the banquet room and with the dignity shown the Representative of the Grand Master in the lodge room that gives one the feeling of pride in belonging to this great Fraternal Order.

On the 21st of April a "Past District Deputy Night" was held in Algonquin, my Mother Lodge, on which occasion the Immediate Past District Deputy, R.W. Bro. Don Stevenson, occupied the Chair of King Solomon and every Lodge in the District had a member taking part. It was a fine evening and the Past Masters', Masters' and Wardens' Association has recommended that this be an annual event to be held in the home Lodge of the D.D.G.M.

The District Chaplain arranged for our Annual District Church Service which was held on May 10th at St. Paul's Church, Sprucedale. The turnout was splendid and every seat was filled. Rev. Canon Large of St. John's Church, North Bay, was the preacher. The sermon was excellent and made the long journey by many of the brethren well-worthwhile.

During my Official Visit to Golden Rule Lodge, Gravenhurst, V. Wor. Bro. E. Mingus Moore presented both the Immediate Past D.D.G.M. and me with a tape recording of the entire proceedings of a banquet tendered a year ago to M. Wor. Bro. Treleaven and which contains his address in its entirety. It is my intention to circulate this recording to any Lodge in the District desiring it, since the address is one of the finest any Mason could hope to hear.

I am proud of the fact that each year the Lodges are becoming more and more proficient in the "work". There are many young officers coming along and it speaks well for the future of Masonry in this area. All Lodges are in sound financial condition and in capable hands.

We had hoped to have held another Lodge of Instruction during my year in office but of necessity this had to be postponed and has now been slated for October of this year. This will be under the supervision of Wor. Bro. Stanley Goodwin, a brother exceptionally well-skilled to carry out this most important project.

In closing, I want to say "thank you" to all my brethren throughout this fine District and to ask them to give the

same grand support extended to me to my successor. Without such support the "job" would be most difficult. I, too, extend to my successor my assurance of any support and help that I may be able to give.

E. V. ELLIOTT, D.D.G.M.

NIAGARA "A" DISTRICT

The privilege and honour of representing the M.W. the Grand Master in Niagara "A" for the past year has been both a rewarding and humbling experience. I was ably supported in my duties by Wor. Bro. Fred Riches as District Secretary, Bro. Rev. Dr. Bruce Gordon as District Chaplain, Wor. Bro. William Misener as District Supervisor of Masonic Education and Wor. Bro. Richard Buss as District Chairman of the Blood Donors' Committee. To each of these, my brethren, I shall always be indebted for their unstinted efforts.

Accompanied by these worthy brethren I officially visited each of the fourteen lodges in Niagara "A" and without exception the work was well-conducted under the guidance of highly qualified and personable Worshipful Masters. I also had the pleasure of attending all of the installations and making the proclamation on behalf of Grand Lodge.

Mrs. Barnes and I were privileged to attend all of the "At Homes" and we were afforded the kindest and most dignified of receptions. We had a marvellous time, without exception, at each function. Unfortunately, due to the ill health of Mrs. Riches, Bro. and Mrs. Riches were forced to miss some of these social events.

Masonic Divine Services were held by all the lodges either collectively or individually depending upon location. The District Divine Service was held under the sponsorship of St. George's Lodge, No. 15, in Carlton Street United Church, St. Catharines. We were honoured by having the Grand Chaplain, Rt. Wor. Bro. H. J. Snell, with us to preach the sermon. He was assisted by Bro. Rev. Dr. Bruce Gordon, the District Chaplain.

The highlight of my year was the celebration of my Mother Lodge's Sesqui-Centennial at a banquet held on February 11, 1964. We were singly honoured on this occasion by having the Grand Master, M.W. Bro. J. A. Irvine, the Deputy Grand Master, Rt. Wor. Bro. J. N. Allan, the Grand Secretary, M.W. Bro. E. G. Dixon, and several other Grand Lodge officers with us. The Grand Master delivered an inspiring address which was enjoyed by over 250 brethren

from the district including all fourteen Wor. Masters. Each Mason attending received a historical sketch of St. George's Lodge, during the past 150 years and Masonry in Niagara "A" in general. This was prepared by Very Wor. Bro. Lawrence Runnalls, Editor of the Grand Lodge Bulletin.

It was also my pleasure and privilege to attend many special functions both in and out of my district. I accompanied Mountain Lodge, No. 221, on a fraternal visit to Detroit, Michigan, and joined with Adanac Lodge, No. 614, when they entertained 250 members from Pittsburgh Lodges. A meeting of the Canadian Masonic Research Association was held at Niagara, No. 2, when M.W. Bro. C. M. Pitts was in attendance.

Mine was also the rare and unexpected privilege of presenting four 50 Year Medals to charming and long time acquaintances. In addition, there was one 50 Year Past Master's Medal. The "V.C." of Masonry, the William Mercer Wilson Medal, went to Bro. Bert Benson of Temple Lodge, No. 296, in October. These occasions were highly rewarding and reminded all present of the deep and respected roots our Grand Lodge and Fraternity possess.

The new friends and brothers made and the old ones renewed made my year as D.D.G.M. a pleasure which I shall never forget or regret. My fondest hope is that I have conducted the affairs of my office in such a manner as to reflect dignity and brotherly love on the Grand Master and my illustrious predecessors who have been so helpful to me. To all who have been so kind and considerate, I owe a debt which can never be fully repaid.

W. A. BARNES. D.D.G.M.

NIAGARA "B" DISTRICT

I am grateful for having had the opportunity of representing the Most Worshipful the Grand Master in Niagara District "B" and have found it a most interesting and rewarding experience. I look back on my visitations to all the Lodges in the District with feelings of gratitude and humility because of the wonderful spirit of friendship, cooperation and brotherly love which I experienced during my term of office.

I am particularly grateful to the District Officers who faithfully carried out their duties during the year. Wor. Bro. J. I. Adams, District Secretary, Bro. the Rev. John Kitchen, District Chaplain, Dir. of Masonic Education, Wor. Bro. W. G. Barr, and Wor. Bro. O. H. Smart, Blood Donor

Chairman, were all very helpful to me in carrying out my duties and I am sincerely grateful for the help that they gave me.

An Official Visit was made to each of the fourteen Lodges in the District. On all of these visits the District Officers and I were given a very friendly and courteous welcome showing the high esteem that all Masons have for the Grand Master and his Representatives. I was well-impressed with the capable and efficient manner in which the Worshipful Masters and their Officers carried out their duties.

The Annual District Divine Service was held at St. John's Anglican Church, Niagara Falls, on May 3rd, 1964. About 125 Masons from all Lodges in the District were in attendance. Bro. the Rev. John Kitchen, District Chaplain, preached the sermon and gave a very inspiring message to all present. During the year I was able to attend most of the Lodge Church Parades in the District but a conflict of dates prevented me from attending all of them.

One meeting of the Masters' and Wardens' Association was held at St. Mark's Lodge, No. 105, on April 27th. About 100 Masons attended this meeting and District Lodges were well-represented. Wor. Bro. G. A. Lewis, from Dominion Lodge was elected President for the ensuing year. At this meeting we were privileged to have as our speaker Rt. Wor. Bro. James N. Allan, Deputy Grand Master, who gave a very interesting talk on Masonry in Ontario.

Mrs. Marshall and I accepted a number of invitations to Lodge Annual At Homes and very much enjoyed the friendship and courtesy that were extended to us on these occasions.

I had the honour and privilege of attending the Reception given for our Grand Master, Most Worshipful Brother J. A. Irvine, by St. John's Lodge, No. 209a, in London Masonic Temple on March 6th. I also had the honour and privilege of presenting a 50 Year Medal to Wor. Bro. Leroy Hanna of Clifton Lodge, Life Memberships to Bro. Laughlin Bruce of Clifton Lodge, who has the distinction of having coached almost 100 Masons with their degree work and to Wor. Bro. Fred Heckadon, also of Clifton Lodge, who served the Lodge as Secretary. I also made presentations to two Immediate Past Masters on behalf of their Lodges.

In conclusion I would like to express my sincere appreciation to the brethren of the District for giving me the opportunity to serve as D.D.G.M. for the year 1963-64.

DOUGLAS W. MARSHALL, D.D.G.M.

NIPISSING EAST DISTRICT

May I first express my thanks to the Brethren of Nipissing East District for honouring Sturgeon Falls Lodge, No. 447, by electing me District Deputy Grand Master, and to Most Wor. Bro. J. A. Irvine for confirming the election. It was indeed a great honor and privilege to carry out the duties to the best of my ability.

I have been ably supported by Wor. Bro. Murray J. Carswell as District Secretary, Bro. Rev. H. Wippricht as District Chaplain, R.W. Bro. Batsford as Chairman of Masonic Education and Wor. Bro. G. C. Warren as Chairman of the Blood Donors' Committee.

I visited all lodges in the District and I was well-received on all occasions. Attendance at all lodges on my official visit was excellent even when hockey matches were in progress. My inspections showed that every lodge in this District is following the direction of Grand Lodge without exception. The Work was, in most cases, better than average and delivered in a manner well-calculated to impress the candidate. Our District is fortunate in having dedicated and capable Secretaries in all lodges ensuring that records are properly kept and proper procedures are followed.

I am sorry the report from the Blood Donors' Committee is not as good as we expected. I am sure there are a lot of Masons donating blood and are not reporting to their local committee. Many of the Brethren of Temiskaming Lodge, No. 462, are members of a Living Blood Bank operated through the local hospital.

On the evening of June 6 a banquet in honour of the Grand Master, M.W. Bro. J. A. Irvine, was held in the banquet room of St. Andrew's United Church, North Bay. This was a very momentous evening and was richly rewarding to all who attended.

Another highlight of the year was the presentation of the Fifty Year Medal to W. Bro. James Earl Cobourn of Mattawa Lodge, on June 24. I had the honour of being asked to make this presentation. Members were present from various lodges throughout the District.

I was unable to attend some of the social functions but Mrs. Bartlett and I had the honour of attending a dinner and dance sponsored by North Bay Lodge, No. 617, on October 4. Nearly 200 attended this social function. We also attended a Ladies' Night, sponsored by Sturgeon Falls Lodge, No. 447. This gala affair was held on October 18, and was well-attended by local and visiting Brethren and their wives.

At the time of writing these events have not taken place, but we are anticipating a District Church Parade to be held at Cobalt on June 14. Guest speaker for the occasion will be the District Chaplain, Bro. Rev. H. Wippricht. We are looking forward to a good attendance. For the annual Church Parade of Nipissing and North Bay Lodges, the officers of these lodges have extended an invitation to all the Brethren in the District to attend. This Service will take place on Sunday, June 21st. Rev. C. F. Large will conduct the Service, which will be held in St. John's Anglican Church, North Bay.

Two of our smaller lodges have difficulty in filling their chairs with officers, due to the fact that many of their members are working elsewhere because of local unemployment. Those who carry on deserve great credit for their efforts under these distressing conditions.

Once again I would like to express my sincere gratitude to all those who have made this year one of the most momentous of my life.

G. R. BARTLETT, D.D.G.M.

NIPISSING WEST DISTRICT

Although travelling distance between some Lodges in this District is nearly 400 miles, I was afforded excellent support on my official visits to the various Lodges. Nearly 20 brethren boarded a train in the middle of the winter and travelled with me to Chapleau, a trip requiring a couple of days away from their families. Over 100 brethren were in attendance at Doric Lodge, many travelling nearly 200 miles in making the return trip. Surely this is an indication of a true spirit of brotherhood.

I visited all seventeen Lodges at least once during my term and was received most cordially on every occasion. In every Lodge I observed the conferring of a degree and found the work, in most cases, carried out with dignity, impressiveness and precision. It was particularly gratifying that where the calibre of work did not meet expectation, suggestions for improvement were readily accepted without any signs of resentment.

The highlight of the year must be the Lodge of Instruction held on June 6 at Penewobikong Lodge in Blind River under the expert but jovial direction of M.W. Bro. H. L. Martyn. All Lodges were well-represented which cannot help but promote uniformity and a higher standard of work in our ceremonies. During the course of the day, and as guest

speaker at a banquet in his honour, M.W. Bro. Martyn left the brethren spellbound with his extensive knowledge of Freemasonry. We are truly grateful to this distinguished brother for his interest in our affairs. Rt. W. Bro. M. F. Lees and W. Bro. F. Shamas and members of Penewobikong Lodge are to be congratulated for their efforts on behalf of this event.

Dyment Lodge, No 442, in Thessalon, erected a fine new Temple, their former building being lost in a fire. Arrangements for dedication in the early fall are in full swing.

The brethren in this District are patiently awaiting the two proposed visits of our Grand Master, M.W. Bro. Irvine. Dates are tentatively set for September 25 in Sudbury, and September 26 in Sault Ste. Marie.

A District Divine Service was conducted by our District Chaplain, Bro. Rev. N. J. Thomas, in the Copper Cliff United Church on December 1, 1963, Brethren travelling up to 100 miles, filling the church to capacity. All present were invited for an informal gathering and a luncheon in the church hall on completion of the Service. The lodge notices indicate Divine Services are a definite part of the Masonic program of all Lodges in this District.

On October 16, I had the privilege of conducting the conferring of the E.A. Degree in Friendship Lodge in Copper Cliff. All chairs were occupied by P.D.D.G.M's. a most memorable night.

The District Secretary, W. Bro. J. G. McLennan, reports the books and records of the various Lodges efficiently kept. Insurance appears adequate, and all but two Lodges were meeting financial obligations without withdrawals from reserve funds. The Supervisor of Masonic Education, W. Bro. F. N. Shedler, did much to promote interest in this important subject.

W. Bro. W. J. Noble again accepted chairmanship of the Blood Donors' Committee. He reports an increase in the number of donors, even though this District led all others in the number reported last year.

It is evident that most of the brethren in this District are active in community affairs and are not leaving everything to the other fellow.

Investigation by V.W. Bro. W. McNeice, Sr. and Bro. R. Pascoe who headed a Special District Committee revealed:

- (1) Masonic Burials are properly conducted.
- (2) Suspensions are only made after a thorough investigation.

A letter has been forwarded to all Lodges stressing the importance of forming Fraternal Relations, Transportation, and Ritual Committees, and appointing a Lodge Historian.

In conclusion, I feel certain the brethren in Nipissing West District are promoting the principles of Freemasonry to the utmost of their power and ability.

W. McNEICE, D.D.G.M.

NORTH HURON DISTRICT

I find that this is a great opportunity to express my sincere thanks for having the privilege of serving North Huron as District Deputy Grand Master.

I would like also to thank Our Great Architect for giving me strength to carry out the strenuous duties of my office. It was a pleasure to be able to be present at all the Official Visits in the twelve District Lodges, and to be free to attend many Official Visits of other District Deputies in their own Lodges.

After returning from Grand Lodge I was fortunate in the appointment of my Officers, who, I feel, served their term in office well. Wor. Bro. J. Harold Pollock was appointed my District Secretary. Although unable to give full-time service due to responsibility of other office, I was very pleased with the share of his time. Wor. Bro. Wray Cooper ably discharged the duties of District Secretary in the absence of Wor. Bro. Pollock.

Rt. Wor. Bro. Norman Wade was appointed Chairman of Masonic Education. He made up three Masonic Bulletins and sent each Lodge a copy of same. Rt. Wor. Bro. Wade is a 50-Year Medal Mason. Despite his age he missed only one Official Visit with me. Bro. Rev. G. Howard Pace was appointed District Chaplain, and I might say he was a real source of inspiration to me. Rt. Wor. Bro. Calvin Krauter was appointed Chairman of Blood Donors for the District. I was pleased to learn that, under his supervision, Masons in the District contributed 50% or more blood than was donated in the previous year, 1963.

On my Official Visits to the twelve Lodges in the District I found that most Lodges had degree work for the occasion. Work, in most cases, was done exceptionally well. Most Lodges were busy all year, many having emergent meetings to keep up with the work.

I found that some Lodges should read the Book of Constitution on Etiquette. Attendance at my Official Visits and

average yearly attendance at Lodge was not good in some of the bigger Lodges of the District. Reasons given in some cases were too many meetings the same night, hockey matches, etc.

There are some Lodges that still report dues at \$5.00 a year. Financial difficulty will be the result if these are not raised. In this particular case loss of membership would not be expected if dues were raised.

The Secretaries of the twelve Lodges appear to be doing a fine job. Co-operation with them has been very good.

Most Officers of the Lodges in the District are doing good work. However, I do not like the attitude of some. Opinions, in some cases, are too strong and I fear the result as they step into a higher office in the Lodge. These are conditions that I am reporting with a clear mind and without prejudice.

There were a number of deaths reported during the year among Masons in the District. I attended several Masonic Services for these brethren. It would be nice if all deaths were reported to the D.D.G.M., giving full name and Masonic rank of every Mason.

My wife and I attended a number of Ladies' Night Banquets during the year. We appreciated having the opportunity of attending same. I was given, also, many invitations to attend banquets outside my District. Most of these I tried to attend if dates could be arranged.

The highlight of the year was the visit of our Grand Master, Most Wor. Bro. John A. Irvine, to our District on May 30th. We had the pleasure of honouring him at a banquet on that date. This was attended by 204 Masons representing many Districts in Southern Ontario. Most Wor. Bro. Irvine's address was well-given and well-received.

A Past Masters', Masters' and Wardens' Association meeting was held in Wingham Lodge on May 11th. A new slate of officers was elected and plans were made to create more interest in this organization which was becoming inactive. Wor. Bro. Harold Linklater is the new President.

Most Lodges in the District have had Divine Services. Some of these I was not free to attend, but I tried to have representatives attend in such cases. Our District Divine Service was held at Fordwich United Church, May 31st, at 11:00 a.m. Bro. Rev. G. Howard Pace, District Chaplain, preached the sermon "Finding God in the Temple". A good representation from Lodges in the District was present, along

with representatives from Bruce District. Bro. Wm. Acland from Brantford was soloist for this Service.

I hope that I have contributed something for the good of Masonry in North Huron. Acting as your District Deputy for 1963-64 was a real challenge to me. The pleasure of meeting so many Masons during the past year, and the opportunity to create friendships has been a rewarding experience for me. It is truly the wages of a Mason. Thanks to all of you who have shared in that pleasant experience with me.

JOHN C. BROWN, D.D.G.M.

ONTARIO DISTRICT

I am indebted to the Past Masters of Orono Lodge, No. 325, and Ontario District for my election, and I wish to thank them for the confidence they placed in me and also to the support they have given my office throughout the year. The respect and warmth I received from every Lodge in the District attests to the high regard Grand Lodge is held in this District.

I would like to state that the educational instruction to the D.D.G.M. by M. Wor. Bro. H. L. Martyn was a most valuable experience. I would suggest that a similar meeting half way through the year would be most profitable as one is confronted with many situations which cannot be anticipated at the first meeting.

My District Secretary, Wor. Bro. Cotter, has been not only a wonderful friend, but a very capable Secretary. His report on the working of each Lodge was a just estimate of the efficiency of the Officers. In all Lodges he reports that the Secretary's and Treasurer's books were well-kept and were a credit to the Officer. He reports the arrears situation is good in every Lodge with two Lodges showing none. One of these is Cedar Lodge, No. 270, Oshawa, with 437 members. The former Secretary, Rt. Wor. Bro. E. F. Farrow, has, no doubt, turned over the books to Bro. C. Houck in very good order. Wor. Bro. Cotter reports the financial position of every Lodge is very good and is consistent with the number of members.

Two of the largest Lodges in the District have over 25% of their membership as Life Members. I pointed out to these Lodges that this placed a strain on the other members and advised them to revise their by-laws to make the charge for this privilege consistent with their present dues structure, basing it on an actuarial table of the life expect-

ancy of the members when applying. A table such as this with various dues shown and made available to the lodges by Grand Lodge would assist greatly those entrusted with leadership and planning in this regard.

My appointment of Very Wor. Bro. R. E. Logan as Chairman of Masonic Education was a labour of love for Bro. Logan. His dispensing of Grand Lodge educational material, as well as his appropriate and interesting talks, have done much to make the Lodges of the District more "education" conscious.

The Blood Donors' Committee, under the capable guidance of V. Wor. Bro. C. Billings, made further gains this year. He outlined the need and the member's responsibility, and also stated that when donations are made the Lodge should be mentioned so credit can be recorded. This fact was stressed, as many members are donors, but no record is available if the proper facts are not made known at the time of the donation.

The District Chaplain, Bro. Rev. Basil Long, fulfilled his role with dignity and devotion. Bro. Long stressed the relationship between Religion and Masonry. He conducted a fine District Divine Service that was well-attended by the members. Bro. Long also dedicated a new Bible in Cedar Lodge, No. 270.

My Official Visits were all held in 1964. This enabled me to visit throughout the District in 1963 and evaluate conditions and offer suggestions. This experience was invaluable to me, and when my Official Visits began we knew each other better. Also, a friendly rivalry developed between the Lodges to do better work, hence the enthusiasm of the Officers and the quality of work prospered.

I attended as many installation ceremonies as time permitted, and I can report that the ceremony was carried out in every instance by the Past Masters in a very fine manner.

Mrs. Duvall and I had the pleasure of attending many Ladies' Nights, and the Lodges of Ontario District are to be congratulated on the wonderful and thoughtful manner in which they honoured their ladies. Their hospitality and friendship will be long remembered by both of us.

During the year, it has been my pleasure to present Veteran's Jubilee Medals to Rt. Wor. Bro. O. W. Rolph, V. Wor. Bro. R. E. Logan, Rt. Wor. Bro. E. F. Farrow, V. Wor. Bro. George Davey, and Wor. Bro. I. R. Bentley.

The highlight of the year was the District Reception for Most Wor. Bro. J. A. Irvine, Grand Master. This occasion was coupled with the dedication of the new Temple Building in Whitby. M. Wor. Bro. Irvine's inspiring address and friendly manner left a lasting impression on the large gathering that attended.

The present condition of Masonry is of the highest order in Ontario District, and the future prosperity is well-assured, which is indicated by the fact that one Lodge has just completed a new building and two more are in the process of building new Temples.

My term of office as D.D.G.M. has been a richly rewarding experience and I shall carry the many wonderful memories of this past year with me throughout my life.

H. DUVAL, D.D.G.M.

OTTAWA DISTRICT

I wish to express my sincere thanks to my Brethren of the Ottawa District for their nomination, and to the Most Worshipful the Grand Master for his confirmation of my election as District Deputy Grand Master of the Ottawa Masonic District.

I appointed the following District Officers: Secretary, Wor. Bro. Robert H. Sloan, Chaplain, Bro. Edward W. Oldering, B.A., B.D., United Church, Masonic Education, Wor. Bro. William J. Roe, Blood Donors, Wor. Bro. Robert C. Taylor. These Brethren have contributed cheerfully and efficiently of their time and talents in discharging their duties.

Following instructions received from M.W. Bro. H. L. Martyn, Custodian of the Work, I summoned the W.M's. of the District and imparted those instructions with particular emphasis on the Penal Clauses of the various obligations and the duties and methods of executing the work of the Deacons, all of which was well-received by the Masters and transmitted by them to their Lodge Officers.

My itinerary for the twenty-nine Lodges was arranged in September, and with the co-operation of the Masters and their Officers I was received into the Lodge room by 8.00 o'clock, the work of the evening being completed by 9.45 p.m. and the Lodge closed by 10.15 p.m. which allowed a very pleasant hour at the refreshment table where everyone had the opportunity to cultivate new friendships and to cement those of other meetings. In every Lodge I was received

most courteously and charged by the members to express to the Grand Master and his officers of Grand Lodge their most loyal and affectionate respect and devotion. The Work on my official visits in every instance was of a very high calibre and was performed with dignity, solemnity and consideration for the candidate. The W.M's., realizing the importance of encouraging our younger members, were very generous in giving our Master Masons a part in the ceremonies on these evenings. This, I find very refreshing and encouraging for future attendance and officer material. The credit for this trend is due to those Past Masters who are truly concerned for the continuity of our Craft and are encouraging a greater participation in the Work of the Lodge by our younger Brethren.

Divine Services; Beth Shalom Synagogue, Ottawa, Bell Street United Church, Ottawa, Six Lodge Services in various parts of the District. All these Services carried a most inspiring message of goodwill and tolerance towards our fellow men. They are definitely contributing to the spiritual growth of our Order and it is my sincere hope that the Brethren of our District will continue to support and attend these Services in greater numbers.

Masonic Education: This is the most pressing need for our Order and I feel that the appointment of the District Chairman as Supervisor of this Committee is one of the most important decisions that any D.D.G.M. will have to make during his term of office and it naturally follows that the W. Masters of the various Lodges have a similar responsibility in appointing their Chairman of Masonic Education with power to add competent and zealous members. I would suggest that the Masters and P. Masters encourage the work of this Committee by setting aside three regular nights a year for the exclusive programming of Masonic Education, Instruction, Question and Answer periods and fellowship. This could be the answer to absenteeism and the apathy so apparent in our Lodges.

Blood Donors' Committee: Despite the enthusiasm and effort put forth by the District Chairman and the various Lodge Chairmen, the compilation of donations reported for our District does not give full credit to our Brethren. Many of our Brethren were persuaded and formed the habit of making regular donations under the auspices of the former Masonic Blood Bank Committee. However, since our Committee was absorbed by the Red Cross, many of our Brethren lost their incentive to donate to such an impersonal organization and although some of our Brethren continued to donate regularly or sporadically, they did not feel that it was necessary to report to their Lodge Chairman, thereby making it difficult to present a true report of donations.

Special and Memorable Events: Each of our twenty-nine Lodges held a Ladies' Night. These events are most pleasant and rewarding. They afford the Brethren the opportunity of meeting one another's families, inlaws, outlaws and many non-members of the Craft, and it is only by meeting our people and their friends that we can cultivate and nourish friendships that grow richer as the years close in on us, as we see our children and their children become members of our Order.

The highlight of our social activities was on May 2, when the Ottawa Masonic District Annual Ball was held in the Chateau Laurier with an attendance in excess of seven hundred, at which our Grand Master, M.W. Bro. John A. Irvine, was our guest of honour.

100th Anniversary: On May 3, 4 and 5, Goodwood Lodge, 159, Richmond, celebrated its one hundredth anniversary with appropriate ceremonies which included a Divine Service. The re-dedication of the Lodge and its regalia climaxed a most pleasant and delightful Ladies' Night, attended by over three hundred.

The highlight of my term of office occurred on June 16th. at a special emergent meeting of Dalhousie Lodge, No. 52, for the purpose of receiving and welcoming the M.W. Grand Master Mason of the Grand Lodge of Scotland, Bro. Lord Bruce, D.L., J.P., M.A., and the Grand Secretary, Rt. Wor. Bro. Alexander F. Buchan, M.B.E., B.Sc., Ph.D., F.R.S.E. and Lord Waleran, P.G.J. Warden of the Grand Lodge of England. Also present at the reception were: M.W. Bro. J. A. Irvine, our own Grand Master, M.W. Bros. H. L. Martyn, R. W. Treleaven, E. G. Dixon and D.G.M., J. N. Allan; M.W. Bros. Stuart Hodge, G.M. of the G.L. of Quebec; P.G.M's. Canon L. F. Crothers and J. M. Marshall.

M.W. Bro. C. M. Pitts, P.G.M., was our host at a most pleasant dinner in the Quebec suite at the Chateau Laurier preceding the reception by over three hundred Brethren in the Blue Room of the Masonic Temple.

Following the Lodge reception, the Second Degree was conferred on Bro. F. N. Kia, Ambassador of Iran, who was initiated in Lodge Koorosh, No. 1574, located at Teheran, Iran. The Degree Team was composed of myself and twenty-five P.G.L. Officers of our District. Bro. Lord Bruce invested the Candidate with the Apron of a Fellowcraft.

Following the close of the Lodge, we retired to the banquet room where refreshment and fellowship were enjoyed by all and brought to a close the most rewarding year of my Masonic life.

To the Worshipful Masters, their Officers and Members and to my District Staff, I want to express my deep appreciation for the trust that you placed in me, for the splendid manner in which you have supported me and the many courtesies that you extended to my wife and me throughout my year. To those faithful P.G.L. Officers, who so loyally accompanied me on my official visits, I extend my thanks and appreciation. Your presence and nearness were always most comforting whenever I was in need of wise and friendly counseling.

JAS. H. McKINNEY, D.D.G.M.

PETERBOROUGH DISTRICT

It has indeed been a privilege and a pleasure for me to serve the Craft in Peterborough District the past Masonic year during which I visited each of the twelve Lodges in the District at least once officially and numerous other times on special occasions. I was received most courteously by the officers and members of the different Lodges and found that harmony and good-will were most prevalent on all occasions. While attendance is not as good as would be desired in view of membership, this in no way reflects upon the officers as they are performing their work very efficiently and the Past Masters are giving wonderful assistance in both the work and governing of the Lodges.

I found very well-planned meetings and it is no exaggeration to state that the ritual work of all the twelve Lodges is of the highest calibre. A degree was performed at all my official visits and on two of these I had the pleasure of presenting a member with a Fifty Year Medal which brings the total number of Fifty Year or more members living in our District to forty-eight.

I was pleased to appoint Wor. Bro. Lawrence Gerow as my District Secretary, and Wor. Bro. D. A. McNeil, a Past Master of Norwood Lodge, No. 223, as District Chaplain. Wor. Bro. McNeil is a prominent Lay Minister of the United Church. V.W. Bro. W. J. Nobes was prevailed upon to act as District Supervisor of Masonic Education, and Bro. J. C. Smith of Peterborough Lodge, No. 155, carried out the duties of Chairman of the Blood Donors. He has done a fine job of stimulating interest in this field of our Masonic endeavours.

My first meeting of the year was a meeting in September of all the Wor. Masters and Senior Wardens of the twelve Lodges for an informal get-together, at which ritual, floor work and other items of interest were discussed, as well as

an opportunity to get to know one another more intimately. This is the second of such meetings in our District and they have been received very warmly and enthusiastically.

I was pleased to be present and represent the Grand Master at the Tenth Anniversary of Wm. J. Dunlop Lodge in Peterborough on October 16, 1963, at which occasion all the Officers were Past D.D.G.M's and other Past Grand Lodge Officers. A First Degree was conferred.

On February 1, I held a Lodge of Instruction for the District in Havelock Masonic Temple. No degree was conferred, but rather I instructed from the floor and members present were given an opportunity to ask for explanations of various phases of our ritual and floor work. Eighty were present and I was ably assisted by my predecessor Rt. Wor. Bro. Baptie.

Havelock Lodge, No. 435, my Mother Lodge, was host on February 24 to a Wor. Masters' Night at which all twelve Masters were present, occupied the chairs and conferred the E.A. Degree on a candidate. Again on March 30, Havelock Lodge was host to the Past D.D.G.M's and other Past Grand Lodge Officers of the District when these Brethren formed a degree team with myself occupying the chair and conferred the E.A. Degree on a Candidate. Present and Past Grand Lodge Officers from neighboring Districts were in attendance to form a highlight of Masonry in our Peterborough District. There was an attendance of over one hundred, proving the popularity of this annual affair.

On April 12, the District Divine Service was held in the Norwood United Church at Norwood with the District Chaplain, Wor. Bro. D. A. McNeil, conducting the Service and the District Deputy Grand Master reading the lesson. The attendance was very gratifying, there being well over one hundred Brethren present from the District.

Activities on the District level fairly well concluded on May 26 with the meeting in Peterborough of the Masters', Past Masters' and Wardens' Association. Eleven Lodges were represented at this time and all Masters gave a detailed report of their progress for the year. One interesting note from these reports was the increase in visitations between Lodges, as well as the work supplied to some smaller Lodges by the larger Peterborough Lodges, affording them the opportunity of increased attendance and interest.

I visited on two occasions in other Districts, one being Brampton, on the occasion of the Instituting of Unity Lodge, where I had a small part in the ceremony, and again in Frontenac District, at Tamworth, for the Dedication Cere-

monies of a new Masonic Temple. The Grand Master, Most Worshipful Bro. Irvine, presided on this occasion.

Mrs. Anderson and I were happy to attend a number of "Ladies' Nights" during my year and were made most welcome. We enjoyed the opportunity of associating with the Masons and their ladies.

In conclusion, I would like to thank my Mother Lodge, Havelock, No. 435, the Peterborough District and Most. Wor. Bro. Irvine for allowing me the opportunity of serving as D.D.G.M. I feel that I have gained more out of Masonry than I have been able to give and I shall always cherish the experience of this year in the service of Masonry in our Peterborough District.

HARRY A. ANDERSON, D.D.G.M.

PRINCE EDWARD DISTRICT

Masonry is not only the most ancient, but the most moral human institution in existence and to have been elected by the Brethren of Prince Edward District to serve as their representative of the Most Worshipful, the Grand Master, is an honour I had never dreamed would be afforded me. Having had this privilege, it is now my earnest hope that every lodge, especially my mother lodge, Lake, No. 215, and every Mason in this District have shared in this honour. Without the co-operation, assistance, enthusiasm and support of the brethren, the position of D.D.G.M. would, indeed, be an unhappy one.

In Prince Edward District we have had, I suppose, the usual number of errors and oversights which we have endeavoured to adjust and correct. After having visited each of the seventeen lodges officially once and most of them on other occasions during my term of office, I am convinced that Masonry is more than holding its own in Prince Edward District. The Worshipful Masters of all seventeen lodges are conducting their meetings with authority and dispatch and, in each instance, have appointed active committees working together in the interests of the Craft as a whole.

My appointments of Wor. Bro. Rae Ferguson as District Secretary, and Bro. Rev. Roy Irwin as District Chaplain, were indeed fortunate choices as they have been most helpful and faithful, having attended each official visit with me. Rt. Wor. Bro. E. C. Wood, as District Supervisor of Masonic Education, did an outstanding job, even though he took time out to get married. We all wish them many years of happi-

ness. Wor. Bro. Allan Wight, District Chairman of Blood Donors, turned in an excellent report to Rt. Wor. Bro. Geo. Turner, in spite of the fact that four lodges were not heard from. The assistance of these Brethren made my duties much easier.

We have an active and effective Past Masters', Masters' and Wardens' Association presided over this year by Wor. Bro. Tom Bedford. May I say a very special "thank you" to Rt. Wor. Bro. Raymond Gunsolus, Secretary-Treasurer of this organization, for his untiring efforts and to our immediate Past President, Wor. Bro. Percy Kerr, for an able assist. Our Ladies' Night this year was an outstanding success, with our guest speaker Rt. Wor. Bro. the Very Rev. C. Ritchie Bell, B.A., B.D., D.D., Past Grand Chaplain of the Grand Lodge of Quebec.

Most of our lodges held a Divine Service and I have availed myself of the opportunity of attending as many as possible. On May 3rd, the Masons of Prince Edward District attended our District Divine Service at Wellington United Church where the main auditorium was filled and the Sunday School rooms opened to accommodate the overflow. A most inspiring message was delivered by Rt. Wor. Bro. the Rev. Gordon Hazlewood, B.A., B.D., Past Grand Chaplain. The brethren of the Star-in-the-East Lodge, No. 164, combined their Annual Service with this District Service and we are grateful to them.

It has been my privilege to present a number of Jubilee pins, one yet to be presented will be to Bro. Thomas H. Portt, father of Rt. Wor. Bro. Bruce Portt, Immediate P.D.D.G.M.

I have visited in five other Districts this year. Two of these were the occasions of the dedication of new Masonic Temples. In each instance it was a delight to again meet our Grand Master and hear the inspiring message which he gave. These occasions were memorable also, as they provided opportunities to get better acquainted with many members of Grand Lodge. The annual re-union of the Temple Lodges in Ottawa afforded the opportunity of meeting Brethren from widely separated areas of this Grand Jurisdiction and my thanks to the members of Temple Lodge, No. 666, Belleville, for including me in their number.

The many "Ladies' Nights" have been a great source of pleasure and enjoyment for Mrs. McFaul and myself this year. Sorry we couldn't attend all of them. A sincere thanks to each one for the warm and lasting friendships we have made.

Wor. Bro. Howard Palmer, the Officers and Members of Lake Lodge, No. 215, my mother lodge, tendered me a banquet on the occasion of my Official Visit, May 11th. My heartfelt thanks to them for inviting so many members of my family, but my deepest gratitude for their thoughtfulness in arranging for my Dad, who is 91 years young, to be a head table guest. Words cannot express my gratitude when, on this occasion, well over 200 members and visitors were present. My thanks also to Rt. Wor. Bro. H. Duvall, D.D. G.M. of Ontario District, who was present. In the lodge room that night I presented Wor. Bro. Ben Anderson, P.M. of Lake Lodge, with his Jubilee pin.

What can one say about such a rewarding experience which has been afforded him by the kindness and generosity of the Masons of Prince Edward District? Certainly a sincere and humble "thank you"; but let us always remember that we must put into practice outside the lodge room those great principles and truths we learn within if Freemasonry is to remain the great force for good that we know it to be.

A. CLARE McFAUL, D.D.G.M.

SARNIA DISTRICT

This was a year of completion in the Sarnia District. The members of four district lodges finished and dedicated their Temples. Alvinston Lodge, No. 323, Forest Lodge, No. 263, Petrolia Lodge, No. 194, and Washington Lodge, No. 260, (the latter two sharing the same Temple) are to be congratulated for their splendid effort. We, in Sarnia District, are indebted to the Most Worshipful the Grand Master for both of his visits, also to Most Wor. Bro. Russell W. Treleaven and Rt. Wor. Bro. Donald J. Gunn for being with us at Forest and Petrolia respectively. We wish to express our thanks, not only for their presence, but also for the inspiring messages they brought us.

Alexandra Lodge, No. 158, in Oil Springs, celebrated its one hundredth anniversary on October 26, 1964, which was held in the form of a District Reception for Most Worshipful Brother Irvine. The members of the Craft took this opportunity to welcome the Grand Master on this his first visit to our District since his election. They were more than repaid by the Masonic address he had for them that evening.

For all who were at the reception for Rt. Wor. Bros. L. J. Crooks, Grand Senior Warden, and Harry Russell, P.D.D. G.M., may I express our thanks to Rt. Wor. Bro. Willard M. Gordon for his very humorous and informative after-dinner speech.

Having the Grand Senior Warden live on the same street, in the same city as the D.D. certainly has had its advantages. R.W. Bro. L. J. Crooks and I have enjoyed travelling and visiting together this year on many occasions. To all Grand Lodge Officers who attended our anniversaries and dedications I wish to express my thanks for their support.

In our District, it is the practice of the District Deputy to observe each lodge in their business meeting and see them at work. Having visited the 21 lodges I can report I was very pleased with both these parts of their work. At each official visit, I spoke on the particular degree of the evening, pointing out some of the symbols and elaborating on their meanings. The ritual is well-memorized, but each of us must be sure that the expression and speed of delivery are correct, so that each candidate will receive the full benefit of that particular degree. To all Past Masters of the District, may I ask for your continued support that our standards will remain high. Each and every new Master needs your guidance for the welfare of the lodge.

Mrs. Walker and I enjoyed the Ladies' Nights throughout the District, and I wish to express my appreciation for the splendid organization the Brethren showed on these social evenings.

At the Alvinston dedication, the Grand Master appointed Wor. Bro. Roy Doan to be the Grand Junior Deacon. We, in Sarnia District, were delighted with this honour accorded a worthy brother.

On the evening of the installation of Tuscan Lodge, No. 437, Officers, I presented Wor. Bro. J. A. Clements with the medal commemorating his fifty years as a Past Master. His Mother Lodge is Alexandra Lodge, No. 158, Oil Springs, and he is now an affiliated member of Tuscan Lodge. Following the presentation Wor. Bro. Clements gave a very historical response on Masonry in those days and Oil Springs in the boom years of the first oil wells in Canada.

To the District Secretary, Wor. Bro. F. J. Sanders, who is also the Secretary of Tuscan Lodge, No. 437, I owe a debt of gratitude for not only the manner in which he carried out his duties as District Secretary but also for his splendid support in our extra duties this year.

Wor. Bro. J. J. Stephenson of Wyoming, Ont., a member of Burns' Lodge, No. 153, was the Chairman of Masonic Education. His year was filled with many visits throughout the District and I know the Brethren appreciated his tremendous effort.

Bro. Thomas Pirrie performed the duties as Chairman of the Blood Donors. As Chairman, he accepted many invitations to speak at different Lodges in the District and proved to be very well-informed.

Bro. Dr. Canon B. F. Farr, Rector of St. John's Anglican Church, Sarnia, was the District Chaplain. May I express special thanks for the sermon he delivered at our District Divine Service and the visits he made with me.

During my year four Grand Lodge officers passed to Grand Lodge Above. They are sadly missed by all of us. The Master of Arkona Lodge died suddenly in December, Wor. Bro. Ellis Butler. To his family and Brethren of the Lodge we express our sympathy.

Some Brethren have asked me, 'How do you feel about your year as D.D.G.M.?' I have thoroughly enjoyed it and must admit I am going to miss it. In some small way I hope that the Brethren have benefited from my term of office. Personally, my Masonic beliefs have been strengthened and friendships have been enlarged beyond my fondest dreams. For all this I say thank you Brethren, very much.

GEORGE J. WALKER, D.D.G.M.

SOUTH HURON DISTRICT

It is with a great deal of pleasure that I submit my report on the state of Masonry in South Huron District.

The privilege of serving as the representative of the Most Worshipful the Grand Master, has been an honour of which I am humbly proud. I would like to express my appreciation to the brethren of South Huron District for their confidence in electing me as their District Deputy Grand Master. I would also like to thank the Grand Master for confirming my election.

My first duty was to appoint Wor. Bro. Charles Fox as my District Secretary and I thank him for the co-operation and assistance he has given me during my term of office. He was most efficient and accompanied me on all my official visits of inspection. Bro. Rev. Lyall H. Crawford consented to act as District Chaplain, Wor. Bro. Russell Bradford as Chairman of Masonic Education and Rt. Wor. Bro. Clare Reith as District Chairman of Blood Donors. To all these brethren, I would like to extend my sincere thanks for their valuable assistance, their loyal support and their willing co-operation throughout the year.

I visited each of the seventeen Lodges in the District once, and most of them several times, and on all of these visits I was graciously received with the dignity that should be accorded the representative of the Most Worshipful the Grand Master.

There appears to be an earnest desire on the part of each Lodge in the District to foster and encourage the best and highest standards in the exemplification of the work in the several degrees, and I was generally impressed with the sincerity of the work. About one-half of the Lodges in the District are making it a practice of having the candidate learn the working tools of each degree before he receives another degree. I, personally, would like to see this practice carried out in all Lodges.

The District Secretary gave a very favourable report on the Secretary's and Treasurer's books in almost every instance.

Masonic Education, I believe, has shown a marked improvement in most Lodges in the District, but there are still a few where I am sure more time and effort should be devoted to this work. Usually the reason given for the neglect is lack of time due to degree work.

The Past Masters' Association, assisted by the District Committee for Masonic Education, held a very successful fall "Education Night" at Clinton. I would like to express my thanks to Rt. Wor. Bro. W. K. Bailey, who was the guest speaker on that occasion.

On January 8th, 1964, I had the pleasure of presenting Rt. Wor. Bro. Hugh Hill of Morning Star Lodge, No. 309, with his 50 Year Past Master's Medal. Rt. Wor. Bro. Hill was the D.D.G.M. in South Huron District in 1933 and is still attending Lodge regularly.

Divine Services were held by most of the Lodges in the District. The District Divine Service was held at St. James Anglican Church in Parkhill on May 3, 1964. The Church was filled to capacity to hear the District Chaplain, Bro. Rev. Lyall Crawford, deliver a very inspiring address.

It is with sincere regret that I report the passing to the Grand Lodge Above of two of our greatly respected Past Grand Lodge Officers. Rt. Wor. Bro. Dr. H. W. Baker, the senior Past D.D.G.M. of our District and V. Wor. Bro. J. D. Hesson.

Before closing, I wish to express my appreciation for the loyal support and assistance I received from the present and past Grand Lodge Officers, Masters, Past Masters and

brethren of the District, who helped to make the meetings the success they were. Their presence was a real inspiration to me, and may I again express my sincere thanks to the Brethren of the District for the privilege that has been mine. It is my earnest hope that, in my own humble way, I have been able to contribute something to the value of Masonry, and that my term as District Deputy Grand Master will ever remain a very pleasant memory.

CLARK HODGINS, D.D.G.M.

ST. LAWRENCE DISTRICT

The privilege of serving as the representative of the Grand Master in St. Lawrence District has been a rewarding experience, resulting in the renewing of old acquaintances and the making of new friends. To the brethren who made this possible I extend my sincere thanks.

I was pleased to appoint Wor. Bro. S. D. Rowsome as District Secretary, Bro. Rev. E. Daniel Fleming as District Chaplain, Wor. Bro. Gerald Gilmer as District Chairman of Masonic Education, and Wor. Bro. Benny Steck as District Chairman of the Blood Donors' Committee. They have carried out their duties in a most satisfactory manner and have been a tower of strength to me personally.

I officially visited the nineteen Lodges in my District, and in most cases the work was well-done. At all times I was received with friendliness, respect and sincerity. I endeavoured, in a sincere way, to correct any errors in the work, and also attempted to leave some message at the banquet table for the brethren to reflect upon.

The District Secretary reported that the books and records of the Lodges were in good form, and the Lodges were financially sound.

Masonic Education was again under the capable leadership of Wor. Bro. Gerald Gilmer. Masonic Education has shown marked improvement during the last few years in the District, and most Lodges try to have a short talk on the subject each evening.

Wor. Bro. Benny Steck once again looked after the Blood Donors. This is not a very rewarding task. Since the Red Cross have taken over the major part of this work, many of our brethren seem reluctant to report to their chairman, and we always feel that many more have donated than has been reported.

Mrs. Francis and I have been very happy to attend a number of "Ladies' Nights" during my term of Office. We have been made most welcome and enjoyed the opportunity of associating with the Masons and their wives. To these Lodges we say a sincere "Thank You", and to those whose invitations we were forced to decline we offer our apologies.

The attendance at the various Lodges was fairly good, with the smaller Lodges showing a much higher percentage in that respect.

The highlight of the year was "Worshipful Masters' Night", which was held in my mother Lodge, Salem, No. 368. On this occasion the nineteen Masters of the District gathered in the lodge room and conferred the E.A. Degree in a very capable manner. The lodge room on this occasion was filled to capacity. It is hoped this will become an annual custom, as I feel there is much merit in bringing the Masters together.

Most Lodges held Divine Church Services, many of which I was able to attend. The District Divine Service was held in Wall St. United Church, Brockville, on May 31, with the District Chaplain, Rev. E. Daniel Fleming, preaching an inspiring sermon. Some 350 Masons attended this Service.

No report of mine would be complete without expressing my appreciation to M.W. Bro. Harry L. Martyn, Custodian of the Work, and M. Wor. Bro. E. G. Dixon, Grand Secretary, whose patient understanding and kindly assistance greatly enabled me to carry out my duties.

It is with regret that I report the recent loss by fire of the lodge premises of Macoy Lodge, No. 242, Mallorytown. At the time this report is made their plans are indefinite, but through the kindness of the brethren of Lansdowne Lodge, No. 387, they will use their lodge rooms for the present.

My work is done. The office so gracefully bestowed on me passes to my successor. It is with regret that one relinquishes official connections with all these admirable fraternal officers and members who comprise the Lodges of St. Lawrence District. I can only add that I have appreciated the opportunity of service. It has been a splendid year, and, no doubt, one that I will fondly reflect upon.

O. H. FRANCIS, D.D.G.M.

ST. THOMAS DISTRICT

It has been an honour and a privilege, as well as a truly edifying and rewarding experience, to have been the rep-

representative of the Most Worshipful the Grand Master in St. Thomas District. May I express my sincere appreciation and grateful thanks to you, Most Worshipful Sir, to my mother lodge, Rodney, No. 411, and to the brethren of St. Thomas District for bestowing this honour upon me. I only hope I have carried out my responsibilities to the credit of our Order and in keeping with the high standards maintained by my predecessors.

The activities of the year were greatly facilitated by the able and conscientious assistance of Wor. Bro. H. Victor Degraw as District Secretary, Bro. Rev. J. Morley Colling as District Chaplain, Wor. Bro. J. W. Neil and Wor. Bro. Hugh M. Fackrell as co-chairmen of Masonic Education and Bro. John W. Weldon as chairman in charge of Blood Donors. Each of these brethren gave unstintingly of their time in the duties assigned to them and I sincerely appreciate their efforts.

Each lodge in the district was visited at least once and on several occasions return visits were made to witness the work or to participate in special activities. The books and records of all lodges were found to be well-kept in accordance with established methods of the Order and all information requested in relation to lodge finances was readily given. That faithful corps of brethren, the Secretaries, are to be commended for their attention to proper procedure in the conduct of the business of the various lodges. In general, all lodges were found to be operating upon a sound financial basis.

I am pleased to be able to report that all of the work witnessed was done in a most acceptable manner and with most studious attention to the ritual. Uniformity is being maintained throughout the District and all officers were most anxious to accept any suggestions for improvement. Although statistics obtained from the various lodges indicate a slight decline in total membership I am confident that Masonic spirit is strong and virile and will continue to grow in spite of these periods of temporary decline in the District. There is a fine spirit of friendship and co-operation among the lodges and a steady interchange of fraternal visits is keeping up interest and attendance.

All district activities were well-supported; in particular the District Divine Service at First United Church, St. Thomas, on May 31st, had a fine attendance of approximately 500 with every lodge in the district being well-represented. A consistent effort has been made to increase the number of blood donors and some improvement has been noted in this phase of Masonic activity. The St. Thomas District Past Masters', Masters' and Wardens' Association continues to be

an active influence in Masonry and much has been accomplished in maintaining unity and harmony as well as the dissemination of Masonic knowledge through the medium of its meetings which are always well-attended.

It was my privilege to attend a number of social functions sponsored by various lodges and at all of these I was impressed by the warm welcome and kindly attention tendered to me by all the brethren. For all of these courtesies extended to Mrs. Black and myself I would like to express our sincere thanks. On a number of occasions it was my privilege to exchange visits with District Deputy Grand Masters in the surrounding districts and to enjoy the comradeship which flows from common interests and purposes.

In summary, may I confirm that Masonry in St. Thomas District is an active and virile force, unified and harmonious, conscious of its responsibilities and firm in its principles. All phases of Masonic activity are being pursued under the direction of officers in the lodges who are capable and who inspire confidence and enthusiasm in the membership. With such direction and dedication the district will continue to be a credit to the Grand Jurisdiction of which it forms a loyal part.

This report would be incomplete without my acknowledgement of the inspiring leadership provided by the Most Worshipful the Grand Master and the patient understanding and most kindly assistance provided by the M.W. the Grand Secretary and all Officers of Grand Lodge. To all of them I offer my heartfelt thanks.

CHARLES I. BLACK, D.D.G.M.

TEMISKAMING DISTRICT

It is with great pride that I submit my report on this Northern District. The opportunity of serving our Grand Master will always be remembered with gratitude. To the Grand Master and the Lodges of the District I extend my thanks for making this possible.

Shortly after being installed I appointed the following worthy brethren, District Secretary, W. Bro. J. M. Stevenson, District Chaplain, Bro. Rev. A. C. Huston, District Chairman of Masonic Education, R.W. Bro. C. J. R. Ballantyne, and District Chairman of Blood Donors, W. Bro J. Maxwell. My sincere thanks go to all these brethren for their work.

Accompanied by my District Secretary and other members of my Lodge I visited the nine Lodges of the District. It is with satisfaction that I report the work well-done with

the Masters, officers and Past Masters maintaining uniformity in the ritual. I would thank all the Lodges for the warm welcome accorded me on my visits and for the full co-operation from everyone in assisting me in the discharge of my duties.

During my term of office it was my pleasure to present one Fifty Year Jubilee Medal and two Sixty Year Pins. It is gratifying to see so many of our senior brethren who are permitted to wear these medals.

All of our Lodges have had their annual Church Services. There were two District Church Services held in the month of June.

Masonic Education, under the leadership of R.W. Bro. C. J. R. Ballantyne, has been promoted in all the Lodges and our thanks go out to the Masters and to the Educational Chairmen for the time and effort they have contributed to this very important work.

By command of the Grand Master it was my duty and pleasure to invest R.W. Bro. C. J. R. Ballantyne as Grand Registrar of this Grand Lodge and, later in the year, to present R.W. Bro. Walter H. Quinn with his Commission from the Grand Lodge of South Australia as their official representative to our Grand Lodge. The Temiskaming District is proud that these outstanding Masons have been so honoured

I would like to thank M.W. Bro. E. G. Dixon, M.W. Bro. H. L. Martyn, R.W. Bro. W. K. Bailey and my Secretary, W. Bro. J. M. Stevenson, for their assistance during the past year. To the Grand Master my thanks go for confirming my election. It has been an honour and a privilege to represent you and the Grand Lodge. In conclusion may I, with honest pride, report that the Condition of Masonry in the District of Temiskaming is of the highest order.

C. C. BEADLE, D.D.G.M.

TORONTO DISTRICT "1"

May I first express my thanks and gratitude to the Brethren of Toronto District "1" for honouring Ionic Lodge, No. 229, by electing me District Deputy Grand Master, and to Most Worshipful Bro. John A. Irvine for confirming the election. It was indeed a great honour and a privilege to carry out the duties to the best of my ability.

My first official duty was to appoint W. Bro. Lloyd McGregor as District Secretary and Bro. Rev. John W.

McBride as District Chaplain. Both are members of Ionic Lodge, No. 229. W. Bro. McGregor accompanied me on the twenty official visits and reported that all Secretaries and Treasurers were carrying out their duties satisfactorily. All books and records were available for the District Secretary's inspection, and he reports that the books of Secretaries and Treasurers are well-kept and all Lodges are in good financial condition. The District Chaplain accompanied W. Bro. McGregor and myself on as many of the official visits as his time permitted, and his presence was appreciated.

The degree work was of a very high standard; all Worshipful Masters and Officers performing their work with dignity. I was glad to see a number of the members and Past Masters working. I am sure all candidates were impressed.

The highlights of the year were the institution of Unity Lodge and the Grand Master's Banquet. It was my pleasure to institute Unity Lodge, U.D., on January 2nd, 1964. A number of D.D.G.M's were present and a number of Past Grand Lodge Officers, as well as members of Lodges in the district. Following the institution, a banquet was held in the Fellowship Hall at Grace United Church. A special thanks is extended to Most W. Bro. E. G. Dixon for his assistance in the formation of this Lodge.

The Reception for the Grand Master, Most W. Bro. John A. Irvine, was held at the Masonic Temple Auditorium, 888 Yonge Street, Toronto, on March 31st, 1964, by Toronto Districts No. 1, No. 2, No. 5 and No. 6, and was well-attended. After the dinner, the Grand Master, in replying to the toast to Grand Lodge, gave an inspiring address. A special thank you to the Committee on arrangements for this Banquet.

The Chairman of Masonic Education, Bro. Jim Sim, W. Bro. Geo. Poyner, Vice Chairman, and W. Bro. Albert Gearheart, Secretary, held two Masonic "Education Nights", on December 27, 1963, and April 30, 1964. In December, the work of the evening was centered around the lecture in the west, and was well-presented by the Committee and the Wardens. The second night was held at Port Credit Temple and was devoted to a "Question and Answer" period. Both nights were well-attended.

The Chairman of Blood Donors, W. Bro. Geo. McGee, has spent a great deal of time and effort this year and has turned in a splendid report.

The annual Divine Church Service was held Sunday, May 3, at 3.00 p.m., in the Presbyterian Church, Brampton, where

the District Chaplain, Bro. Rev. John W. McBride, preached the sermon. The lessons were read by Most W. Bro. J. A. Hearn, P.G.M., and myself. The Service was well-attended by many brethren from the District and a social hour was enjoyed afterwards.

A second Divine Service was held by the four Lodges of Connaught Hall, at the Presbyterian Church in Mimico on May 24th, where I had the pleasure of reading one of the lessons. The second lesson was read by R.W. Bro. W. A. Stewart, P.D.D.G.M. The Sermon was preached by Bro. Rev. Birch. This Service was also well-attended.

Fifty Year Celebrations were held by two District Lodges — Mississauga Lodge, No. 524, and Temple Lodge, No. 525. It was my pleasure to be present at these events and to wish these Lodges continued success in the coming years.

It was also our pleasure to present Fifty Year Medals to several members who have served Masonry for this period; we wish them good health for years to come.

A number of Lodges held "Ladies' Nights" at which Mrs. Campbell and myself and Bro. and Mrs. McGregor were present. I would like to take this opportunity to thank all the Lodges for their kindness and courtesy extended to us.

Toronto District "1" has been saddened by the passing of three of our Past Grand Lodge Officers in the persons of V.W. Bro. Ralph Bull of South Gate Lodge, V.W. Bro. Clayton Cheyne of Ionic Lodge and V.W. Bro. Reg. Lewis, General Mercer Lodge. Their devotion to Masonry will always be an inspiration and we will cherish their memories in our hearts.

In conclusion, I would like to say "thank you" to the Committees who have assisted throughout my term of office. I am at a loss to express fully my sincere appreciation of the support extended to me by the Masters, Officers and members in this District. It is my hope that in some way I have been able to contribute to the advancement of Masonry in Toronto District "1".

W. ARCHIE CAMPBELL, D.D.G.M.

TORONTO DISTRICT "2"

It has been a rich and rewarding experience to have had the privilege of representing the Most Worshipful the Grand Master in Toronto District "2". I would, therefore, express my appreciation to the brethren of the District for

electing me to this office and to the Grand Master for his kind confirmation of the same.

I firmly believe that the duties of this office would be far too onerous for many brethren to accept, if it were not for the fact that the representative of the Grand Master is not expected to perform all these duties personally, but rather is permitted to appoint well-skilled brethren to assist him. Toronto District "2" is blessed in having many well-skilled brethren, who are not only willing, but are also most anxious to be of service. It was my distinct pleasure to appoint Wor. Bro. Frederick S. Fordham, District Secretary, Bro. Rev. R. Gordon Nodwell, B.A., B.D., District Chaplain, Wor. Bro. Albert L. Lee, Chairman of the District Committee on Masonic Education, Wor. Bro. C. Norman Bell, Secretary of the District Committee on Masonic Education and Wor. Bro. William R. Sharpe, Chairman of the District Blood Donors' Committee. It has indeed been an inspiration to have been closely associated with these devoted Masons in the work of the District.

Wor. Bro. Frederick S. Fordham, District Secretary, accompanied me on all my official visits and has been of great assistance throughout the year. His friendship, co-operation and untiring efforts have been greatly appreciated and to him I extend my thanks.

The warm cordial reception extended to me by all lodges is an indication of the high esteem with which Grand Lodge is held by the brethren of this District. On every scheduled official visit a degree was conferred in such a manner as to leave an indelible impression on the mind of the candidate of the high purpose of Freemasonry. The ritual work throughout the District is of a uniform high standard.

One group deserving our commendation for its work in contributing to the uniformity and excellent quality of the ritual work in this District is the Wardens' Association. Composed of Junior and Senior Wardens and led by their own officers they visit lodges throughout the District and confer the work of the evening. Through the valuable experience they gain in their two years together they prepare themselves for the time when they will serve as Masters of their respective lodges. Their visits to the lodges are scheduled so that each lodge is visited every three years. These visits are looked forward to with anticipation by the lodges and every Worshipful Master considers himself privileged if their visit coincides with his term of office. This Association also enters enthusiastically into all activities of the District and the success of many of these activities is directly attributable to their support.

The District Annual Divine Service was held in the Mt. Dennis United Church on March 8, 1964. The District Chaplain, Bro. Rev. R. Gordon Nodwell, B.A., B.D., conducted the Service, assisted by Bro. Rev. M. P. Smith, M.A., B.D., M. Wor. Bro. Joseph A. Hearn, Grand Treasurer, and the D.D.G.M. The District Chaplain delivered a sermon "God's Call to Uprising" which was greatly appreciated by the large number of brethren and their ladies in attendance.

An outstanding event in the year was the reception tendered to Most Wor. Bro. John A. Irvine by Toronto Districts No. 1, No. 2, No. 5 and No. 6 on Tuesday, March 31, 1964. In his address on this occasion the Grand Master favoured the brethren with a glimpse of his high purpose, of his devotion to our Fraternity and of his love for his fellowman. A special word of appreciation is extended to those brethren who were charged with the responsibility of making the necessary arrangements for this reception.

On April 29, 1964, a most successful District Education Night was held in the Yonge Street Temple with Maple Leaf Lodge, No. 600, as the host lodge. The District Committee on Masonic Education, assisted by the Wardens' Association, presented an inspiring program based on the lessons of "The Winding Stair". The use of visual aids added greatly to the effectiveness of the presentation. At the banquet hour R. Wor. Bro. D. M. Fleming, P.G.J.W., the speaker of the evening, presented an interesting address on the "Holy Land".

My predecessor, R. Wor. Bro. David W. Forrester, during his term of office, re-activated the Blood Donors' Committee under the guidance of Wor. Bro. William R. Sharpe. Wor. Bro. Sharpe continued for a second year to direct this program and through his untiring efforts the District has more than doubled the previous year's donations. A great deal of difficulty has been experienced, however, in obtaining accurate reports of the number of donations made by the brethren. In view of the above Wor. Bro. Sharpe suggests that a new approach be taken to the problem. He recommends that several District Blood Donors' Clinics be held throughout the year. I concur in his recommendation.

Preliminary reports indicate a small net increase in membership. They also indicate, however, a serious loss due to death, resignation and suspension. The grievous loss by death is, of course, one over which we have no control. However, loss through resignations and suspensions is an indication, I believe, that we have in some manner failed to communicate to these brethren the great lessons and truths of Freemasonry. I have recommended that all requests for demits and members due for suspension be investigated by a

Membership Committee. By such investigations the losses through resignations and suspensions may be reduced, and further, we may discover in what manner we may have failed these brethren and by correcting our faults offset future losses.

Attendance is a problem faced by all lodges and is one that deserves our most serious attention. As may be expected the smaller lodges record a higher percentage of attendance than the larger lodges. This is a clear indication that the members of the smaller lodges enjoy a greater sense of belonging. They also have a greater opportunity to take an active part in the various functions and activities of the lodge. One means of enabling more members to serve the lodge and thereby maintain their interest is through the use of active lodge committees. All lodges have committees but unfortunately all too often they are only names on the circular and do not act. If each committee is required to report on its activities at all regular meetings it is then encouraged to be more active. Reporting every month, the reports will not be too long and will not take up too much of the time of the lodge. The time used in this manner will be well-spent in the increased number of members engaged in the work, the uncovering and development of new talent and the closer fraternal ties engendered.

Many lodges report having provided financial assistance to brethren in addition to the grants made by Grand Lodge. While these reports are an indication that Masonic Charity and Brotherly Love flourish in the District they are by no means complete reports, for many are the unheralded acts of kindness and assistance made by our lodges and individual brethren.

I have been greatly impressed with the large number of brethren who have been members of the Craft for over 25 years and the number who have been members for over 40 years. It is readily apparent, from their many years in the Craft, that they have discovered something in Freemasonry which, although they may experience difficulty in defining, we pray that they may find the means of communicating to their younger brethren.

One cannot comment too highly on the work of the Secretaries and Treasurers of the constituent lodges. These brethren, through their devotion and zeal in the discharge of their duties, contribute greatly to the good of our Fraternity. In every case, the District Secretary has remarked on the excellent manner in which the lodge records are kept.

In the past year two of the District lodges, Mt. Sinai and Parkdale, have celebrated their 50th Anniversaries. I

was most pleased to attend, with the brethren of Parkdale Lodge, on the occasion of their Fiftieth Anniversary Banquet held on Friday, October 18, 1963.

Several of the lodges have attended Services of Divine Worship thereby enabling the brethren to give public expression to their belief in the Fatherhood of God and the Brotherhood of Man. I was privileged to attend and take part in these Services.

One cannot help but be impressed with the proficiency, enthusiasm and dedication of the Worshipful Masters and Officers throughout the District. I have, therefore, much pleasure in reporting that Freemasonry has a bright future in Toronto District "2".

To the Worshipful Masters, Past Masters, Officers and Members of all the lodges who, through their kindness, co-operation and assistance, have made this a most memorable year, I offer my sincere appreciation.

I sincerely hope that I have merited the trust reposed in me and that, in the discharge of my several duties, I have in some measure been able to further the progress of Freemasonry.

ANDREW F. NISBET, D.D.G.M.

TORONTO DISTRICT "3"

As my year as District Deputy Grand Master in Toronto District "3" draws to a close, I am acutely conscious of a deep and abiding sense of gratitude to the brethren of this District for granting me the opportunity to further my Masonic knowledge, to broaden my concept of our great institution, and to serve in some small way the fraternity in this District. Humility and pride are normally considered contradictory terms, but they are two emotions which must, of necessity, move every brother who has filled this high office. No one can be but humbled from the moment he receives his obligation in the thought that he has been chosen to represent the head of our Craft and has been considered worthy by his brethren to discharge that most important duty, nor can he be but proud in the magnificent record of achievement of his District and of the whole Fraternity.

I appointed Wor. Brother Frederick G. McCarthy, the Beaches Lodge, No. 473, as the District Secretary, and he has fulfilled his duties with the utmost skill and devotion. All the books and records of each constituted Lodge were carefully examined by him and it is a source of satisfaction

to report that he found them to be in excellent order. The financial condition of our Lodges appears to be on a sound foundation. I was particularly impressed by the condition of the regalia worn by the Masters and Officers. They reflected the pride of the brethren in their Masonic home.

I appointed Wor. Bro. Gordon D. King, District Chaplain, and he fulfilled his duties in the highest tradition of our Order. The District Divine Service, held in the Church of the Comforter, was well-attended with all Lodges in District "3" represented, as well as Rt. Wor. Bro. John J. Smith, D.D.G.M. of Toronto District "4" and a goodly representation of brethren from his District.

Wor. Bro. A. W. Wright, Past Master of Doric Lodge, No. 424, Pickering, has been the District Supervisor of Masonic Education. Wor. Bro. Cecil Lent of Bay of Quinte Lodge, No. 620, was his Secretary. The unselfish devotion of these brethren and their committee, the Senior Wardens of 1964, are to be praised. They attended all my visits to the various Lodges in the District. There were two meetings of Masonic Education held which were extremely well attended and, in each case, the agenda was well-prepared and capably presented. On one occasion it was my pleasure to welcome Rt. Wor. Bro. W. K. Bailey, Chairman of the Grand Lodge Committee on Masonic Education. It was a delight to hear Rt. Wor. Bro. W. K. Bailey who gave as his subject "The Magic Flute" (by Mozart). His work culminated our District Masonic Education. Each District Lodge has a Chairman and Committee on Masonic Education and short lectures are given at many meetings.

I wish to thank Wor. Bro. Carroll Waldron of St. Andrew's Lodge, No. 16, Toronto, for his sincere and untiring efforts as Chairman of the Blood Donor Committee which has shown, on our records this year, a great increase in donors.

I was able to make official visits to fifteen Lodges in the District. The reception was warm and generous and the work, in all cases, was well-exemplified with the business being carried out in an efficient manner. I tried to impress the importance of attendance at the meetings and the necessity of keeping the Past Masters interested in their Lodge.

I have been happy to accept invitations to attend all social functions in the District, and Mrs. Morton and I have enjoyed very much the opportunity of meeting so many of the Masters, Past Masters, officers and brethren and their ladies. We will certainly retain the most pleasant recollections for many years to come. May I express my sincere appreciation for the honour bestowed on the Beaches Lodge, No. 473, and on myself through the office of District Deputy

Grand Master and for the wonderful receptions and co-operation I received during the past year.

In conclusion, I would like to thank the Wor. Masters, the officers and brethren for their loyal support and to say how pleased I am to have had the opportunity of serving as District Deputy Grand Master.

WILFRED H. MORTON, D.D.G.M.

TORONTO DISTRICT "4"

It is with pleasure I submit my report, on the condition of Masonry, in Toronto District "4" for the year 1963-64, and, with a deep sense of gratitude, express my sincere appreciation to the brethren of Toronto District "4" for their confidence in electing me as their District Deputy Grand Master, and to you, Most Worshipful Sir, for confirming same.

The appointment of Wor. Bro. Philip C. Lake as District Secretary was indeed a great pleasure to me, and further enhanced a personal friendship of over twenty years' standing. The duties and responsibilities of this important office were fulfilled with kindness and enthusiasm which has merited the high regard and esteem of the brethren and myself for him.

Bro. Rev. James M. Milroy, M.A., B.D., was most happy to accept the appointment to the office of District Chaplain, and fulfilled his responsibilities with dignity and kindness on all occasions. I would like to thank him most sincerely for his help and assistance during my year.

The Blood Donors' Committee, under the direction of Wor. Bro. Herbert Claridge of Riverdale Lodge, functioned very well, and the duties of the Committee were conscientiously carried out, the result being an increase in number of donors for this year, and the groundwork being laid for a follow-up program in the future.

The Committee of Masonic Education, under the direction of Very Wor. Bro. Stanley Cecil, instituted two special programs during the year, one held in Markham, and the other in Chisholm Ave. Temple in Toronto. Both were well-conducted and very well-received by the brethren in attendance. Speakers on Masonic Education were also arranged for on several occasions.

I was privileged to present some 50 Year Medals and Life Memberships at various Lodges. The recipients were

men who had taken a keen interest in the Craft and who have enjoyed the opportunity to serve their fellowmen as Masons.

One of the highlights of my term of office was the instituting of Progress Lodge, U.D., Chisholm Ave., Toronto. Knowing most of the Charter Members personally, and the interest and enthusiasm of these brethren, I know Progress Lodge, U.D., will be a credit to the Craft and to Toronto District "4" in particular. The other Lodges have been most generous in providing a great deal of assistance to the new Lodge, and I would like to thank them all personally for their co-operation.

Another highlight of the year 1963-64 was the celebration of the Fiftieth Anniversary of Coronati Lodge, No. 520, on February 11th. This was an exceptionally fine evening and was well-planned by the brethren of the Lodge. After a short history of the Lodge, delivered by R. Wor. Bro. Walter Overend, the brethren retired to the banquet room where R. Wor. Bro. D. Fleming delivered an exceptionally inspiring address.

I made an Official Visit to all 18 Lodges in the District, and would like to express my sincere thanks and that of the District Secretary, for the very warm and cordial reception extended to us on every occasion. During the year I was privileged to witness the work and conferring of all three degrees. On each occasion the work was performed with dignity and despatch, and in a most impressive manner. The District Secretary reports favourably on the lodge records and on the financial situation of each Lodge, and personally thanks all Secretaries for their assistance.

During the year, I was pleased to note that meetings were generally started at the appointed time, and I endeavoured to impress upon all concerned the importance of planning and arranging meetings so that they would conclude all business, including the banquet hour by 11 p.m.

While there are still some arrears of dues, I know every effort is being made to correct this situation, and I have made recommendations to each Lodge concerned, which I hope will be helpful.

Attendance in most Lodges shows almost the same as the previous year, with the smaller Lodges generally having a slight increase. I believe there is room for more Lodges in District "4" to provide more men with an opportunity to be active and interested.

I was fortunate in being able to attend many Divine Services during the past year, with the brethren in District

"4", and consider it an honour to attend them and to hear so many inspiring and worthwhile addresses to publicly acknowledge that Masonry and the Church go hand in hand.

Mrs. Smith and I, together with Mrs. Lake and Wor. Bro. Lake, will be forever grateful to the Masters and Wardens for the kind hospitality extended to us on the many social evenings we were privileged to attend as honoured guests and for the many friends we have made during the year.

In conclusion, I would like to take this opportunity to express my appreciation to the Grand Secretary, Most Wor. Bro. E. G. Dixon, for his co-operation and kindness at all times.

To the Wor. Masters, the Wardens and Past Masters, officers and members throughout the District I extend my sincere thanks for their support on my many visits, and for making my year a most happy one. I wish for each and every one of them happiness and prosperity in the future. It is with pride I can sincerely report that the condition of Masonry in Toronto District "4" is on a solid foundation and is in excellent condition.

JOHN J. SMITH, D.D.G.M.

TORONTO DISTRICT "5"

"Be kindly affectionate, one to another, with brotherly love."

May I use this quotation to illustrate the harmonious relations prevalent throughout Toronto District "5"? If there were any frictions, they must have been of a minor nature and were most graciously kept from my view.

I am most grateful to my Brethren for giving me the happiest and most stimulating year of my life. Their trust and faith in me has been an inspiration and an abiding comfort.

Our District and Grenville Lodge were greatly honoured by the election of R.W. Bro. John R. Dargavel as Grand Junior Warden. He is the popular son of the late revered M.W. Bro. R. B. Dargavel.

This has been a year full of the usual activities. Nothing of an exceptional nature happened but all events were conducted most ably and in the truest Masonic traditions.

I, and W. Bro. Carl R. Burton, District Secretary, were received most graciously on all occasions.

The District was most fortunate in having W. Bro. Archie Cecil of Corinthian Lodge act as Chairman of our Masonic Education Committee, greatly aided by W. Bros. Hugh L. Hastie of Zetland and John H. Mitchell of Harcourt Lodge, along with a most able Committee and a very interested and active Advisory Board.

They spent many hours of research and preparation of the script for our District Education meeting at Corinthian Lodge. Their efforts were rewarded by Toronto's worst snow storm of the year, but with 40 Brethren present, "the show went on". It was so unusual and instructive that by popular demand it was held again at Tuscan Lodge, Newmarket, on May 21st, to a crowded lodge room.

With the co-operation of R.W. Bro. Cy. Marsh and our Advisory Boards, Toronto Districts "5" and "6" held a joint Education Night under the direction of W. Bros. Reg. Huxley and Archie Cecil. It took the form of seven well-researched papers on our various Landmarks. These were most learned and instructive.

10-1

Not all Lodges hold Ladies' Nights but a number do and those Mrs. Copus and I were able to attend were most enjoyable.

A number of our Lodges hold Church Services and I was happy to attend all of them. At every Service, I felt a warmth among the Brethren, as we shared again, in another Sanctuary, our faith in the existence of the Supreme Being. Our District Church Service was held on May 10th at Timothy Eaton Memorial Church. The Minister of this magnificent church, Bro. the Rev. Dr. C. Andrew Lawson, District Chaplain, preached a sermon on "The Character Crisis" to an overflow congregation. It was a truly inspiring and practical lesson in our Masonic principles. We were greatly honoured by the presence of over 65 Present and Past Grand Lodge Officers led by M.W. Bros. J. A. Hearn, H. L. Martyn and R.W. Bro. James N. Allan, D.G.M.

Our Chairman of the Blood Donors' Committee, W. Bro. Jim Manuel, assisted by W. Bro. Bob Wonch, have conscientiously performed their duties. While the number of donations in 1963-64 appear to be an increase over those reported last year, they and I believe it is an impossible task to report accurately the number of donations.

On all Official Visits I was reassured as to the continuing excellence of the Work in the Lodges. When some

"mechanical" errors crept in, these mistakes were pointed out to those participating and visiting Officers of other Lodges, after the Lodge was closed. Their rapt attention demonstrated their zeal for perfection.

Along with the three other Toronto Districts, a Reception and Dinner were held for our popular and respected Grand Master, M.W. Bro. John A. Irvine. He was joined by over 50 Present Grand Lodge Officers. All of us have taken to heart his instructions and will practice them in our daily lives.

If the "heart" of every Lodge is the Past Masters, then the "backbone" of every District is the P.D.D.G.M's. I cannot speak too highly of those in our District. We owe them a great debt for their wisdom and guidance and I shall be proud to join their ranks as their junior member.

It was with considerable hesitation that I asked W. Bro. Dr. Carl R. Burton, a leading and very busy medical specialist, to accept an appointment that entailed a very rigid schedule for some months. That the choice of this dedicated Mason as District Secretary was a most popular one, was witnessed by the respect and affection shown him wherever he went. On all visits he reported the internal affairs of the Lodges in excellent shape.

One of my greatest pleasures and honours was in visiting Lodges consecrated before Canada became a nation, 97 years ago. They, along with the Church, are the only permanent institutions from those distant years, in most communities. Of a certainty, TIME has PROVED THE CRAFT'S WORTHINESS.

What great PRIDE we should have in Ancient Free and Accepted Masonry!

DUNCAN S. COPUS, D.D.G.M.

TORONTO DISTRICT "6"

In presenting this report of the activities of Toronto District "6", may I first express my sincere thanks to those who made it possible for me to hold the office of D.D.G.M. in this district. May I also express my thanks to the Most Worshipful the Grand Master for permitting me to act as his representative for the year. On behalf of the members of The Metropolitan Lodge, No. 542, may I extend their thanks for the honour accorded the Lodge.

Wor. Bro. W. R. Daniels of The Metropolitan Lodge was appointed the District Secretary. Bro. the Rev. J. de

Pencier Wright, L.S.T., of St. Cuthbert's Anglican Church, Leaside, was appointed the District Chaplain. W. Bro. H. R. Huxley of Golden Fleece Lodge, No. 607, was appointed Chairman of Masonic Education and W. Bro. Dr. Carmi Warren of The Metropolitan Lodge, No. 542, was appointed Chairman of the Blood Donors' Committee.

I would like to express my most sincere thanks, gratitude and appreciation to W. Bro. Robert Daniels for the most excellent manner in which he performed his duties. Without his help and willing co-operation in so many ways, it would have been impossible to have carried out my other duties. He reported that all lodge records are well-kept and up-to-date. This speaks well for all the Secretaries and Treasurers, as the outstanding dues have been decreased by a substantial amount. Rising Sun Lodge, No. 129, Aurora, is still using its original register which is now over 100 years old.

It was unfortunate that four of the fifteen lodges in this district found it necessary to meet on the same night. By a revision of the by-laws of the three lodges some of the difficulties regarding installations and visiting have been eliminated. This speaks well for the splendid co-operation among the lodges.

The District Divine Service was held on November 7, 1963, at St. Cuthbert's Anglican Church, Leaside. The Service was very well-attended. The District Chaplain conducted the Service. R. Wor. Bro. Duncan Copus, D.D.G.M. of District No. 5, read the first lesson; I read the second lesson. My thanks are extended to the District Chaplain for obtaining his brother, The Most Rev. W. L. Wright, D.D., D.C.L., our Past Grand Master, to deliver the sermon. The ladies of the Church served light refreshments at the close of the Service. This permitted a pleasant social hour. Many of the brethren of the district attended with me the Church Services of the other six districts for which I am most grateful. I was privileged to attend the Churches of those which held Services, taking an active part where possible.

The appointment of W. Bro. Huxley as Chairman of Masonic Education proved a most effective choice. He, in turn, appointed W. Bro. G. Cluskey, Fairbank Lodge, No. 592, W. Bro. Cy. Pearce, Oakwood Lodge, No. 553, W. Bro. D. A. McLean, Patterson Lodge, No. 265, W. Bro. J. A. F. Green, Golden Fleece Lodge, No. 607, and W. Bro. H. Jack, of Unity Lodge, No. 606, as his assistants. An Education Night was held on February 11, at the Eglinton Temple, sponsored by Delta Lodge, No. 634. This night was very well-attended and many favourable comments regarding the content and manner of the work were received. A combined Education Night of Districts "5" and "6" was held

at the Thornhill Temple sponsored by Harmony Lodge, No. 438, of District "5" and Kroy Lodge, No. 676. These meetings were attended to the capacity of the Temples in each case.

All of the Lodges were visited at least once during the year. The District Secretary and myself were most graciously received on every occasion. The degree work, in most cases, was performed in an almost perfect manner. The Masters of the various Lodges had the work particularly well-organized. Those taking part ranged from young Master Masons to those almost ninety years old. The Masters are to be congratulated on the excellence of the work performed.

One of the Lodges is planning to build a new Temple in the near future and another is planning an extensive addition to its present accommodation. The Lodges now meeting in the York Temple at Yonge and Eglinton Aves., Toronto, will, it is hoped, be moving into the new York Temple at Thorncliff Park in the fall of the year.

District "6", combined with Districts "1", "2" and "5", held a reception for Most Worshipful Brother J. A. Irvine, at the Yonge St. Temple on Tuesday, March 31. Many of the Grand Lodge officers were in attendance and the dining room was filled to capacity. The Grand Master gave a very fine address on timely topics. I am pleased to report that Wor. Bro. W. Scott of Delta Lodge, No. 634, of this District, was the chairman of the committee for the reception. He did an exceptionally fine job; every detail was well-organized and the evening was an outstanding success. W. Bro. Bruce of Zetland Lodge, No. 326, Wor. Bro. M. Hastings of General Mercer Lodge, No. 548, and W. Bro. Don Kendall of Mimico Lodge, No. 369, were the other members of the committee. To them we owe our thanks.

A most interesting evening was held at Kroy Lodge, No. 676, Thornhill, at which Most Wor. Bro. J. A. Irvine was made an honorary member. Wor. Bro. S. DeLong had a well-organized evening. All of the D.D.G.M's of Toronto Districts were in attendance and heard a very enlightening address by the Grand Master.

There appears little to report regarding the Blood Donors of this District. It is known that many of the brethren donate blood through their places of employment and through the clinics held in the various areas. These donors do not, however, report the donations to the chairmen of the lodges and no accurate calculation can be made as to the numbers. When speaking at one lodge regarding donors, one member informed me that at least 60 donations had been

made the previous year and that not one of the donors had reported to the Lodge. I wonder if the same situation exists throughout the whole jurisdiction.

Mrs. R. Daniels, Mrs. Marsh, the District Secretary and I are grateful for the many invitations that we received to the Ladies' Nights sponsored by the different Lodges. We had a wonderful time meeting with the officers, their members and their wives on these social occasions. We appreciate all of the kindnesses that were extended to us.

In closing, I would like to thank all those who assisted me in any way to make this year the success that I hope it has been.

C. F. MARSH, D.D.G.M.

TORONTO DISTRICT "7"

Take time to think, it is the source of power.
 Take time to read, it is the fountain of wisdom.
 Take time to work, it is the price of success.
 Take time to be friendly, it is the road to happiness.

These are the four major tenets which have guided my actions as D.D.G.M. of Toronto District "7" in 1963-64. As my year draws to a close, I am increasingly aware of the debts of gratitude I owe to the Brethren of this District for granting me the opportunity to further my Masonic knowledge, to see the Order in a broader sense and to serve, in some capacity, the fraternity in this District. Thanks to the G.A.O.T.U. and the generosity of the Brethren I have had the strength and health to meet my commitments. I have learned a great deal. I have enjoyed moderate success and it has been a year of real happiness.

Masonry in the District is in a very healthy condition in all respects except in the realm of attendance, which, being a universal problem, requires no further comment here. The majority of Lodges in the District have had more than enough candidates and a word of caution seems warranted. Ours is the most ancient and most honorable society in the world; let us keep it that way; be selective in your choice of candidates, investigate and then investigate some more. There is no substitute for quality, and remember, the proper fee is not the key to entry. Guard well your portals and adopt as your motto "More Masonry in Men and not more Men in Masonry".

The books and records, as examined by the District Secretary, were found to be in excellent condition. All Lodges

seem to be abreast of the times with regard to their finances and have upgraded their dues and initiation fees wherever warranted. The work, as exemplified on each of my Official Visits, was always uniform and ranged from good to emphatically excellent. Congratulations are in order for the work of the Senior Wardens of the District and it is to be hoped that the format of this Association will never change. Proof of the close fraternal ties born during the Senior Warden's year are clearly evident by the number of fraternal visits exchanged the following year.

Masonic Education was again under the care of W. Bro. Coulson Malloy, who not only visited the various Lodges distributing the printed bulletins, but assisted in arranging and guiding local Masonic Educational Meetings. A very successful District meeting was held, under Dispensation to Dufferin Lodge, at which time interesting lectures on topics other than "THE WORK" were given. A very entertaining and instructive skit on the receiving of an application and the interviewing of a prospective candidate was indeed a highlight of the meeting and was well-received by the Brethren.

District "7" has again exemplified true Masonic charity through the number of gifts of blood given to the Red Cross Blood Bank. My thanks to W. Bro. Dick Hill of St. George Lodge for the devotion and energy he gave to this humanitarian service.

Having always felt that if we are to be truly Masonic we must work consistently at, and believe in, the Brotherhood of Man regardless of race or creed, we were indeed fortunate this year in having Bro. Rabbi Jordan Pearlson, a member of Palestine Lodge, graciously accept the appointment as District Chaplain. On Friday evening, May 29th, close to 400 Masons, swelling to over 900 when all wives and friends were seated, met to worship in Temple Sinai, the home of our District Chaplain. This District Divine Service will long live in the memories of those in attendance for here was Brotherhood in reality and the message delivered by Bro. Pearlson, "Building Bridges", was indeed an inspiration and challenge to all. It was also my privilege to attend several Divine Services of various faiths under the sponsorship of the District Lodges as well as the District Services of the other six Toronto Districts. It would be fortunate indeed if more of our Brethren would take the opportunity of attending these services for the good of the Order and in so doing help to improve and clarify our image to those outside of the Craft.

Mine has been a full and happy year. I have been privileged to attend every meeting of significance held in

this District, Installations, Remembrance Nights, Investitures and Receptions and I can honestly say each was not only enjoyable but most rewarding. One such meeting was held in Ulster Lodge in January when the G.M., Most W. Bro. J. A. Irvine, was present to receive an Honorary Life Membership into Ulster Lodge and then he, in turn, presented Fifty Year medals to two charter members of Ulster, V.W. Bro. W. J. Stewart and V. W. Bro. T. A. Murphy. Fifteen members of this same Lodge also received Honorary Life Memberships for having faithfully served their Lodge for forty years.

Even as I prepare this report and reflect on the many pleasures that have been mine this past year, I look forward to one more new and exciting experience. In company with the D.D.G.M.'s of the six Toronto Districts, as well as present and Past G.L. Officers, I will be instituting Bridgewood Lodge in the town of Woodbridge. A birth is always a time of great happiness and I look forward to this evening with keen anticipation and untold joy. I would like to thank the the Brethren of Bridgewood for this honour and especially thank "Mr. Constitution" himself, M.W. Bro. E. G. Dixon, for his help and assistance in making this possible before my term ends.

Those who have held the position of D.D.G.M. are fully aware that this office can only function with the full co-operation and support of every brother and to all who have assisted I extend my thanks. Special thanks is given not only to the Masters, but to their charming wives for the wonderful hospitality, warm friendship and many courtesies extended to my wife, Mary, and myself as we enjoyed ourselves together at the various Ladies' Nights.

Finally, I would thank the District for this honour, for mine has been a signal honour. Words cannot express what a pleasure it has been to go about the District, especially with my father, W. Bro. N. J. Nixon, the District Secretary, as my constant companion. To have been sponsored into Masonry, initiated, passed, raised, invested in every office of the Lodge and then installed in the chair of K.S. by one's father is a rich and rewarding experience but to have had his counsel, guidance and close companionship during my term as D.D.G.M. is beyond mere words.

In conclusion, may I thank my predecessors for their kind and loyal support and wish for my successor a continuance of the same.

C. J. SAYLOR NIXON, D.D.G.M.

VICTORIA DISTRICT

At the Grand Lodge session in 1963 Wor. Bro. Joseph Nesbitt was elected D.D.G.M. of Victoria District. He was a member of Spry Lodge, No. 406, Fenelon Falls, having been initiated on June 3rd, 1936, and served as Worshipful Master on two occasions, in 1947 and 1950. His immediate deep interest in the teachings of the Order developed during the passing years, so that when he was honored with the office of D.D.G.M. for the 1963-64 term he was particularly well-qualified for that office.

He appointed Wor. Bro. Mel C. Lee of Spry Lodge, No. 406, as his District Secretary and Bro. Rev. M. C. Fisher as District Chaplain. Bro. Fisher was a real source of inspiration and assistance, and was presented at most of the official visits, speaking at several, and, on the occasion of the visit at Fenelon Falls, which has been held annually on Good Friday for over forty years, he delivered the address in keeping with the day.

V. Wor. Bro. G. Ken Johnson, a member of Gothic Lodge, No. 608, Lindsay, has been a student of Masonry over a period of years and had served as District Chairman of Masonic Education for previous D.D.G.M's so that he was well-qualified to continue in this field. He rendered valuable service during this term, particularly as a guiding light for the Wardens' Association, which includes officers junior to that rank, inspiring them to prepare themselves early and thoroughly for the duties and responsibilities of Worshipful Master. The results achieved have been remarkable and most gratifying.

R. Wor. Bro. C. H. Heels, Secretary of Faithful Brethren Lodge, No. 77, Lindsay, was appointed Chairman of the Blood Donors' Committee.

R. Wor. Bro. Nesbitt officially visited all Lodges in the District except Faithful Brethren Lodge, No. 77, Lindsay. His popularity was demonstrated by the particularly large following he enjoyed at every visit, taxing most of the lodge halls to the limit, but in numbers there was strength, enthusiasm, good fellowship and inspiration. He left at each meeting a truly Masonic message.

In the early morning hours of April 20th, without warning, he suffered a severe coronary attack and passed away within half an hour. A Masonic Funeral Service was attended by around 160 members and his District Chaplain, Bro. Rev. Fisher, and the Pastor of his Church at Cambray, Bro. Rev. J. A. Macartney, paid a fitting tribute to a great friend.

His sudden passing was a great shock and a very serious loss to the District in general and to Spry Lodge in particular, where he has been a tower of strength over the years and it was hoped would continue to be in the years ahead.

Our Grand Master, Most Wor. Bro. J. A. Irvine, was to have officially visited Victoria District at Cambray on April 24th, but this was cancelled.

I was appointed by the Grand Master to complete R. Wor. Bro. Nesbitt's term and officially visited Faithful Brethren Lodge, No. 77, on May 12th, and also assisted in a District Church Service held in the church of the District Chaplain at Fenelon Falls on May 24th, which was exceptionally well-attended.

Blood Donor Clinics were held on only four occasions, two in Lindsay, one at Beaverton and one at Haliburton. Members of the Craft were urged to share in this important work and, while a fair number donated blood, others gave of their time and energy at the Clinics in various ways. One group in particular that deserves commendation is the Committee appointed in North Entrance Lodge, No. 463, at Haliburton, headed by Wor. Bro. Walter Webb as Chairman. This group not only sponsored the Clinic at Haliburton on March 23rd, but, by taking up a collection among the members, paid for the Legion Hall where the Clinic was held and by a strong personal and telephone campaign extended over an area with a range of twenty miles, including Minden, they were able to have 235 persons donate blood, and of this number 26 were members of the Craft. In this rather sparsely settled area this was a tremendous response.

At the Gand Lodge session of 1963, King Edward Lodge, No. 464, at Sunderland, was transferred from Toronto District No. "4" to Victoria District. The members of this Lodge quickly became a very active group in the District and widened their friendships over a large area.

Victoria District lost two stalwarts in the persons of R. Wor. Bro. Harry S. Johnston on July 25th, 1963. and R. Wor. Bro. A. M. Fulton on February 14th, 1964. R. Wor. Bro. H. S. Johnston, a member of the Order for over fifty years, had been a member of the Board of General Purposes of Grand Lodge from 1941 to 1960, when he was made an Honorary Member in recognition of his services of over twenty years. R. Wor. Bro. A. M. Fulton, over 66 years a Mason and 60 years a Past D.D.G.M., honored and respected in every branch of the Masonic Order, lived Masonry during his lifetime and was a tremendous influence, being a most accomplished ritualist.

Eleven of the Lodges in the District own their own lodge buildings, the latest being Brock Lodge, No. 354, Cannington, which took over a former school and converted it into fine quarters as a Temple. At Lindsay a site has been purchased and it is proposed that a Masonic Temple will be constructed in 1965.

R. Wor. Bro. Nesbitt would have reported that Masonry in Victoria District was at a high standard, attendance was good and interest keen. He was particularly well-pleased with the fine support and the enthusiastic reception given him on every occasion. The number of candidates has not been large but sufficient to keep most of the Lodges active, and the overall membership of the District changed little from the previous year.

And finally, I would wish to personally pay my own humble tribute to a wonderful friend in the person of the late R. Wor. Bro. Joseph Nesbitt. The brethren of Victoria District will cherish in their hearts wonderful and happy memories of a great and good man and a brother.

G. V. GRANT, D.D.G.M.

WELLINGTON DISTRICT

With the term of my office as D.D.G.M. of the 22 lodges of Wellington District nearing its completion. I wish to express my sincere gratitude to the brethren for according me the high honour of being the Grand Master's representative for 1963-4 and for their unstinted support in the year in which it has been my privilege to serve them. Throughout Wellington District, as I visited all the lodges, it was gratifying to learn that attendances were exceptionally good and the warmth of the lodges' receptions on my official visits will long be remembered gratefully by me after an exceedingly busy but highly rewarding year. Accompanying me on these official visits was Wor. Bro. Brock B. Davis, District Secretary, who kept the district reports and financial records recording the progress being made by the lodges in Wellington District.

As in past years, the work of our Masonic Education Committee was conscientiously carried out, with its constant aim being to maintain high standards and uniformity of lodge conduct. This Committee, under the inspiring leadership of Wor. Bro. J. E. Ross Walker, consisted of Rt. Wor. Bro. Neil MacEachern, Rt. Wor. Bro. Frank L. Barrett, W. Bro. Earl Wilson, W. Bro. Fred A. Mann and W. Bro. John R. Crawford. Working with our efficient and well-organized Past Masters', Worshipful Masters' and Wardens' As-

sociation through its President, V. Wor. Bro. L. W. (Len) Lovell and their Executive, the following largely attended meetings were held:

Senior Wardens' Night, at Mercer Lodge, Fergus, with the Grand Senior Warden, Rt. Wor. Bro. L. G. Crooks, in attendance;

Lodge of Sorrow and Memorial Service, in Waterloo Lodge, with address by District Chaplain, Bro. (Rev.) James R. Weir, B.A.;

Meeting on 1st and 2nd Degree Ritual, in Waterloo Lodge, with Most Wor. Bro. Harry L. Martyn, Custodian of the Work, demonstrating and explaining the Syllabus prepared by the Committee;

Meeting on Master Mason's Degree, in Guelph Masonic Temple;

District Meeting in Guelph, addressed by Rt. Wor. Bro. (Judge) P. Stuart Mackenzie, P.D.D.G.M. of Bruce District, on "Proselytism and Democracy";

District Divine Service, was well-attended in Calvin Presbyterian Church, Kitchener, with District Chaplain (Bro.) Rev. J. R. Weir, taking as his subject, "Looking For a Sign," and with special music by Speed Lodge Choir.

At each official visit I stressed the importance of uniformity in the work, not to add or subtract from the ritual. All Worshipful Masters were very co-operative.

The senior P.D.D.G.M. of Wellington District, Rt. Wor. Bro. (Dr.) Everon Flath, Toronto, attended my official visit to my home lodge in October, 1963. Rt. Wor. Bro. J. G. A. McEwen, my other predecessor from Conestogo Lodge, was unable to attend owing to ill-health, and his passing in March of 1964 was learned with regret throughout Wellington District.

I had the honour of attending the reception in his mother lodge, St. John's Lodge, No. 209a, London, for the Grand Master, Most Worshipful Brother John A. Irvine, and the North Huron District Reception for him at Fordwich. I also had the honour of attending Grey District Ladies' Night banquet at Shelburne, addressed by the Deputy Grand Master, Rt. Wor. Bro. James N. Allan. Other highlights of the year were my visits to my mother lodge, King Solomon Lodge, Jarvis, in Brant District, Wellington Lodge, Toronto, Installation and Investiture, Toronto District "7" Divine

Service in Mount Sinai Temple; and other visits to Bruce, North Huron and Grey Districts.

Under the direction of Blood Donors' Chairman, W. Bro. Roy Dundas, Galt, last year Wellington District led all Districts in the number of donations and this year is continuing strong support of this important work.

In conclusion, I wish to state that it has been a heart-felt privilege to have worked with such a dedicated group of Freemasons, and it is my prayer that The Most High will continue to prosper our united endeavours in furthering the work of our beloved, ancient and noble institution.

G. HUBERT WALKER, D.D.G.M.

WESTERN DISTRICT

May I first thank the Grand Master for confirming my election as his representative in Western District, which has the greatest square mile area of any district in Ontario. The faith of the brethren of Pequonga Lodge, No. 414, in proposing my name, and the opportunity afforded me by the brethren of the District, in electing me to this high and important office, creates a gratitude that cannot be easily expressed in words. My only hope is that I have been able to maintain the very high principles of Freemasonry so capably demonstrated by my predecessors.

My first official duty was to appoint Wor. Bro. James P. Calder of Pequonga Lodge as District Secretary. Wor. Bro. Calder, who is well-skilled in secretarial work, accompanied me on all my official visits, and reported that the Secretaries and Treasurers of all the Lodges in the District are to be commended for the splendid manner in which the books and records of the Craft are kept. I express my appreciation to Wor. Bro. Calder for his assistance during my term of office.

I appointed, as District Chairman of Masonic Education, Rt. Wor. Bro. T. J. Thomas, who contacted all Lodges in the District to appoint Committee Chairmen to handle this work. All material on Masonic Education from Grand Lodge was immediately sent out to Lodges in the District. Rt. Wor. Bro. Thomas, who is well-skilled in Masonic Work and Education, prepares a great number of questions for our Past Masters' Shield Competition, which is open to all Lodges in Western District. This has proven to be of great assistance in advancing Masonic Education in the District.

Bro. Wm. Bodger was appointed District Chaplain, and also Chairman of the Blood Donors' Committee for Western

District. Bro. Bodger is a very strong and ardent worker in our St. Alban's Anglican Church, and has carried out the duties of Chaplain in an excellent manner. Bro. Bodger talked and worked very strongly to promote the habit of donating blood, and I know that his Committee Report on Masonic Blood Donors will bear this out. My sincere thanks go out to Bro. Bodger for his support during my term of office.

I made an official visit to each of the ten Lodges in Western District. The reception to the representative of the Grand Master was of the highest calibre. My association with the brethren throughout the District will long be remembered. During my visits, I stressed the need for more Masonic Education, which, I feel, will increase lodge attendance. I asked each Lodge to set up a committee to investigate and act upon our mutual concern for membership losses, and I would hope that such action will have beneficial results. Benevolence and the use of the Masonic Library were also stressed at these meetings. For some time I have been of the opinion that a greater number of Masons from Western District should attend Grand Lodge, and I tried to explain how my feelings for Masonry had deepened as a result of my recent attendance.

During my visits throughout the District I found the lodge work to be of high calibre and the officers very interested in establishing perfection. Lodge premises were exceedingly well-kept, and adequate fire precautions were quite evident. Members' and Past Masters' Nights are well-attended and appreciated.

The work that Most Wor. Bro. Harry L. Martyn did on his recent visit to Western District brought uniformity to the ceremony in our ten Lodges, and was very much appreciated.

My thanks go out to the various Lodges who extended invitations to attend their Ladies' Nights, and I congratulate Sioux Lookout Lodge, No. 518, which celebrated its Fiftieth Anniversary with a banquet and dance.

During the past year, we, in Western District, lost several brethren to the Grand Lodge Above. We cherish their memory in our hearts.

We are looking forward to the visit of Most Wor. Bro. J. A. Irvine, Grand Master, and Most Wor. Bro. E. G. Dixon, Grand Secretary, this fall. They will be in Kenora on September 14, and in Fort Frances on September 15.

In conclusion, I would like, through this medium, to express to the Officers and brethren of Western District my

sincere gratitude for the many courtesies extended to me during my term of office.

H. C. SKEAD, D.D.G.M.

WILSON DISTRICT

It has been a privilege to represent the Grand Master in Wilson District.

The Past Masters and Officers of my Mother Lodge, King Solomon's, No. 43, were very kind in proposing my name for this office. I wish to express my appreciation to them, the Lodges of the District, and to you, Most Worshipful Sir, for the honour of serving you.

The burden of responsibility has been eased by the careful preparation of the District Deputy Grand Masters by our Past Grand Master, M. Wor. Bro. H. L. Martyn. The small group meetings organized by him throughout the jurisdiction is a splendid method of instruction.

I have visited all of the 23 Lodges in my District, not only on the evening of Inspection, but most of them have had my presence on other occasions as time permitted. It was pleasing to note a number of improvements to lodge buildings, minimizing fire hazards. However, there are some Lodges to act upon this item as yet.

A number of Lodges held Ladies' Night, and this was an opportunity to have my wife accompany me.

I am pleased to report the work of the Lodges has been satisfactory. Some Lodges are very active and this is conducive toward excellent work. It is interesting to note the high percentage of attendance in the rural Lodges. My District Officers supported me faithfully throughout the year. Wor. Bro. G. K. Mansell carried the responsibility of District Secretary, examined the records of all the Lodges and relieved me of a great deal of correspondence. Wor. Bro. B. J. Blair, as District Director of Masonic Education, assisted me in preparing a list of capable speakers in the District on Masonic topics. This list, in turn, was mailed to each Lodge Chairman of Masonic Education. The Lodges were asked to use this list of speakers and to arrange at least one full evening on Masonic Education. We feel this idea can be used by our successors in office. The list of speakers, no doubt, can be augmented. The Articles on Masonic Education from Grand Lodge were forwarded to each Lodge.

Bro. Rev. John Davies, District Chaplain, attended most of the official visits and addressed the brethren on the

spiritual qualities of our Order. He conducted the District Divine Service with the Woodstock Masonic Choir leading the praise. A fine attendance of Masons and their families attended.

Wor. Bro. J. L. Griffith as Chairman of the Blood Donors' Committee has done Wilson District a great service. Having a good deal of organizing experience as Sanitary Inspector of Oxford County Health Unit, he has developed an excellent program. Each Lodge was asked to appoint a Chairman, who was supplied with a list of the Blood Donors Clinics in the area. Lodge Secretaries were asked to print the dates of the Clinics in the summons. The Lodge Chairman reported the number to Wor. Bro. J. L. Griffith in the north section, and in the southern section to Wor. Bro. Brock Smith, Secretary of Simcoe Lodge, No. 10.

The Past Masters' and Wardens' Association, under the Chairmanship of Wor. Bro. William Knowles, engaged speakers at their District Meetings. They also arranged a lodge visiting schedule. Each Lodge in the District visited another, usually an urban Lodge visited a rural Lodge. This is the second year this program has been arranged. It is a well-received project.

Our Grand Master visited our District three times during the year. He dedicated the new Plattsville, No. 178, Temple on Saturday evening, November 9th, 1963. On Friday evening March 20th, 1964, the Masters of year 1950 of London District were guests of King Hiram Lodge, No. 37, Ingersoll, to confer the Fellowcraft Degree. Our Grand Master, being a Master in London District in 1950, accompanied them and addressed the banquet. Wilson District tendered a Reception in his honour on April 25th, 1964, in the Ingersoll and District Collegiate Institute. His timely addresses and genuine approach to the science of building better men out of good men have found appreciative audiences.

In closing, I would like to say thank-you to our capable Grand Secretary, Most Wor. Bro. E. G. Dixon, and his assistant, Rt. Wor. Bro. George McQueen. The information gained from a year in this office does something to a man's mind to broaden it, to a man's heart to make him a better person, to a man's life to help him build upon the Great Architect's Plan.

JACK HARGREAVES, D.D.G.M.

WINDSOR DISTRICT

It is a pleasure to report that the condition of Masonry in Windsor District is on a very sound basis. On all my visits

of Inspection to the 19 Lodges in this District, the Worshipful Masters and Officers conducted themselves in the manner that should at all times be first and foremost in our Lodges, that is, with dignity.

I visited each Lodge at least twice. Once, on Inspection, and again, at Installation, except Pelee Lodge, No. 627. On my visit of Inspection to this Lodge on May 2, I had the honour and pleasure of the company of four D.D.G. Masters. R.W. Bro. G. Walker (Sarnia), R.W. Bro. M. Gray (London), R.W. Bro. C. Black (St. Thomas), R.W. Bro. C. Hodgins (South Huron) and the Grand Junior Warden, R.W. Bro. John Dargavel (Toronto). The weather was ideal and the boat trip was smooth. There were representatives from Lodges in Michigan and Ohio among the 125 who made the trip. Our Lodges are visiting back and forth in the District and also various places in the United States. These Lodges are all making return visits to Windsor District. All lodge functions appear to be well-attended.

My District Secretary, Wor. Bro. R. V. Wakeley, reports that all the Lodges are on a solid financial footing, all carry insurance and have made returns as they should.

The Chairmen of Masonic Education for the District, Wor. Bro. J. Tough and Wor. Bro. W. Dales, did an excellent job of bringing to the attention of all our lodges the most important part that Masonic Education can play in making what could be just another meeting, into a meeting of real interest, by a short talk on various subjects relating to our degrees. I wish to express to them my sincere thanks.

It is with a feeling of pride that I mention the Blood Donor Service in this District. We have had an overall increase from our high of last year and it is only because the Chairman of this very, very important committee gave so intiringly of his time, talents, and foresight that the goal that he set was obtained. I humbly thank Wor. Bro. T. Fairhurst for his labour of love. To realize just how much effort had to be put forth by this Wor. Brother you should know that he is Wor. Master of his Lodge, Border Cities, No. 554, and also T.P.G.M. of The Lodge of Perfection, A. and A.S.R., but he still found time to help where he could do the most good for so many.

Divine Services were held by all Lodges in the District and have been well-attended. The District Divine Service was held under dispensation of Rose Lodge, No. 500, and a very large number were in attendance at Giles Blvd. United Church to hear an enlightening sermon by the Rev. W. B. Johnson, B.A., B.D.

The highlight of the year was the visit of the Most Worshipful, the Grand Master, M.W. Bro. J. A. Irvine, to Windsor District on February 28, 1964. The brethren attended in goodly numbers and heard a very fine address by our always interesting Grand Master. We were very happy to host so many of the Grand Lodge Officers on this most memorable occasion.

The 21st International Night held by our District and Ionic Lodge, No. 474, F. and A.M. Grand Lodge of Michigan in Detroit, Mich., on March 16 was another night of enjoying the pleasures and privileges open to us in these two Grand Lodges. May our Brethren continue to visit for all time.

The Past Masters' and Officers' Association has had an active and successful year. The Father and Son Banquet was the BIG night and was enjoyed by all.

During my year in office I had the pleasure of presenting quite a number of Long Service Medals and Pins; two Sixty Year Pins and two Fifty Year Past Masters Medals.

It is with great sorrow we record the passing to the Grand Lodge Above of so many of our members, among whom was Rt. Wor. Bro. Hugh Cleghorn. The Rev. Cleghorn was Grand Chaplain of our Grand Lodge in 1954.

S. M. IRWIN, D.D.G.M.

REPORT OF THE COMMITTEE ON CONSTITUTION AND LAWS

This report was presented by M.W. Bro. H. L. Martyn, and on motion of the Deputy Grand Master, seconded by M.W. Bro. H. L. Martyn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Constitution and Laws begs leave to report as follows:

(1) M.W. Bro. E. G. Dixon has given notice of motion as follows:

PART I.

- (a) That Section 11 of the Constitution be amended by deleting the last sentence thereof and substituting the following therefor:
- “The Grand Master, the Deputy Grand Master, the Grand Treasurer, the Grand Secretary and the members of the Board of General Purposes, except the District Deputy Grand Masters, the Grand Wardens, the Grand Chaplain, the Grand Registrar and the Grand Director of Ceremonies, who are elected and/or appointed for one year, shall hold office for two years but shall be eligible for re-election or re-appointment.
- (b) That Section 24 of the Constitution be amended by deleting “five” in line one and substituting therefor “seven”.
- (c) That Section 33 of the Constitution be amended by adding after “appointed members” in line twelve, the following:— “of the Board, except the District Deputy Grand Masters, the Grand Wardens, the Grand Chaplain, the Grand Registrar and the Grand Director of Ceremonies, who are elected and/or appointed for one year”.
- (d) That Section 124 of the Constitution be amended by deleting “at the previous meeting” and substituting therefor “by the Board of General Purposes”.
- (e) That Section 165 of the Constitution be amended by adding after “jewel” in line four the word “button”.

There is no constitutional objection to these notices of motion by Most Worshipful Brother Dixon.

PART II.

Union Lodge, No. 118, at Schomberg, has petitioned asking that it be granted concurrent jurisdiction with all the lodges of the City of Toronto and in the Metropolitan area of Toronto. Practically all of the Lodges of the Metropolitan area have approved this application. However, three have appended conditions relating to dues and initiation fees. One Lodge has raised a rather valid objection which has given the Committee cause to examine the request and evaluate what conditions might be, if the application were recommended for approval.

The Committee feels that if this application is recommended to Grand Lodge for acceptance it should be prepared to recommend any similar requests from any lodge jurisdiction which might be a comparable distance from the centre of the concurrent jurisdiction. When this circle is put on the map we find that the comparable distance would cross the boundaries of the Ontario District on the East, the Wellington District on the Northwest and the Hamilton A District on the West.

Another feature of the map indicates that if this application were recommended to Grand Lodge we would find that True Blue Lodge, No. 98, Bolton on the West and Rising Sun Lodge, No. 129, Aurora would be by-passed. Both these lodges named are closer to the Metropolitan concurrent jurisdiction than Union Lodge is.

After careful consideration and having in mind the geographic position outlined above, your Committee recommends that this petition be not granted at this time.

Respectfully and fraternally submitted,

H. L. MARTYN,
for the Chairman.

REPORT OF THE COMMITTEE ON WARRANTS

This report was presented by R.W. Bro. W. H. Gibson, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Gibson, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a pleasure for me to present the report of your Committee on Warrants for the past year.

Five lodges are now under Dispensation, two of which have made applications for Warrants.

Your Committee has examined the records and account books of these two lodges and finds them well-kept and in order and would congratulate the two Secretaries on the neatness and efficiency of their work. Comments on their

work and constructive suggestions have gone forward from this Committee which we hope may be helpful to them. We are therefore happy to recommend that Warrants be granted to:—

- (A) Unity Lodge, U.D. Brampton, meeting in Brampton Temple, instituted January 2nd, 1964, to be numbered 710 and placed in Toronto District "1".
- (B) Progress Lodge, U.D. Toronto, meeting in East Toronto Temple (Chisholm Ave.), instituted January 29th, 1964, to be numbered 711 and placed in Toronto District "4".

The other three lodges under dispensation:—

"Bridgewood", Woodbridge,
"Trafalgar", Oakville,
"Battlefield", Stoney Creek,

were not under dispensation before April 1st and we recommend that they continue under dispensation for the ensuing year.

We would strongly recommend that the officers of all new lodges secure the assistance of the Grand Secretary's office in setting up all record, minute, and account books and registers. A great deal of research has gone into the selection of suitable types of books for the proper keeping of lodge records and accounts. The equipment recommended will enable the officers to keep permanent and accurate details of the lodge's operation in the most convenient way possible and will provide ready access and easy reference to back records in the years to come.

Your Committee would point out the necessity, when motions are recorded in the minute book, that not only the name of the Mover and Seconder must be recorded, but also it must be stated that the motion was either "Carried" or "Rejected". This is especially important in motions concerning or authorizing the expenditure of monies.

We would also recommend that the signatures of all Charter Members of new lodges be entered in the Lodge Membership Register even before by-laws have been adopted by the lodge and approved by the Grand Master. This will ensure having all the signatures of Charter Members in spite of any unforeseen circumstances.

We would remind all officers of new lodges that recommended forms and phraseology are outlined in the Book of Constitution, which will be of real assistance to the Secre-

tary in the proper wording of the minutes, and other officers in the proper wording for forms for use in the lodge.

It is important that fireproof storage be provided for the Warrant, Minute Books, By-laws and other vital records, by each lodge, as these are impossible to replace and grow in value each year. Many further suggestions which would be of real value and assistance, particularly to new Secretaries and Secretaries of new lodges, are contained in the reports of this Committee in former years and we recommend them for their consideration.

In recommending Warrants for these two new Lodges your Committee would congratulate the members of each of them on their splendid progress, and extend our sincere good wishes for a healthy growth, happy fellowship, success and prosperity.

Respectfully and fraternally submitted,

WALTER H. GIBSON,
Chairman.

REPORT OF THE COMMITTEE ON BENEVOLENCE

This report was presented by R.W. Bro. D. J. Gunn, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Gunn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to submit the report of the Committee on Benevolence for the year ended May 31, 1964.

Your Committee met in the Remembrance Memorial Building in Hamilton on June 5th and 6th to consider applications for benevolence and to receive the report of R.W. Bro. Geo. J. McQueen, Supervisor of Benevolence. There were 230 applications received as compared to 248 in the preceding year, of which 35 were new cases as against 29 last year.

As Chairman, I greatly appreciate the support and cooperation of a very strong Committee of whom all, with one exception, were present at each meeting.

Our new Grand Lodge building in Hamilton is ideally suited for such meetings from every standpoint, not only for the fine facilities but for the availability of the complete files of our Supervisor of Benevolence, R.W. Bro. McQueen.

The following is a statement of grants made during the year 1963-64:

At the Annual Communication in July, 1963, the grants approved and authorized amounted to	\$ 55,380.00
Less cancellations and refunds during the year	3,960.00
	<hr/>
	\$ 51,420.00
Interim grants (31 made during the year)	4,970.00
	<hr/>
Total grants paid	\$ 56,390.00

In addition to these, emergency grants to take care of cases requiring immediate assistance amounted to \$547.22 for the year.

The total disbursements during the year represented a reduction of approximately \$1,100.00 from the totals of the preceding year and were well within the budget provided for our Committee of \$65,000.00.

Reference has been made in the reports of this Committee in prior years of the availability of social assistance from both the Federal and Provincial governments, much of which is the result of legislation passed within the last ten years. It might be both interesting and informative to the members of Grand Lodge and other brethren as well to incorporate in this report a summary of most of the above-mentioned social benefits that are available:

Old Age Security — available to all at 70 years of age.

Old Age Assistance — available to persons between 65 and 69 years of age with a means test.

Widows and Unmarried Women's Allowance — available to women 60 years of age and over. This allowance is also available to—

- (a) a married woman whose husband is a resident of a mental institution, a chronic hospital, nursing home, or a home for the aged.
- (b) has been imprisoned for at least 6 months.
- (c) has deserted or is unheard of for 6 months or more.

Mothers' Allowances — available where there are children under 18 years of age in the care of a mother.

- (a) who is a widow.
- (b) whose husband is permanently unemployable.
- (c) deserted by a husband whose whereabouts is unknown.
- (d) divorced and has custody of the children.

Retarded Children's Allowance — which usually comes under the heading of the Disabled Persons' Allowances—available to persons 18 years of age and over.

Disabled Persons' Allowances:

Blind Persons' Allowances — for both men and women handicapped by loss of sight.

Dependent Fathers' Allowances — in cases where the father is permanently unemployable by reason of physical or mental disability. In cases where:

- (a) he lives with the mother of his dependent children.
- (b) he is a widower.
- (c) his wife has deserted him and has not been heard of for six months or more.
- (d) his wife is a patient in a sanatorium, hospital or other similar institution.
- (e) his wife is imprisoned for a period of six months or more.

All of the above sources of assistance are available through the Department of Public Welfare and in all cases, with the exception of the Mothers' Allowances, the amount of \$75.00 is the maximum amount paid per month. In all instances where the means test applies the allowance automatically includes hospitalization and medical care.

In addition to the above, some of our dependants receive assistance through the War Veterans' Allowance and the Assistance Fund provided to those and their dependents who have had service in Her Majesty's Armed Forces. This assistance is comparable in many ways to the consideration given through the above-mentioned sources provided through the Department of Public Welfare.

The matter of providing suitable accommodation for our senior citizens is receiving increased attention in recent years, and this trend will, no doubt, continue in the future. In his report to the Committee, R.W. Bro. McQueen had the following comment to make in this connection:

"As indicated there has been a slight decrease in the over-all number of applicants. This is due largely to the increased assistance and added benefits provided by the several levels of Government. While there are some cases where we are supplementing the allowance to maintain their own dwelling, it is noted that there is an increased interest on the part of our senior citizens in the accommodation available for their comfort and care throughout the Province. In such cases, this accommodation is provided for less than the amount of their monthly allowance when this is the only source of income (hospital and medical care included). Through the medium of such consideration and care a greater sense of happiness and security has been developed, thus relieving the anxiety of so many who in the past were concerned about their future welfare.

We, too, through our supplementary assistance, have shared in the satisfaction of having a small part in adding to this peace of mind."

We would again emphasize to Lodge Secretaries in particular as well as to the Worshipful Masters and Chairmen of Lodge Benevolence Committees the importance of completing in all details the forms provided for applicants for assistance from Grand Lodge. Our sincere thanks is tendered to those who have meticulously complied with this request, but unfortunately there are still some who send in the forms partially completed. A perusal of our Supervisor's files shows clearly that unfortunate delays are caused and additional correspondence is made necessary by failure to supply all the information requested on our forms. We would again urgently request the cooperation of all lodges in this regard in making applications for assistance from our Committee.

One of the most important services that can be rendered our aged or sick brethren or their dependents is the active interest of lodge members who will keep in close touch with such cases, because there is no possible substitute for such personal service to members and/or their dependents in their own community, thus assuring them that they have not been forgotten.

Your Committee again wish to express our sincere thanks to R.W. Bro. McQueen for the fine work he is doing as our Supervisor of Benevolence. His personal interest in many of those we are helping and his wise counsel not only is a source of great satisfaction to your Committee, but is extremely valuable to those whom he is endeavouring to help. On his behalf, we would also like to express thanks and appreciation for the assistance given by members of

local lodges or Boards of Relief where distances make it difficult for him to call personally and investigate.

In the course of our Supervisor's work, there are many touching cases which come to his attention and subsequently that of your Committee. None, however, is closer to our hearts or more important than rendering all reasonable assistance to aid in the education of the children of our deceased or dependent brethren. These are the citizens of the future, and it is our privilege and responsibility to see that they do not suffer from the lack of at least a reasonable education and, where possible, assistance is given to aid bright students who are endeavouring to acquire a university education.

Your Committee has considered all applications with the utmost care and recommends that the sum of \$60,000.00 be provided for benevolence in the year 1964-65.

It is gratifying to again express our appreciation of donations received during the year as follows:

Toronto District 1, Warden's Association of 1963	\$18.37
Georgian District	60.40
M.W. Bro. C. P. Seeley	10.00

We again recommend the continuance of our membership in the Masonic Relief Association of the United States and Canada.

The members of this Committee rendered great service to your Chairman by their careful consideration of each application and the valuable suggestions made as to appropriate action. I feel I would be remiss if I did not particularly mention my personal pleasure at the presence at our meetings of my predecessor as Chairman, R.W. Bro. James N. Allan, our Deputy Grand Master. His long experience in the Legislature of the Province of Ontario has given him a thorough understanding of the social legislation now available, both from Federal and Provincial sources, and his familiarity with such laws is of great value to your Committee.

All of which is respectfully and fraternally submitted.

On behalf of the Committee,

DONALD J. GUNN,
Chairman.

REPORT ON THE COMMITTEE ON PRINTING AND SUPPLIES

This report was presented by R.W. Bro. J. B. Sainsbury, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Sainsbury, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Printing and Supplies, composed of Rt. Wor. Bros. G. J. Walker, G. V. Grant, S. M. Irwin, G. R. Bartlett, E. R. Daye and the Chairman, begs leave to submit the report of expenditures coming under its jurisdiction for the year ended May 31st, 1964, as follows:

Constitutions for re-sale	\$ 2,385.00
Works for re-sale	3,019.47
Booklets on Degrees for re-sale	1,440.00
Installation Ceremonies for re-sale	317.84
Proceedings and Postage	4,458.87
Grand Lodge Bulletins (3 issues and Postage)	4,230.00
Printed forms, circulars, records, office stationery and supplies	2,921.05
Syllabus for Masonic Education (2 issues)	124.32
Fraternal Reviews (2,900)	948.22
Preliminary Reports (3,500)	1,058.94
	<hr/>
	\$ 20,903.71

The total expenditure under review is some \$4,686. more than the amount reported in the previous fiscal period but the increase is largely accounted for in the purchase for re-sale of a supply of Works and Booklets estimated to cover requirements for about three years. The Book of Constitution is reprinted annually to ensure that the latest amendments are included in the copies purchased by the Constituent Lodges. The other items in the report cover quantities comparable with those noted one year ago but the dollar figures reflect the gradual rising trend in printing costs.

Our appreciation is extended to the Chairmen of the various Committees for the prompt completion and submission of their annual reports.

The Grand Secretary and his staff are once again to be commended for the efficient and helpful service so readily available to all.

Respectfully and fraternally submitted.

JOHN B. SAINSBURY,
Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL DEAD

This report was presented by R.W. Bro. J. J. Talman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Talman, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again your Committee on Fraternal Dead is privileged to have the opportunity to express the tribute of the Grand Lodge to those of our Brethren who, since our last Communication, have rested from their labours. In pausing to pay respect to the memory of those who have gone the task before us is at once easy and difficult: easy in the knowledge that here we have unanimity and difficult because of the problem of finding words to express the thoughts in all our minds.

By naming those who attained to Grand Lodge office by election or appointment, we inevitably appear to overlook the great number of Brethren who in their own sphere, whether Lodge or District, made a real contribution. One could wish that all departed Brethren could be named singly but a cursory naming would pay them less honour than is their due and adequate recognition would be well-nigh impossible. Thus while naming a few we think of all.

Some comfort is to be derived from the fact that of the ninety-six Right Worshipful and Very Worshipful Brethren we lost during the past year five only were born in this century. Indeed, no fewer than twenty-five were born before

1880. While we recognize their loss we admit the inevitability of death and console ourselves with thoughts of the immeasurable contribution these Brethren made over many decades. The cynicism of Antony's lines "The evil that men do lives after them; The good is oft interred with their bones" has no place here. As we hear the names of our Fraternal Dead each of us will recall a particularly close relationship with one or more. All will be remembered for the good they did and tried to do.

The passing of our Brethren inevitably reminds us, as we have so often heard, to contemplate our inevitable destiny. Death must come soon or late. Therefore, let us set out our affection on things above, not on things on the earth. And as we go through life let us keep in mind what are probably William Cullen Bryant's best lines:

So live, that when thy summons comes to join
The innumerable caravan, which moves
To that mysterious realm, where each shall take
His chamber in the silent halls of death,
Thou go not, like the quarry-slave at night
Scourged to his dungeon, but, sustained and soothed
By an unfaltering trust, approach thy grave
Like one that wraps the drapery of his couch
About him, and lies down to pleasant dreams.

We record the names of the following past Officers of this Grand Lodge who have passed to the Grand Lodge Above:

These Tablet Pages
are inscribed and fraternally dedicated
in memory of
Our Departed Brethren

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

This report was presented by R.W. Bro. M. C. Hooper, Chairman. On motion of the Deputy Grand Master, seconded by R.W. Bro. Hooper, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Grievances and Appeals submits its report in the following parts:

1. ST. ANDREW'S LODGE, No. 62, versus BRO. DAVID H. YOUNG:

This case was dealt with as an emergency by the Grand Master, as mentioned in his Address at the 1963 Annual Communication, and subsequently by this Grand Lodge. The report appears in the 1963 Proceedings at page 213.

Bro. Young had been convicted of incest and indecent assault and sentenced to a term in penitentiary. The accused had been suspended by the Grand Master, and Grand Lodge confirmed the suspension and continued it until this Annual Communication, directing the accused to appear at this time to show cause why he should not be expelled. He has been so notified. He has not appeared, but has written asking for an opportunity to attend and show cause at the 1965 Annual Communication.

Your Committee, therefore, recommends that Bro. David H. Young be notified to show cause at the Annual Communication 1965 why he should not be expelled, and in meantime his suspension be continued.

2. OCCIDENT LODGE, No. 346, versus BRO. PAUL ANDRUSIW:

The report of previous action in this case appears in the Proceedings of 1963 at page 213.

Bro. Paul Andrusiw was convicted of stealing from the mails and sentenced to a term in jail. His Lodge accepted a charge of unmasonic conduct and suspended him indefinitely.

At the 1963 Annual Communication, Grand Lodge confirmed the finding and action of the Lodge and directed that Bro. Andrusiw be notified to appear at this Annual Communication of Grand Lodge to show cause why he should not be expelled. He has been so notified. He has not appeared.

Your Committee, therefore, recommends that Bro. Paul Andrusiw be expelled.

3. VICTORIA LODGE, No. 474, versus BRO. ROBERT WILLIAM NEWTON:

The report of the Committee adopted by Grand Lodge appears in the Proceedings of 1963 at page 214.

Bro. Robert William Newton was convicted in Magistrate's Court of theft and indecent assault and was placed on suspended sentence for two years. He was, in June 1963, suspended by his Lodge for unmasonic conduct for a period of one year "and until he is re-instated by Grand Lodge."

Your Committee recommended that Bro. Newton be notified to appear at this Annual Communication of Grand Lodge to show cause why he should not be expelled, suspension being continued meanwhile.

He has been so notified. He has not appeared.

Your Committee, therefore, recommends that he be expelled.

4. SUNNYSIDE LODGE, No. 582, versus Bro. WILLIAM A. CORY:

Previous dealings with this case by this Grand Lodge are recorded in the Proceedings of 1963 at page 214:

Bro. Cory was convicted in Magistrate's Court under the Criminal Code of fraud consisting of uttering forged documents. He was placed on suspended sentence with probation for 12 months. A charge of unmasonic conduct was laid in his Lodge and he was there convicted and suspended indefinitely.

Your Committee concurred in the finding of guilt and Grand Lodge at the 1963 Annual Communication accepted the report and directed that Bro. Cory be notified to appear at this Annual Communication to show cause why he should not be expelled.

He has been so notified. He has not appeared.

Your Committee, therefore, recommends that Bro. William A. Cory be expelled.

5. DORIC LODGE, No. 569, versus BRO. EARL HERBERT SLATER:

In November, 1963, Bro. Earl Herbert Slater, a member of Doric Lodge, No. 569, was charged in Magistrate's Court in London, Ontario, under the Criminal Code with theft and conversion of a sum in excess of twenty thousand dollars from the Upper Thames River Conservation Authority. He was similarly charged in respect of theft and conversion of a lesser amount from the Lower Thames River Conservation Authority and with theft and conversion from the Sydenham Valley Conservation Authority. To all these charges he pleaded guilty and was sentenced to a term of 18 months in jail on each charge, sentences to run concurrently. On appeal the sentence was increased to five years in penitentiary.

In January, 1964, a charge of unmasonic conduct was laid in Doric Lodge, No. 569, and after trial by the Lodge in March, 1964, Bro. Slater was duly convicted and suspended indefinitely. By a further ballot the Lodge recommended to Grand Lodge that the accused be expelled.

Your Committee concurs in the decision of the Lodge and recommends that Bro. Slater be notified to appear at the next Annual Communication of this Grand Lodge to show cause why he should not be expelled, and that, in the meantime, his suspension be continued.

6. PERCY N. RICHES, FORMERLY OF STRATFORD LODGE, No. 332:

The facts of this case are recorded in the Proceedings of 1957 and 1958.

In July, 1958, W. Bro. Percy N. Riches was expelled by Grand Lodge.

An application for restoration, approved by resolution of the Lodge, has now been received. Your Committee has reviewed the facts of the case and the statements of the applicant and recommends that the application be refused.

Respectfully and fraternally submitted,

M. CLEEVE HOOPER,
Chairman.

REPORT OF ADVISORY COMMITTEE ON LODGE BUILDINGS

This report was presented by R.W. Bro. Geo. T. Evans, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Evans, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

This 7th annual report of the **Advisory Committee on Lodge Buildings** covers a busy year with **very satisfactory** results.

During the year 21 lodges have sought information or have sent in their plans for our examination and approval, making a total of 116 since the inception of the Committee.

Your Committee is gratified by the number of lodges which have built, or are building new Temples, remodelling their present premises, or moving into new quarters, the better to enhance the standing of the Craft in the community and to provide more comfortable, pleasant and fire safe quarters for the brethren.

The number of improved Temples is averaging about 22 per year which is commendable, but is still a small percentage of the 406 buildings now in use, many of which are badly in need of remodelling or replacing.

NEW BUILDINGS

The new buildings erected or under way in the last couple of years range from a cost of several hundred thousands of dollars down to some costing 15 or 20 thousands, and in some cases less. But regardless of the cost, we commend those building the smaller Temples as fully as those building the large edifices, as we are quite aware that the effort and the sacrifice entailed in the smaller buildings is as deserving as that in the larger.

NEW OR ALTERED BUILDINGS

As in previous years, we again stress the necessity of lodges contemplating new buildings or alterations to existing buildings, writing to the Grand Secretary for our various

bulletins, instructions and plans before any move is made to prepare plans or set up financial requirements.

We would now add a further request, that any lodge contemplating the purchase of a building for the purpose of having it remodelled for Masonic purposes, should first have sketch plans prepared of the building, including a cross-section showing ceiling heights, also a plot plan of the property accompanied by snapshots of all sides of the building. Send these to the Grand Secretary who will pass them on to our Advisory Committee on Lodge Buildings. We will check the plans and advise the lodge whether or not the building will comply with the requirements of Grand Lodge. Do this before committing the lodge to the purchase of the property.

FIRE SAFETY

As a result of our campaign for greater attention to the fire safety of our Temples, a considerable number of lodges have taken steps to provide against the hazards of fire, but there are still too many of our Temples which are not fire safe. Some of the defects are, inside exit stairs of wood, or escape ropes hanging from windows; stairs without handrails; exit doors swinging inwards instead of outwards; faulty electrical wiring; furnace rooms lacking properly protected walls and ceilings, etc. The greatest lack is of outside steel fire escapes from lodge rooms and banquet rooms. We urge all District Deputies, Lodge Officers and members to take a careful look at the facilities for escape in the event of a flash fire or panic.

Your Committee has greatly enjoyed this work on behalf of our lodges and offer our sincere thanks for the many verbal and written expressions of appreciation we have received from so many of the lodges we have endeavoured to assist.

We solicit inquiries from all lodges contemplating building and assure them of our constant desire to offer them every assistance.

Respectfully and fraternally submitted,

ADVISORY COMMITTEE ON LODGE BUILDINGS.

GEO. T. EVANS.

Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This report was presented by M.W. Bro. H. L. Martyn, Chairman, and on motion of the Deputy

Grand Master, seconded by M.W. Bro. Martyn, it was received and adopted.

To the Most Worshipful Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Two requests for fraternal recognition have been considered by your Committee during the year that has gone by. One of these came from the Grand Orient of Italy and the other came from the Grand Lodge of Santa Catarina, Brazil. The Committee is not prepared to make recommendation on either of these applications at the present time.

We have also received a renewal of requests from the Grand Lodge of China and the Grand Lodge, Sao Paulo, Brazil. The first mentioned meets in Taipei on the Island of Taiwan and has wide recognition from the Grand Lodges in the United States. However, it has not received recognition from any of the Grand Lodges in the British Isles. The same may be said for the Grand Lodge Sao Paulo of Brazil. The Committee recommends that action be deferred on these two renewals as well.

Respectfully and fraternally submitted,

HARRY L. MARTYN,
Chairman.

REPORT OF FRATERNAL CORRESPONDENCE

M.W. Bro. R. W. Treleaven, Chairman, presented this report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by M.W. Bro. Treleaven, that the report be received and adopted. The motion was carried.

REPORT OF SPECIAL COMMITTEE ON THE MASONIC FOUNDATION

This Report was presented by M.W. Bro. C. M. Pitts, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Pitts, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

At the 108th Annual Communication of our Grand Lodge held in Toronto July 17th and 18th, 1963, the report of the Special Committee of Grand Lodge re the Masonic Foundation was presented by M. Wor. Bro. C. M. Pitts (Chairman) together with its recommendations. These required certain amendments to the Constitution to make legally possible the creation of The Masonic Foundation of Ontario by Act of the Legislature of Ontario. This report and its recommendations were unanimously adopted. Pursuant to this action, a Special Committee was set up composed of the Grand Master, the Deputy Grand Master, the Past Grand Masters, the Grand Secretary, the Grand Treasurer, the Chairman of the Committee on Audit and Finance, together with R. Wor. Bro. W. H. Gibson and Bro. Norman W. Byrne, Q.C. as legal counsel. This Committee was empowered and directed to set up a Foundation by Private Act of the Legislature of the Province of Ontario in such form and with such powers and purposes as the Committee might determine.

Your Committee has pleasure in reporting that it has discharged these duties. Bill Pr. 22 "An Act to incorporate The Masonic Foundation of Ontario" was presented to the 2nd session - 27th - Legislature, Ontario, 12-13 Elizabeth II, 1964. — The act has now received Royal Assent and is attached hereto as part of this report.

Your Committee would again record its great indebtedness to Bro. Norman W. Byrne, Q. C., and to all those whose counsel and advice were so helpful in bringing these preliminary steps of incorporation to a successful conclusion.

As the further direction of The Foundation now rests in the Directors presently provisionally named and those subsequently to be elected in accordance with the Act, your Committee respectfully requests to be discharged.

All of which is respectfully submitted.

On behalf of the Committee.

C. M. Pitts, Chairman,
R. C. Berkinshaw, Vice Chairman.

An Act to incorporate The Masonic Foundation of Ontario

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This report was presented by R.W. Bro. B. B. Foster, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Foster, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

The privilege of presenting this report on behalf of the Committee on the Condition of Masonry in this Grand Jurisdiction at this One Hundred and Ninth Annual Communication of Grand Lodge, has fallen to me.

This report is primarily a summary of the thoughts expressed by the District Deputy Grand Masters in describing the progress of Freemasonry in their respective Districts. It also includes opinions expressed by other leaders gathered during the year by your Chairman. Progress in any endeavour is always accompanied by trials and difficulties. The latter, however, help to emphasize the purposeful advance of an institution that has a strong, firm, and solid foundation.

Success in most areas of endeavour can be measured by the ability of the leader to unite and direct the work of his associates. All reports give special stress to the contributions made by the District Secretaries, the District Chaplains, the Supervisors of Masonic Education and the Chairmen of District Blood Donors' Committees. These Brethren have made effective the programs placed in their charge. Each District is indebted to these men who freely gave of their time and talents to further the cause of Freemasonry.

Each District Deputy Grand Master expresses his appreciation of the privilege of serving as the representative of the Most Worshipful the Grand Master in his District as well as for the dignified and sincere receptions accorded him at each inspection. The District Deputy Grand Master of Grey District seems to sum up the feelings of all his colleagues when he says: "If there is a motto for Grand Lodge Officers, it might well be 'Reward Through Service'. No other reward for the time and effort spent in the work of Freemasonry can compare with the satisfaction one derives from service rendered. Then, too, in the mind of every incumbent, there must exist the sincere conviction of

the need in the world today of those eternal truths that the Craft teaches. Having savoured the fruits of this rich and gratifying experience as the representative of the Most Worshipful the Grand Master, there remains the hope that I may repay this honour by continuing to be of further service to the Craft in general and to Grey District in particular."

All Lodges, to our satisfaction, continue to honour their veteran members. These, the workmen who brought our Fraternity through the depression years, kept our organization strong and vibrant in a time of great stress. Let us never fail to keep their example before us for others to emulate.

It is encouraging to find Blood Donors' Committees working in most Districts. Many individual Lodges have committees which work side by side with local Red Cross personnel, when clinics are held, in the solicitation of donors. It is wonderful to participate in such a charity, as it is a very personal contribution we give to others. Let us continue to be proud enough to let the world know of our concern for our fellowmen.

Past Masters' and Wardens' Associations continue in many Districts to be the focus of much good work done. We learn with real interest of the wide range of activities in which they participate. They contribute to the uniformity of the ritual through Lodges of Instruction, to the dissemination of knowledge by holding Masonic Education nights, and to organizing interlodge visits within a District.

Interlodge visitation is a happy and effective way to widen our friendships and experiences. It assists in reaching a uniform standard of ritualistic work and lodge procedures. As improvement in transportation facilities occurs, an increase in the number of visits across international boundaries follows, thus strengthening the ties of International Brotherhood.

Progress is said to be linked with the desire to improve the immediate standard of living. That we are moving forward is evidenced by the number of new lodge buildings constructed in the past year. Many are debt free or nearly so at the time of dedication. We are indebted to the Advisory Committee on Lodge Buildings for their care in seeing that these new quarters are adequate for the ritualistic work, and meet the specifications for the comfort and safety of the Brethren.

All Districts have a District Chaplain and most Districts held a District Church Service this year. These were well-attended and were a real inspiration to those present. Most

individual Lodges in addition held their own Divine Services. These presented an opportunity for all Masons to witness to their firm belief in the Fatherhood of God and the Brotherhood of Man. The reports also describe the important work done by the Grand Chaplain, R.W. Bro. the Rev. H. J. Snell. Your Committee extends its thanks to Bro. Snell and all the District Chaplains for their contributions to the spiritual welfare of the Brethren.

Encouraging to see is the steady growth of those Lodges which have been formed in the past few years. Several reports make reference to the fact that smaller Lodges show a higher attendance figure than the larger ones. This is not a percentage rating, according to their statements. The District Deputy Grand Master of Grey District presents these thoughts; "The interest of the Brethren in travelling to sister Lodges on the occasion of my visits was particularly noticeable among those Lodges that had smaller membership. Many of those visiting were Past Masters and Past Grand Lodge Officers. If interest in the Craft is stimulated and sustained through those who have served in office, more opportunity to serve should exist. It would seem reasonable then to recommend that, in those localities where Lodges number more than two hundred members, a new Lodge might be instituted." Your Committee is happy to say 'welcome' to Progress Lodge of Toronto, Trafalgar Lodge of Oakville, Unity Lodge of Brampton, Bridgewood Lodge of Woodbridge and Battlefield Lodge of Stoney Creek into the Masonic Family.

Many District Deputy Grand Masters describe, in glowing terms, the visits made by M.W. Bro. J. A. Irvine to their Districts. The Masons who attended were, without doubt, most appreciative of the energetic approach that the Grand Master is making to the problems of his office. His ready wit, sincere greeting and his splendid addresses have contributed greatly to the interest of the membership.

Most reports suggest that lodge finances are in a satisfactory state. The report from Toronto District No. 7 seems to sum up the general opinion as follows: "All Lodges appear to be abreast of the time with regard to their finances and have upgraded their dues and initiation fees wherever warranted." A note of mild pessimism is struck, however, by one District report, which states: "The amount of arrears of dues in some Lodges should be a cause of concern, and, while this was brought to the attention of the various Secretaries during the year, a greater effort must be made by the officers of some of the Lodges in bringing this under control."

Your Committee is assured that Masonic Education is continuing to hold its important place in lodge and district

programs. The history, philosophy and symbolism of the Craft do not change, but from many of the reports, changes have been made in the method of presentation. These changes should result in increased interest and attendance. We owe a debt of gratitude to the Grand Lodge Committee, headed by R.W. Bro. W. K. Bailey, to the District Supervisors, the Lodge Chairmen and all others who have contributed to this progress towards a membership truly educated in Masonic principles and philosophy.

A most interesting and pleasing new situation has revealed itself this year. No less than six District Deputy Grand Masters had the support and encouragement of their Masonic fathers during their term of office. There may be more, but these are the only ones reported to your Committee. It must have been a rich and rewarding experience to have had the counsel, guidance, and close companionship of a father during this period.

All reports are unanimous in affirming that the ritualistic work has been of uniform high quality. Many Lodges utilize the talents of the junior officers and members selected from the general membership. The report from Ottawa District suggests; "The Worshipful Masters, realizing the importance of encouraging our younger members, were very generous in giving Master Masons a part in the ceremonies at my visits of inspection. This practice is very refreshing and is an encouragement for future attendance and officer material."

It is well, on occasion, to consider the appeal that Freemasonry has for its members. It is equally well for some of us, whose Lodges are literally next door, to realize the distances travelled by some members to attend their Lodges and to share in the wonderful fellowship to be found there. Your Committee is happy to say that no reference is made to dwindling attendance in the reports from the Northern Districts where distances are great. We must point out that a District Deputy Grand Master in the north covers many miles in performing his duties. The Deputy for Algoma states he has travelled 3,109 miles. All who travel so much are worthy of our commendation.

All the District Deputy Grand Masters were unanimous in their praise of the guidance and instruction given to them during the year by M.W. Bro. H. L. Martyn, on the ritual and lodge procedure, by M.W. Bro. E. G. Dixon on matters concerning the Constitution, and by R.W. Bro. G. J. McQueen on problems relating to benevolence.

The District Deputy of St. Thomas District states in the closing paragraph of his report: "In summary, may I confirm that Masonry in the St. Thomas District is an active

and virile force, unified and harmonious, conscious of its responsibilities and firm in its principles. All phases of Masonic activity are being pursued under the direction of officers in the Lodge who are capable and who inspire confidence and enthusiasm in the membership. With such direction and dedication, the District will continue to be a credit to the Grand Jurisdiction of which it forms a loyal part." Your Committee believes that this statement represents, in capsule form, the condition of Masonry in the Grand Lodge of Canada in the Province of Ontario.

Respectfully and fraternally submitted,

B. B. FOSTER,
Chairman.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This report was presented by R.W. Bro. W. K. Bailey, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Bailey, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Masonic Education composed of M.W. Bros. W. L. Wright, H. L. Martyn, E. G. Dixon; R.W. Bros. B. B. Foster, J. J. Talman, E. C. Stevens, L. J. Hewitt, C. F. Marsh, J. R. Dargavel, J. O'Donovan, A. V. Chapman, A. F. Nisbet, J. J. Smith, H. J. Snell, and W. K. Bailey, as Chairman, begs to present its report to the One Hundred and Ninth Communication of Grand Lodge.

The "Syllabus of Instruction" was issued twice during the year with each issue covering a four month study period on selected parts of the History of Grand Lodge, Book of Constitution, Manual for Masonic Instructors and Students, and Grand Lodge Proceedings. The preparation of these Syllabi was entrusted to R.W. Bro. L. J. Hewitt, D.D.G.M. of Hamilton "B" District, and R.W. Bro. C. F. Marsh, D.D. G.M. of Toronto 6 District.

Your Committee is pleased to report that significant progress is being made in Masonic Education work in many Lodges especially through groups of officers and newly initiated Masons using the Syllabus as a study guide. It

definitely makes for excellent team work in instructor-student groups under the coaching and counsel of competent and skilled Past Masters.

Four bulletins of Masonic information were prepared and distributed at intervals of two months. The September bulletin was a reprint of an article, "Bread or a Stone" from the booklet "Whither are we Travelling" by M.W. Bro. Dwight L. Smith, P.G.M. of the Grand Lodge of Indiana. M.W. Bro. Smith challenged the Master of each Lodge to live up to his obligation to give the Craft and his members good and wholesome instruction by careful planning and programming by talented Masons.

The November bulletin was a copy of an address "Efficiency of Lodge Officers" by M.W. Bro. H. L. Martyn given to the Past Masters and Wardens of the 7 Toronto Districts. M.W. Bro. Martyn drew attention to the importance and necessity of each Worshipful Master being a good administrator as well as a good ritualist and of his responsibility for the training and instruction of Lodge officers and prospective Lodge officers. Since many Lodges hold their elections and installations in December and January, your Committee felt that this message from M.W. Bro. Martyn was most timely and, therefore, particularly requested that these significant observations be made available to the Worshipful Master and Wardens of each Lodge.

We are deeply indebted to our Grand Chaplain, R.W. Bro. H. J. Snell, for his article "The Church and Freemasonry" for our January issue in which he emphasized that all dedicated and conscientious Masons ought to put into practice in the fellowship of the Church, the same devotion to Brotherly Love as they are constrained to do in the Lodge.

R.W. Bro. John O'Donovan, a member of our Committee, responded to our request for some pertinent and practical suggestions for making Masonry more of a living force in Ontario. He emphasized that all too often we hesitate to help a brother or defend a cause, fearing that some one will be offended, thereby creating doubt in the minds of both Mason and Non-Mason as to the value of Masonry as a living force in our lives.

Your Committee commends the practice of many Lodges in presenting candidates with the booklets provided by Grand Lodge. However, it appears very regrettable to us that, except for some additional memory work, this seems to be the beginning and end of instruction and schooling of the newly initiated brethren. It is of paramount importance that they be given proper guidance and instruction, so that the scope of their knowledge of the usages and customs of

Masons be enlarged by a carefully planned training programme. They should be brought to an understanding of the ritual in its proper perspective as a renewed self-dedication by the brethren to the ideals and traditions of Freemasonry. The Candidate is a very important person in the ceremony of initiation. They are tremendously impressed with their first contact with Freemasonry. We ought to do everything within our means to continue to capture and hold their zeal, interest, and desire for more Masonic light and guidance.

Many brochures and suggestions of successful programmes on both Lodge and District levels have been forwarded to your Committee. We are most heartened and encouraged by the variety and originality of the carefully planned and conducted programmes for many District and regional meetings—duties of officers, administration of the Lodge, proposal of toasts at the banquet hour, observations and explanations of ritual, board of trial, investigating committees, etc. The involvement and employment of a great many brethren by the District Supervisors and Lodge Chairmen is to be particularly commended rather than for these supervisors and chairmen to be giving or doing most the work themselves. May we congratulate Eastern District for programming in November a very successful assembly of the Worshipful Masters, Senior and Junior Wardens and Lodge Chairmen of Masonic Education in separate groups for instruction in the duties of their respective offices. Perhaps we ought to hold regional meetings of District Supervisors on Masonic Education of a similar nature as M.W. Bro. Martyn convenes for the District Deputy Grand Masters. In turn the Supervisors might be encouraged to hold regional or district meetings under the supervision of the District Deputy Grand Masters to exchange ideas and to plan co-ordinated programmes for the Districts. Victoria District is to be commended for the publication and distribution of a twenty-four page booklet for the guidance and instruction of Lodge Officers and Masons newly initiated into the Craft. It was at the request of the late R.W. Bro. Joseph Nesbitt, D.D.G.M. of this district, that this project was undertaken. The sympathy of your Committee and of the Masons generally of Victoria District is extended to his family and his Lodge brethren.

Your Committee is indebted to M.W. Bro. Martyn, Custodian of the Work, for the encouragement and support which he has given our work through the group meetings with the District Deputy Grand Masters. Gratitude is extended to the Grand Secretary and his staff who arranged for the printing and mailing of the Syllabus and to the District Deputy Grand Masters for meeting our every request for communication with their Lodges.

The efforts of your Committee and all those associated in its work lie in the field of adult education, and success depends not on compulsion but interest of our members. If they are not anxious to acquire information, the educational programme will scarcely produce satisfactory results. The essential object of any teaching is to bring the student to the point that he no longer needs a teacher or counsellor. To this end we are most mindful of the self-sacrificing work that has been done by many devoted Masons under the leadership and guidance of the District Supervisors of Masonic Education during this past year.

We trust that each brother who has participated in the work has felt rewarded not only that he has helped some brother to capture or rekindle Masonic zeal but that he himself has advanced in Masonic Knowledge.

Respectfully and fraternally submitted,

W. K. BAILEY,
Chairman.

REPORT OF THE LIBRARY COMMITTEE

This report was presented by R.W. Bro. W. M. Gordon, Chairman. On motion of the Deputy Grand Master, seconded by R.W. Bro. Gordon, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Library Committee is pleased to present this 32nd Annual Report, and in doing so, they first wish to thank you for having had the opportunity of sharing in the work of this important activity of the Craft in Ontario. Our Library is, we believe, most creditable to Grand Lodge. Its housing, the contents, and its operation,—all have been maintained and enhanced since its birth in the early thirties.

There is a definite rapport between this Committee and the Committee on Masonic Education. This latter Committee formulates a plan and a path for the inspiration and guidance of the District Committees of the same name. The next links in the chain are the Lodge Committees, and it is they in particular who can create interest and desire in their

members,—senior as well as junior,—to avail themselves of the mental riches which are to be found in our books. One recalls the wise word of D'Israeli, the British Prime Minister of 1867, when he said "There is an art of reading, as well as an art of thinking, and the art of writing." Reading and study will enrich the mind of every Master Mason; and in time, who knows, perhaps we may find writers among our numbers. The Craft needs a continual supply of well-informed, thought-provoking penmen. The store of knowledge housed in the Library must be kept well-supplied and supported if it is to continue not only to provide food for those who seek more light in Masonry, but also to enable those who so desire to learn something more than the mere formula and phrases of the ceremonial. All members of the Craft should be persuaded to read the history and study the philosophy of Masonry.

During the summer months each year great numbers of visitors come to our City from the neighbouring Republic and many of them belong to the Craft. Almost every week there are those who ask to see through our Temple at 888 Yonge Street. Our Librarian is always pleased to show them around, and invariably these visitors are very complimentary when shown our Library. You may be sure that a good message goes back to their respective Lodges. But our Library has something more to it than a dignified, pleasing appearance. The following figures will give some indication of its usefulness throughout the year:

Books loaned out to Toronto borrowers	306
Books loaned outside of Toronto	147
Letters written in reply to enquiries	173
Visitors registered in our book	946

The foregoing are for the 12 months of the current Masonic year.

There is, however, one aspect of our work which does cause us some concern, and that is, delay in return of books. We lose entirely a number of books each year. Some of the reasons—the borrower has moved from Toronto, taking the book with him; the borrower has loaned the book to a friend, and neither he nor the friend have taken the trouble to see to its return; the borrower may have passed away and the book borrowed disappears among his possessions, and those left with his possessions, did not recognize the necessity of the return of the book. Probably the larger number of books lost have been mixed with others in a book-case, and the good intention to return them is definitely not implemented. The net result of the failure to return a book is that the wishes of other would-be borrowers cannot be satisfied. Your Committee hopes that these few sentences may lead to action on the part of those delinquent.

For those who would like to be in touch with publishers of top quality Masonic reading, it must be mentioned that membership may be obtained, for a small fee, in the Correspondence Circle of a Research Lodge. These are unusually good.

- (a) Quatuor Coronati Lodge, No. 2076
Secretary, Harry Carr, 27 Great Queen St., London,
W.C.2.

Local Secretary, John Taylor, Morrison Rd., Oakville,
Ontario.

- (b) Lodge of Research, No. 2429
Secretary, G. G. Powell, 90 Barbara Ave., Humberstone, Leicester.

Your Committee joins with the other Committees of Grand Lodge in its desire to express its sorrow on the passing, during this Masonic year, of R.W. Bro. Joseph Nesbitt, of Cambray, the District Deputy Grand Master of Victoria District, and its sympathy to his family. It also desires to make grateful mention of the work of R.W. Bro. George V. Grant, of Kirkfield, in the discharge of the duties of the late R.W. Bro. Nesbitt.

At the risk of embarrassment your Committee desires to record its grateful appreciation of the work of R.W. Bro. Arthur E. MacGregor, not only during the Masonic year just past, but for the many prior years in which he has rendered such distinguished and dignified service to the Craft in his capacity as Librarian.

In closing, your Committee desires to record its thanks to all the patrons of the Library over the past year. We hope that they will continue their interest, and it is our hope that many more will enter the Library portals in the months to come. We know the results will be worthwhile for it is as true today as when Cicero, that noble Roman, said two thousand years ago,—“As a field, however fertile it may be, cannot be fruitful without cultivation, neither can a mind be fruitful without study and learning.”

Respectfully submitted,

WILLARD M. GORDON,
Chairman.

REPORT OF BLOOD DONORS' COMMITTEE

This report was presented by R.W. Bro. G. E. Turner, Chairman, and on motion of the Deputy

Grand Master, seconded by R.W. Bro. Turner, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present the report of the Blood Donors' Committee for this Masonic year.

There has been a great increase in the interest shown in this Committee during the past year. The number of donors reported, increased to 7,622, which compares very favourably with 6,732 reported last year. Following is a list of Districts, and the number of donors reported from each District, compared with the previous year.

Prior to considering the above table, I would like to make some general comments. For the first time, every District Deputy Grand Master answered my appeal and appointed a District Chairman. I would like to extend my sincere appreciation to each for his interest in this work.

In 12 of the 38 Districts, the Chairman for the past year again consented to chair the Committee for the present year and I wish to convey my thanks to them and hope that they will see fit to continue next year. There was an increase of donors in 25 Districts, a decrease in 10 Districts and no report was sent in from 2 Districts.

Again, Nipissing West District, under the Chairmanship of W. Bro. William J. C. Noble, who has held this position for several years, had the largest number of donors, and the Committee again noted that every one of the nineteen Lodges reported. I hope that W. Bro. Noble will accept our sincere congratulations.

Victoria District, under the able Chairmanship of R. Wor. Bro. Charles Heels, again did an outstanding job of getting blood donors to the Red Cross Clinics from their wide-spread District. Wor. Bro. Walter Webb and Wor. Bro. Dr. R. M. Parker assisted the Chairman a great deal and to them goes much of the credit for the success in this District.

The Committee would like to pay particular attention to Rt. Wor. Bro. Gordon Matthias of Bruce District, W. Bro. Fred Scott of Hamilton "A" District, Wor. Bro. W. J. M. Fuller of London District, Wor. Bro. Robert C. Taylor of Ottawa District, Wor. Bro. James Manuel of Toronto Dis-

trict "5" and Wor. Bro. Tom Fairhurst of Windsor District for their untiring efforts in this great humanitarian work and to wish them success again next year, if they continue as Chairmen.

We extend our sincere thanks to all the Chairmen who have worked so diligently this year in having so many donors register with the Red Cross. I do hope that they have derived some sense of satisfaction from a job well-done.

Finally, our appreciation is extended to the Grand Secretary and his staff for all the assistance rendered this Committee this year.

Let us all remember that donating blood affords us an opportunity of practicing that greatest virtue of Masonry—Charity. It costs us nothing but a little time and yet it may mean so much to one who is in dire need of assistance. In this way we can truly exhibit our belief in the Brotherhood of Man and the Fatherhood of God. Again, let me beg of you to report each and every donation so that we may have another good showing next year.

GRAND CHAPLAIN'S REPORT

This report was presented by R.W. Bro. H. J. Snell, Grand Chaplain, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Snell, it was received and adopted.

To the Most Worshipful, the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It has been a personal pleasure and a high privilege for me to serve as Grand Chaplain of the Grand Lodge of Canada in the Province of Ontario for the year 1963-64. As a member of one of the younger and smaller lodges of our Order, it has brought honour to them and to me.

I assumed that one of my duties would be to contact, by letter, each of the District Chaplains on their appointment. This I accomplished in the early fall. It is my pleasure to report that each District appointed a Chaplain and that these were announced to me by the District Deputies. I have been invited to several District Services and have had reports from others. For the most part these have been well-attended and have been inspirational gatherings in every way. As well as these District Services there have been church parades of single or several lodges. Some of these I have been able to attend and have been happy to take part.

It has been an inspiration to travel around the western part of the Province in fellowship with the Grand Master and other members of Grand Lodge. Whenever possible I attended the Receptions tendered the Grand Master. I came to respect the healthy state of Masonry and the unbounded enthusiasm for its tenets by those who call themselves Masons. It was a thrilling experience to take part in the Consecration and Constitution of one new lodge and the Dedication of several Masonic Temples. To share with my brethren of Grand Lodge and of every lodge, both large or small, has been an unforgettable experience.

There have been times, of course, when distance and time have presented too great a demand on my work in a very busy pastorate. On these occasions I have asked for the help of others more favourably situated. For these

many kindnesses of my brethren, I wish to say a grateful "thank you".

Masonry can never be conceived of as a religion and it does not claim to be such, but it does welcome its members from many religions. It is, therefore, incumbent upon us to attend and support the church of our choice; nothing can take the place of this blessing. If we are faithful to the principles of Freemasonry, God will be at the heart of our lives as He is central to our lodges.

The proud boast of Masonry is that it can take a man, just as he is, and by its teachings and principles make a better man out of him. This actually occurs and many of us have beheld it happen. This is exactly what the church claims and has claimed for centuries as its distinctive contribution to mankind. Religion and Masonry, then, are able to work hand in hand. By and large it is safe to say, "the good Mason is a good Churchman".

If we are prepared to work at our Masonry without one thought of the sacrifice, if we are ready and willing to witness by the way we live, that our steps are straight, our dealings with one another on the level and our thoughts pure and upright, then we will have fulfilled the goal of all our yearning. We will have gained the summit of our upward climb in life, and we will dwell in the abode where Faith and Hope and Charity are not mere words, but the daily expression of our human progress.

All of which is respectfully and fraternally submitted,

HAROLD J. SNELL,
Grand Chaplain.

DISPOSAL OF NOTICES OF MOTION

The Grand Secretary presented the following amendments to the Constitution after explaining the reasons for such amendments. On motion of the Grand Secretary, seconded by M.W. Bro. W. L. Wright, they were adopted unanimously:

- (b) THAT Section 24 be amended by deleting "five" in line one and substituting therefor "seven".
- (c) THAT Section 33 be amended by adding after "appointed members" in line twelve, the following—"of the Board, except the District Deputy Grand Masters, the Grand Wardens, the Grand Chaplain, the Grand Registrar and the Grand Director of Ceremonies, who are elected or appointed for one year".

- (e) THAT Section 165 of the Constitution be amended by adding after "jewel" in line four the word "button".

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

This Report was presented by R.W. Bro. R. C. Berkinshaw, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Berkinshaw, the Report and the recommendations contained therein were received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Grand Treasurer's Report, the Auditor's Report attached thereto and the Report of the Grand Secretary for

the year ended May 31, 1964, as submitted to this Annual Communication of Grand Lodge, have been reviewed by the members of the Standing Committee on Audit and Finance.

This Committee finds that these reports fully and accurately set out all details relative and pertaining to—

(a) the financial position of this Grand Lodge for the year ended May 31, 1964

(b) all items of Receipts and Disbursements in respect to the General Fund, the Memorial and Semi-Centennial Funds

(c) All transactions and changes in the Capital Account which have occurred during the year under review

(d) complete schedules of the securities in which Grand Lodge assets were invested as of the above mentioned date.

Your Committee makes the following observations on certain subject matters covered by these reports:

The par value of the above mentioned securities, as of May 31, 1964 was \$1,560,352.42. Cash on Hand and in the Bank amounted to \$12,823.68, making the total of all resources \$1,573,176.10, an increase of \$57,024.78 over the corresponding figures of a year ago.

All the securities in which Grand Lodge funds are presently invested are in the category of Trustee investments with the exception of Series "A" and Series "B" 5% Debentures of Masonic Holdings. These were acquired under specific authority of Grand Lodge (see 1956 Proceedings pp 184-6 inc., and 1959 Proceedings p. 208).

The par value of such debentures in the General Fund Investment Account, as of May 31, 1964, amounted to—

Series "A"	\$300,000.00
Series "B"	40,000.00
Total	<u>\$340,000.00</u>

This total reflects the redemption by Masonic Holdings of \$22,000.00 of its outstanding debentures during the year under review; also the redemption of debentures to a par value of \$52,000.00 since the original issue. This creditable showing is a result of the policy which has been adopted by Masonic Holdings of redeeming its debentures as and when funds are available for such purpose. All the securities of Grand Lodge, with few exceptions, are registered as to

principal and interest and are held by The Canada Permanent Trust Company, Toronto, its duly appointed custodian.

Total receipts for initiation fees, dues, commutations, interest on investments, etc., amounted to \$223,003.54, being approximately \$8,400.00 in excess of the forecast submitted by this Committee a year ago. On the other hand, total disbursements from the General Fund amounting to \$161,473.83 were \$33,834.66 less than the estimates. The main reason for this unusually wide discrepancy was an under-estimate of the amount of interest and accrued income in the Memorial Fund available for benevolent grant requirements during the past year. As a result, only \$18,291.44 was disbursed on this account from General Fund vis-a-vis an appropriation of \$42,000.00 in last year's budget. This will not recur. Otherwise, expenditures have been, generally, well in line with the approved budget and a strict control of all disbursements has been carefully maintained.

According to the audited statements attached to the Treasurer's Report, grants for benevolent purposes amounted to \$56,696.44, slightly less than benevolent grants for the previous year; also \$8,300.00 less than the estimates submitted by the Committee on Benevolence at the last Annual Communication of Grand Lodge. These reduced disbursements on benevolent account reflect the constantly diminishing trend in the number and nature of cases of need or distress amongst Masons and/or their dependents in this Jurisdiction—a condition created by and coincident with the existing system of social security benefits supported by taxation, which has relieved this Grand Lodge to a substantial degree of many obligations which it would otherwise be required to assume.

Estimated requirements for benevolent grants for the current year amount to \$60,000.00. This Committee, therefore, recommends that an appropriation of \$40,000.00 for this account be made out of the General Fund. The interest and income funds which will be available from the Combined Memorial and Semi-Centennial Funds (estimated at \$23,000.00) will be more than sufficient to provide the balance required in meeting Grand Lodge obligations in this respect in accordance with the recommendations of the Committee on Benevolence. The budget submitted herewith provides for this appropriation. Nevertheless, under the provisions of Section 119 of the Constitution (as amended in 1963) the Board of General Purposes must now provide for the payment of funds up to this amount out of the General Fund to the Memorial Fund by specific resolution, directing the same to be applied by the Committee of Benevolence towards grants for benevolent purposes.

We take this opportunity of again expressing our appreciation and paying a well-merited tribute to the Chairman and members of the Committee on Benevolence, especially to the Supervisor, R.W. Bro. George J. McQueen, for the kindly, conscientious and considerate manner in which these important Grand Lodge activities and responsibilities are administered.

Since THE MASONIC FOUNDATION OF ONTARIO has now been incorporated by Act of the Legislature of the Province of Ontario (Pr. 22 - 1964) and, following the inaugural meeting of its members at this Communication, will be duly established and organized to function in the fulfilment of the aims, objectives and purposes for which it has been incorporated, the appropriate officers of this Grand Lodge are now directed under the provisions of paragraph 6 of the resolution authorizing the establishment of a charitable trust or foundation which was unanimously adopted at the last Annual Communication of this Grand Lodge (1963 Proceedings pp. 233-4) to transfer to the said Masonic Foundation of Ontario the amount of \$160,357.29 which has been accumulated in the General Fund account of Grand Lodge and is available for benevolent purposes only. However, this Committee recommends that \$100,000.00 of this sum be transferred to the Foundation as an absolute and indefeasible gift under such terms and conditions as will ensure that this property or any property substituted therefor is to be held permanently by the Foundation for the purpose of gaining or producing income therefrom.

Your Committee recommends that Grand Lodge approve the nine special donations made under the authority of the Grand Master and itemized in the audited statements submitted by the Grand Treasurer, namely:

St. John Ambulance — Ontario Council	\$ 500.00
The Salvation Army	500.00
Canadian Cancer Society — Ontario Div.	500.00
Canadian Heart Fund — Ontario Division	500.00
Ontario Society of Retarded Children	500.00
Ontario Society of Crippled Children	500.00
Boy Scouts — Ontario Division	400.00
Girl Guides — Ontario Division	400.00
Canadian Institute for the Blind	200.00
Total	\$4,000.00

These are all worthy causes and merit the support of the Masonic Order in this Jurisdiction.

This Committee has reviewed the conditions of insurance coverage placed by Grand Lodge and presently in

effect, as evidenced by policies in the possession of the Grand Secretary and is satisfied that the property of Grand Lodge, wherever it may be situated, is adequately covered for loss by fire, theft or other hazards. Under this item, we are pleased to report that due to favourable experience, there will be a substantial reduction in the three-year premium for Contingent Liability coverage on renewal of the contract this year.

In its review of matters covered by this report, your Committee has received the fullest co-operation and assistance from the Grand Secretary, the Grand Treasurer and the Auditor, and formally recommends the adoption, without amendment, of the reports submitted by the above mentioned officers, who are to be commended on the conscientious and faithful performance of their duties. The interesting and informative statements which they have presented deserve the thoughtful consideration of all Brethren in this Jurisdiction.

This Annual Communication marks the retirement of V.W. Bro. H. F. Vigeon, who has faithfully served as Auditor of Grand Lodge accounts for a period of over forty years. We extend to him our grateful appreciation of the careful attention he has constantly devoted to the accounting details of Grand Lodge financial affairs.

The increased volume of matters, financial and otherwise, handled by and centering in the Grand Secretary's office prompts the Committee on Audit and Finance to suggest that favourable consideration now be given to closing the accounts of Grand Lodge on the 30th day of April in each year instead of the 31st day of May as provided in Article 117 of the Book of Constitution, to allow more time for the preparation of financial statements, reports, etc., which must be presented to the Annual Communication in July each year. If Grand Lodge should approve this proposal, Article 117 would require amendment and possibly some related provisions of the Constitution; also corresponding amendments to the By-laws of Masonic Holdings and of The Masonic Foundation of Ontario would be advisable so that the fiscal year of both these bodies would coincide with that of Grand Lodge. Reports for the year immediately following the change would cover an eleven instead of a twelve-month period for comparative purposes. However, your Committee assumes that this condition could be readily explained and should not present any serious complication.

In accordance with Section 101 of the Constitution, your Committee now submits for consideration and approval of Grand Lodge an estimate of Income and Expenditures, in respect to the General Fund for the year ending May 31, 1965:

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present the Report of the Committee on Fraternal Correspondence. Following the practise of many years, I merely intend to read the Foreword to the whole Report, which really consists of the Reviews of the Masonic activities of those Grand Lodges throughout the world with whom we are in fraternal relations. Your Committee is greatly indebted to R.W. Bro. James J. Talman of London, who has carefully analyzed the Proceedings of all the Grand Jurisdictions and has summarized, in each case, those items which are of particular interest and importance.

Your Committee sincerely hopes that every Member of Grand Lodge will carefully read all the Reviews. They are published at considerable expense—an expense which is not justified unless the Reviews are extensively and carefully studied. When they are read, however, they provide a rich harvest of information on the progress, the problems, the activities and the accomplishments of world-wide Masonry.

On the subject of printing the Reviews see the discussion in the Review of Iowa.

It may not be amiss to repeat a quote from the Review of Kentucky—"In reviewing the work of our contemporaries we somehow feel a closer Masonic Fellowship with all who so diligently strive to provide facts of value to brethren in all sections of the world." See also the remarks on the same subject in the Review of Mississippi.

Many Grand Lodges again report a drop in membership. It is interesting to note an explanation given in the Review of Quebec—"Deaths accounted for the greatest loss." When we remember how great was the number of Masons who joined in the years immediately following World War I and we realize that, if such members are still living, most of them must be in the "sere and yellow leaf of old age," it is not difficult to understand that death is taking a heavy toll among Masons.

Masons intending to visit the World's Fair in New York will note, with great interest, the proposal by the Grand Lodge of New York for the erection of "a Masonic Brotherhood Centre at the World's Fair, where members of our fraternity and their families, our veterans and all others,

Masons and non-Masons alike, may find an oasis of brotherhood in a world of industrial, scientific and material advance." The proposal was unanimously approved and has since been carried out.

One of the most thought-provoking yet inspiring Reviews is that of the Grand Lodge of Washington. The question of candidate indoctrination and officer education and capability is discussed. Is the pomp, pageantry and entertainment of Masonry being over-emphasized at the expense of the appeal to the highest instincts and aspirations of thinking men in their quest for a better way of life for all mankind?

The problem of dual memberships is discussed under Oklahoma. It is not a problem which creates any great difficulty within our Grand Jurisdiction where dual memberships are permitted but it is a very real problem in many of the Grand Jurisdictions in the United States.

It is interesting to note that the Grand Lodge of Alberta has created a Charitable Trust or Foundation as has our Grand Lodge. In the administration of the Alberta Foundation great emphasis is being placed on the Higher Education Bursary. On the question of Bursaries see also a very full discussion in the Review of British Columbia.

Your Committee would like to think that this brief Foreword has emphasized enough of the topics mentioned in the Reviews to stimulate the interest of all the Members of this Grand Lodge to the point where the Reviews will all be carefully read.

Respectfully and fraternally submitted

On behalf of the Committee,

R. W. TRELEAVEN,
Chairman.

Fraternal Correspondence and Reviews

ALABAMA—1963

143rd Annual Communication — November 19-20

Grand Master, 1962-63 — M.W. Bro. P. R. Graham
Grand Master, 1963-64 — M.W. Bro. W. Wallace, Jr.

Lodges, 436. Membership, 75,227. Loss, 761.

Three hundred and seventy lodges were represented at the Communication. Two lodges failed to be represented in Grand Lodge for the second successive year and according to the Alabama Masonic Code their charters were declared forfeited.

The Grand Secretary reported a particularly active year in clearing up old records which will be valuable for historians of the Grand Lodge.

The Grand Historian, newly appointed, gave a brief account of the beginnings of the Grand Lodge. He reported that the Alabama Masonic Home was first proposed in 1868. It was not opened until 1913, a date which shows that the institution is now over fifty years old.

ALBERTA—1963

58th Annual Communication — June 12-13

Grand Master, 1962-63 — M.W. Bro. W. L. McPhee
Grand Master, 1963-64 — M.W. Bro. S. H. Hardin

Lodges, 174. Membership, 19,357. Gain, 27.

The Jurisdiction has three lodges under dispensation. One, Polaris Lodge, is located at Fort Smith, North West Territories. The Grand Master stated: "At my request V.W. Bro. K. A. Philpott, accompanied by a large number of Brethren from Yellowknife, instituted this lodge on September 22, 1962. The Brethren of Yellowknife Lodge have been very keen to have another lodge 'near' them and although this means a couple of hours flying time, they are actively supporting Polaris, which is roughly 600 air miles north of Edmonton."

The addition of another lodge in Calgary brings the number in that city to twenty. A new lodge is planned in

Edmonton which will bring the number there to twenty-two. The Grand Master says: "I am firmly convinced that our members will find that smaller lodges give much greater opportunities for service."

Two new lodge halls were opened, at Whitecourt and Castor.

In view of the great development in our own Grand Jurisdiction in increasing the scope of Grand Lodge Benevolence by creating a Charitable Trust or Foundation, the Higher Education Bursary of Alberta takes on added interest. Of the programme, the Grand Master said: "The one tangible project of our Grand Jurisdiction is the Higher Education Bursary. In the old land there are the Masonic Boys and Girls Schools and in the United States and in Nova Scotia there are the Masonic Homes, and in Alberta we have the Higher Education Bursary, the one great project to assist the young people of the Province to obtain an education. We had an excellent discussion at our meeting last year and the details of the fund were explained on a great many occasions by Grand Lodge Officers. I am grateful to the editor of our Bulletin, M.W. Bro. S. Carl Heckbert, for his assistance in making the November issue a Higher Education Bursary issue. I proclaimed the month of November as Higher Education Bursary month and the matter was placed squarely before the membership. I am very pleased to note that during the financial year \$12,625.15 was subscribed, a fine increase over previous years and I urge you to appoint a brother in each lodge who will make it his responsibility to present the needs of the Fund to the brethren once in every year."

No fewer than eighty-four fifty year jewels were presented. It is gratifying to learn further that many of the recipients are still very active.

During the year the Grand Lodge unfortunately lost three Past Grand Masters. M.W. Bro. Cruikshank (1927-28), M.W. Bro. Bond (1950-51), and M.W. Bro. the Reverend Peter Dawson (1954-55). The loss was severe as their counsels were often sought by those who followed them. Their birthplaces illustrate something of the history of Alberta. They were born in Ontario, Massachusetts and Scotland, respectively, in 1877, 1895 and 1892. The roll of deceased, elected and appointed officers likewise reveals how much Alberta and the Grand Lodge of Alberta owe to those who migrated to the Province. Of their places of origin, Scotland led with eight, Ontario followed with seven, and England with four. Saskatchewan, Denmark, Ireland, Prince Edward Island, the British West Indies, Nova Scotia, the United States, Norway and Switzerland all provided at least one. The Grand Lodge must have benefitted greatly from

the wide range of world knowledge reflected in these active officers.

Twenty District Deputy reports show that these officers were earnest and zealous in their efforts. The thirty-six pages which these reports cover give a clear picture of the excellent condition of Masonry in Alberta.

ARIZONA—1963

81st Annual Communication — April 22-23

Grand Master, 1962-63 — M.W. Bro. C. C. Ford

Grand Master, 1963-64 — M.W. Bro. W. R. Bourdon

Lodges, 60. Membership, 12,942. Gain, 180.

The Grand Master in two and a half years, visited every lodge in the Jurisdiction.

Ever since its organization in 1882 the Grand Lodge has ruled that the minimum initiation fee should be \$50. Only one lodge sets this amount. The present schedule runs from \$60 to \$135. The Grand Master recommended that the minimum fees be set at not less than \$125. The record in the Jurisdiction has been that the lodges with the highest fees have the largest number of petitions.

The Committee on Masonic Service and Education made clear the need for a series of readings for candidates tailored to the needs of Arizona Masons and Arizona rituals. The members of the Committee, in their outspoken comments on the present system, reveal a sound comprehension of historical principles.

"The section on the historical background of Free Masonry poses an unusual problem. Some of the systems now in use have historical sketches which reflect the views of popular Masonic writers of the nineteenth century. Some of these views seem to have been derived from source material than from some sort of inner consciousness. The result has been that some of the historical sketches given to candidates give an impression of a cohesion and continuity to our operative forebears for which there is scarcely any evidence at all. Couched in whatever cautious language we believe that misleading material should be avoided as totally unfair to the candidate, to whom we owe a duty of complete candor and honesty."

Until a distinctly Arizona system has been prepared, approved, and printed, the Committee recommended that

constituent Lodges be authorized to use the Minnesota system which has been in use for many years in Arizona.

M.W. Bro. B. E. Marks, Grand Master 1937-38, in a brief address, told something of the history of the work in Arizona. The Grand Lodge was formed by four lodges which had received charters from different jurisdictions. Consequently, one can assume that all contributed something. Aztlan Lodge No. 1, of Prescott, Arizona, which entered the Grand Lodge after it had been formed, received its charter from California, which had adopted much of the work as it existed in Missouri. Missouri, in turn, had derived its work from Tennessee, which, of course, went a long way back. These reviews, further on, record that the Grand Lodge of Tennessee held its 149th Annual Communication in 1963.

ARKANSAS—1963

122nd Annual Communication — November 19-20

Grand Master, 1962-63 — M.W. Bro. Q. D. LaFargue, Jr.

Grand Master, 1963-64 — M.W. Bro. F. A. Smith

Lodges, 379.

Membership, 54,158.

Loss, 500.

The Civil War Centennial Committee reported that their duties had been completed with the dedication of a marker honoring the memory of those Masons who had served during the Civil War. The marker, erected at Washington, Arkansas, where the Grand Lodge met in 1863 and 1864, was presented to the State.

Arkansas Research Lodge No. 739 contributed four pages on symbolism and items from the history of the Grand Lodge.

The List of Deceased Past Grand Masters gives, for each entry, the year of election, place and date of birth, occupation, death date and burial place. Originally the compilation must have taken much effort, but now, of course, can be readily kept up to date. Interestingly enough, the list reveals that no fewer than twenty-nine of the seventy-eight Grand Masters named were lawyers. Otherwise, the average of each occupation or profession seems to have been about seven.

BRITISH COLUMBIA—1963

92nd Annual Communication — June 20-21

Grand Master, 1962-63 — M. W. Bro. D. M. Taylor

Grand Master, 1963-64 — M.W. Bro. H. P. Rutter

Lodges, 167.

Membership, 27,128.

Loss, 1.

For the first time in many years the Grand Secretary reported a "small" decrease. The figure actually was one.

The reports of the District Deputy Grand Masters, twenty-five in number, once again reflect the serious way in which these officers undertake their duties. R.W. Bro. Hilliard, of District No. 3, was of the opinion that there were too many rituals in use in British Columbia. There are three in his district and he understood that there are three others in use in the Jurisdiction. He also could not see why there should not be one installation ceremony instead of two. Under the circumstances a District Deputy can find himself at a loss on some occasions.

R.W. Bro. A. P. Crawley, of Prince Rupert District No. 12, wrote:

"District No. 12 is unique among British Columbia Districts in the geographic area it covers. Enoch Lodge at Stewart, the most north-westerly location, is 375 miles distant from both Ocean Falls in the south and Smithers in the east. To carry out the visits to the five Lodges outside of Prince Rupert it necessitated travelling by air, steamer, train and automobile a distance of over 2200 miles — 2200 miles of the most beautiful country the eye can behold and the reward of each visit was immeasurable. The gracious hospitality and the exemplification of Masonic Brotherhood made the miles seem minute."

The Grand Lodge annually offers bursaries which range from \$200 to \$500 each, with preference given to sons, daughters, and legal wards of active members of Masonic Lodges in British Columbia, or of deceased members who were active members at the time of their death. The bursaries are tenable at the University of British Columbia or Victoria College, and the selection is made by the University. Fourteen students shared \$3,400 during the year under review. The task of selection was difficult as there were eighty applicants. The Board of Trustees of the fund recommended a campaign to raise a capital fund of \$200,000 to put the project on a sound financial footing. The proposal was approved and the campaign is successfully under way.

The Committee on Fraternal Correspondence, as usual, did a piece of work which any reviewer might envy. In commenting on the record of losses over gains in many jurisdictions the members of the Committee pointed out: "Jurisdictions in which an effort has been made to counteract excessive demits and suspensions by providing light entertainment have not made an improvement apparent in their statistics." They added their own appraisal which does appear to have a great deal of merit. "Our own idea

is that Freemasonry is intended for men of a serious and contemplative turn of mind,—men who thoroughly enjoy the pleasure of fraternal and social intercourse, including a period of jollity within the bounds of good taste, after the Lodge has concluded an agenda of reasonable length, including some effort at Masonic education or the conferral of one dignified degree. Further, in our humble opinion, the Lodge with the greatest vitality is usually composed of Brethren who may be of various degrees of education and culture but whose association extends into daily life. If each rejoices in the prosperity and well-being of his brother and lends a helping hand in his time of adversity, the Lodge will not need any novel means of maintaining good attendance and attracting good candidates.

"This brings us to a realization of the manifest benefit to be derived from more and smaller Lodges, coupled with good leadership."

COLORADO—1963

102nd Annual Communication — January 22-23

Grand Master, 1962-63 — M.W. Bro. E. Latimer

Grand Master, 1963-64 — M.W. Bro. C. L. Bartholic

Lodges, 168.

Membership, 47,286.

Loss, 46.

The Grand Master made two proposals, among others, which were not considered at this time. The first was that a certain percentage of the Benevolent Fund be lent, at a rate of interest comparable with that received from other investments, to constituent lodges in need of expansion or improvements in their lodge facilities.

The second recommendation, the Grand Master himself admitted was "probably as controversial a matter as could be brought up in a Masonic meeting in Colorado." He felt, however, that the matter should be brought out into the open. There is a question in every petition for a Blue Lodge to the effect, "Are you engaged in any manner in the liquor traffic? Do you agree not to become so engaged in the future?" The Grand Master suggested that these questions are "as outmoded as the horse and buggy" and serve no useful purpose. He recommended that the "alcohol clause" be removed and the matter of Masonic fitness be left to the ballot box.

The Grand Lecturer put in a full year. He visited 109 lodges and twenty-four district schools of instruction, as well as several other meetings. In the performance of his duties he travelled over 25,000 miles.

The Committee on the Centennial Celebration reported a surplus of over \$13,000 after all disbursements had been made. The Committee recommended and the Grand Lodge approved that this sum be set aside as the nucleus for a proposed Grand Lodge building.

For many years the Custodians of the Work, as well as other Masons, have been concerned over innovations which seem constantly to enter into the work. They have taken steps to standardize the work as it was established in 1912, without permitting the changing of "even one word." They declare their belief in the "profound truth of the words" of the Grand Lecturer when he presented his revision and it was adopted by the Grand Lodge in 1912:

"Investigation will show that Lodges where the least amount of friction is found, where peace and harmony prevail; Lodges that are doing the most good for themselves and for the world at large are those that most closely practice the peculiar customs of the Craft and whose acts are in accordance with our Masonic Laws."

CONNECTICUT—1963

175th Annual Communication — April 3-4

Grand Master, 1962-63 — M.W. Bro. E. R. Dayton

Grand Master, 1963-64 — M.W. Bro. F. H. Linsley

Lodges, 134.

Membership, 46,850.

Loss, 362.

During the year three new Masonic Temples were dedicated and a new lodge was constituted. The Lodge, appropriately named Daytime Lodge, No. 144, is an innovation in the jurisdiction as it meets at ten in the morning. The purpose is to afford an opportunity for those who work at night to attend lodge. There is every evidence that the new lodge is meeting a definite need and will succeed in its purpose.

The Grand Master drew attention to a problem caused by inconsistency in the Grand Lodge Rules and Regulations regarding Past Masters. The Rules state that "A Master-elect must receive the Past Master's degree in a Lodge of Actual Past Masters as a necessary part of installation, provided he is not already an Actual Past Master." There is, however, no provision for the formation or regulation of such lodges, nor is there any authorized ritual. The Grand Master recommended that the lack be remedied.

The Grand Master also paid tribute to the work of his District Deputy Grand Masters in a paragraph which could be said to apply as aptly in other jurisdictions.

"The District Deputies constitute the eyes, ears and all other faculties of the Grand Master, in performing the necessary field work of lodge inspection and investigation, assuring the correctness and propriety of ritual work, reporting both routine and unusual occurrences and conditions, assisting, advising and counseling the Masters and other officers of constituent lodges, and carrying out many special assignments. That this constitutes a broad and arduous program is obvious, but in practice, the demands far exceed the functions listed."

DELAWARE—1963

158th Annual Communication — October 2-3

Grand Master, 1962-63 — M.W. Bro. W. H. Cantwell

Grand Master, 1963-64 — M.W. Bro. L. E. Sipple

Lodges, 27. Membership, 8,991. Gain, 34.

Two new lodges were granted dispensations. This was the first time in ninety-two years that two dispensations were issued in a single year. Since the roll of lodges contained only twenty-five names the addition of two Under Dispensation represents a substantial percentage increase. All lodges were represented at the Annual Communication.

The Grand Master in this Jurisdiction visits each lodge officially.

In 1921 the Grand Lodge established a system of scholarship loans available to the sons and grandsons, the daughters and granddaughters, of Masons. Since the scheme was set up 125 persons have availed themselves of the service.

The Grand Master, speaking on the "State of the Craft," concluded that, while the numerical gain in members was small, there was no cause for concern about the future of Masonry. "The Craft in Delaware is on a solid foundation."

DISTRICT OF COLUMBIA—1962

152nd Annual Report

Grand Master, 1962 — M.W. Bro. C. B. Dean

Grand Master, 1963 — M.W. Bro. C. B. Gilley

Lodges, 48. Membership, 22,183. Loss, 440.

This volume covers not only the Annual Communication of December 20 but a Stated Communication on May 9 and

the St. John's Day Communication of December 27. The last meeting saw the election and installation of the new Grand Master. At the same time, the Grand Secretary, R.W. Bro. Raymond N. Babcock, retired after ten years of devoted service.

The great number of visitors in the American capital pose a special problem for the lodges in this jurisdiction. Many visitors come from outside the United States and, in such cases, it is often difficult for an examining committee to satisfy themselves as to the regularity of the lodge from which the visitor comes. In addition to differences in the ritual, there is often a language problem. The retiring Grand Master recommended that a visitor from a jurisdiction outside the continental United States be requested to present his credentials to a special committee. This committee, when satisfied, would then supply the visitor with a certificate which would authorize his admission to any lodge, without further examination.

Several of the lodges in the jurisdiction are named after individuals. These names cover a wide range, from Benjamin Franklin No. 50 and Theodore Roosevelt No. 44 to Samuel Gompers No. 45, commemorating the great labour leader who helped to organize the Federation of Organized Trades and Labor Unions, which later became the American Federation of Labor.

ENGLAND—1963

Quarterly Communications — June 12, September 11,
December 11

Annual Investiture — April 24

Grand Master — M.W. Bro. Rt. Hon. The Earl of Scarbrough,
K. G. &c., &c.

Grand Secretary — V.W. Bro. James W. Stubbs

The world-wide jurisdiction of the United Grand Lodge of England was demonstrated in part by the report of a Masonic Tour of the West Indies and Nigeria by R.W. Bro. Major-General Sir Allan Adair, Assistant Grand Master, during the early months of 1963. Of the West Indies he said: "I was much struck by the high standard of work maintained in the Lodges, and in spite of the difficulties that have to be faced in this part of the world, at the moment, the enthusiasm for Masonry was very apparent. The majority of the Lodges, which I attended, had not had a visit from a senior member of the Grand Lodge of England within living memory." The Assistant Grand Master should have

known of what he spoke for as he said "I was in the Caribbean area for a month and during my tour made twelve separate air flights, visited nine of the islands and attended over thirty Masonic occasions."

The Nigerian tour lasted fifteen days. The summary paragraph of this report told something of the problems faced by the Craft in Nigeria. "This was my third Masonic visit to Nigeria, and on this occasion I had an opportunity to visit a number of Lodges throughout the country. It was a great pleasure for me to meet so many of the Brethren and to see that Freemasonry is being so well maintained in spite of all the difficulties of vast distances (last year two Brethren travelled 678 miles by car in fifteen hours under flood conditions to attend a meeting), and the changing government authority in the country."

The Librarian and Curator of the Grand Lodge Library and Museum reported that there had been much expansion and reorganization in the Library. A large room was added to provide for the extension of the Library and Museum. Fluorescent lighting was an additional improvement. Readers and visitors who signed the attendance book totalled 11,112, of whom 833 were known to have come from Overseas.

During the period under review, the list of lodges for which warrants were granted increased from No. 7895 to 7951.

FLORIDA—1963

134th Annual Communication — April 16-18

Grand Master, 1962-63 — M.W. Bro. W. S. Christian
Grand Master, 1963-64 — M.W. Bro. J. T. Rose

Lodges, 293. Membership, 70,620. Gain, 1,171.

Of the 293 lodges in the jurisdiction, only ten were not represented at the Annual Communication. The list of dispensations granted shows that four lodges moved into new buildings and one lodge is now erecting another. Four lodges were permitted to erect signs adjacent to their respective city limits drawing attention to their meetings.

The Committee on Masonic History after severe trials were able to publish the first volume of the history of Masonry in Florida. The original draft prepared for publication was lost at the Annual Communication in April, 1962. Consequently the Committee was forced to prepare a new draft from such notes, carbon copies, and other sources as were available. A carbon copy of all final drafts is in-

expensive but good insurance. Printed copies of the history were available at the Communication and, nothing daunted, the Committee is going on with the second volume.

An active committee is that on microfilming and restoration of Grand Lodge records. The members held many meetings and found that many documents were in a bad state of preservation owing to age. They estimated that it would cost over five thousand dollars to put the records in a good state of preservation either by microfilming or restoration.

The Liaison Committee on Relations with the Grand Jurisdiction of Cuba reported at great length, showing the immensity of the problem. The Committee has done everything possible to resettle and find employment for Cuban members. But the task is heavy and progress slow. During the year the Committee collected over \$66,000 for Cuban relief.

GEORGIA—1963

177th Annual Communication — October 22-23

Grand Master, 1962-63 — M.W. Bro. R. A. Perry

Grand Master, 1963-64 — M.W. Bro. O. E. Dixon

Lodges, 481.

Membership, 98,819.

Loss, 882.

The Code Revision Committee reported that they had completed the revision, producing a volume of approximately 550 pages. Such a project would be a large undertaking in any jurisdiction.

The Higher Education Fund supported six children from the Masonic Home at college. Over \$15,000 was contributed voluntarily by the Masons of Georgia for this purpose.

The Educational and Historical Commission once more presented an interesting report, revealing great activity. The Grand Lodge in an Emergent Communication dedicated the restored Chief John Ross House at Rossville. The house was built in 1797. Chief John Ross was an eminent Indian Mason and Principal Chief of the Cherokee Nation (1828-1866).

The Committee also drew the attention of the Craft to "a most unusual bequest" which went to Emory University, Atlanta, Georgia. A former student of Emory left, upon the death of his widow, between \$500,000 and \$600,000 as a fund to be used for loans to persons who wish to study at Emory, the loans to be available only to sons of Masons or

sons of widows of Masons who live in Alabama, Georgia, or South Carolina and who are at least second generation Southerners. Support for education evidently holds a prominent place in the minds of Georgia Masons.

GREECE—1962

Annual Communication — January 31, 1963

Grand Master — M.W. Bro. Thr. Vlissidis

Membership, 5,056.

The Proceedings of this Grand Lodge are presented, fortunately for most reviewers, in the form of "Translated Extracts" in English, not in Greek. The extracts, however, do not give such details as numbers of lodges. They do give many details of lodge activities. Three lodges outside Athens have acquired their own Masonic halls.

"Greek Freemasons have proved that they continue to be the foremost in every manifestation of National, Social and Benevolent character." We are told that "in various circumstances, the State, as well as Community, have entrusted the management of various common welfare and charitable institutions to Freemasons." Much of the activity was directed towards education. "The twelve night schools of the Melis Lodge, the two night schools of Isiodos Lodge, the night gymnasium under the supervision of Skenderbeys Lodge, and the primary school at the village of Milesi sponsored by Sp. Nagos Lodge, have continued working most efficiently, affording to needy youths the necessary education and trade knowledge."

Lodges in the Provinces also ran schools and benevolent institutions, such as orphanages and hospitals. These activities, as the Grand Master said, "demonstrate the firm proof of the high Masonic spirit prevailing in our Lodges."

Two lodges in the Jurisdiction do their work in English.

IDAHO—1963

97th Annual Communication — September 17-19

Grand Master, 1962-63 — M.W. Bro. C. F. Gill

Grand Master, 1963-64 — M.W. Bro. I. J. Longeteig, Jr.

Lodges, 84.

Membership, 14,621.

Loss, 218.

Among several recommendations the Grand Master included one stating that, as the Centennial Observance will

soon be celebrated, every lodge should take an active part in preparation for the event. He pointed out, also, that as he travelled through the Jurisdiction, he noticed that some of the lodge halls were somewhat run down and in need of paint and repairs, adding that shabby quarters do not add to the status of Freemasonry in the public eye.

The Committee on Masonic Research and Education revised the District Deputy Grand Masters Handbook and brought it up to date. The Committee also compiled a Grand Lodge Officers Manual.

The Grand Historian provided an interesting and detailed seven-page account of "Masonry in Idaho 100 years ago."

The Committee on Fraternal Relations received Proceedings from more than sixty-five jurisdictions, but added "We found very little of interest to Idaho Masons in proceedings of foreign jurisdictions." Nevertheless, reviews of over fifty proceedings were printed, including "Canada in Ontario — 1962." These were brief, comprehensive and well-done.

ILLINOIS—1963

124th Annual Communication — October 4-5

Grand Master, 1961-63 — M.W. Bro. H. D. Ross

Grand Master, 1963-64 — M.W. Bro. C. P. Schwarz

Lodges, 889.

Membership, 226,934.

Loss, 4,605.

All too frequently reports of Committees on the Grand Master's Report (or Address, the titles vary) contain little but repetition of what has been said, more fully, by the Grand Master a short time before. The report of this Committee in Illinois, however, stands out for its thoughtful and critical judgment. The statement on membership loss is one of the best commentaries on the subject made during the year.

"Our Most Worshipful Grand Master makes mention of Lodge consolidations, loss of membership, numerous suggestions to cure alleged Masonic ills, also the questions which are heard at every turn questioning the whole future prospect of Masonry. Is Fraternalism outmoded? Will Masonic membership continue to decline? Is Masonic membership for only a small group, and are we in error in trying to take every good man who petitions for membership? What's wrong with Masonry? Are our standards too high? This

Committee thinks not. There is nothing wrong with Masonry. The trouble, if any, lies with the individual member.

"Masonry still offers the same high standards as always, and we should keep it so. Rather than downgrading our requirements, we should, if anything, be more selective in our choice of candidates and officers material.

"While we deplore the loss of membership, as mentioned above we must not consider this an indictment of Masonry as such, or a failure to do our job. May we offer a few lines written by James Russell Lowell, who said:

'New occasions teach new duties
Time makes ancient good uncouth
They must upward still and onward
Who would keep abreast the truth.'

"Changing times must make us change our thinking, but we do not have to alter all our concepts of Masonry just because some members would rather sit home and watch T.V. than attend lodge meetings.

"This Committee agrees with the poet and suggests that we study our mechanics. While our teachings and standards should never be lowered, it may be that some of our methods of teaching, illustrating, and conferring of degrees could be updated."

INDIANA—1963

146th Annual Communication — May 21-22

Grand Master, 1962-63 — M.W. Bro. J. F. Hewson

Grand Master, 1963-64 — M.W. Bro. A. A. Osborn

Lodges, 547. Membership, 182,990. Loss, 1,276.

During the year six lodges in the Jurisdiction observed their centennials with public celebrations. Five handsome Masonic Temples were dedicated.

Nearly two hundred lodges celebrated the Feast of St. John the Evangelist, December 27. The traditional observance of this Feast, which once occupied a place of primary importance in every Craft lodge, had largely been abandoned for many years in the Jurisdiction.

Since May, 1961, the Grand Secretary, M.W. Bro. Dwight L. Smith, has been editing the Indiana Freemason, the official organ of the Grand Lodge of Indiana. In addition to this work and his duties as Grand Secretary, he also

writes the fraternal reviews. It is difficult to see how he accomplishes as much as he does.

The Grand Master recommended that the Jurisprudence Committee make a special study of the legislative changes that would be necessary for the adoption of dual or plural membership. His comment was that it is a fact that one fifth of all families in the United States make a move every year, either to a different town or different state. Many a Mason for sentimental reasons wishes to retain membership in his "mother" lodge, and yet would like to affiliate with a lodge in his new community. The reasoning behind the prohibition of dual or plural membership (permitted in all Canadian jurisdictions except Saskatchewan) have never been clear to this reviewer. The recommendation of the Grand Master does appear to be a step in the right direction.

The plan to establish a Grand Lodge Library and Museum, as part of a long-range programme to celebrate the 15th anniversary of the Grand Lodge in 1968, moved forward. The library was refurbished with new flooring, lighting, and ventilation. Many important Masonic works were acquired. Among other activities the staff indexed the Indiana Freemason from 1923 to date, and now are indexing the Grand Lodge Proceedings from 1818. Development of the Library precluded any progress in the matter of a museum.

IOWA—1963

119th Annual Communication — September 18-19

Grand Master, 1962-63 — M.W. Bro. R. C. Brown

Grand Master, 1963-64 — M.W. Bro. G. P. Wilson

Lodges, 541.

Membership, 90,794.

Loss, 924.

During the year, the Grand Lodge lost M.W. Bro. Earl B. Delzell, Past Grand Master. He had served in the Grand Secretary's office for more than thirty years before his retirement in 1959. He was elected Grand Master in 1960. He was well and favourably known far outside his own jurisdiction.

The Grand Master was asked if a lodge might enter a Masonic float, featuring a floral square and compass, in a centennial observance parade. The public parade, open to all entries, was to commemorate the hundredth anniversary of a city. The Grand Master declared that such participation would be in conflict with the Masonic Code of Iowa, under

the heading "Public appearances," and refused permission. Readers of these Reviews may compare this ruling with one below, in North Dakota, and come to their own conclusions which decision would be supported in their jurisdiction.

The suggestion, advanced in 1961, to establish a home for independent elderly Masons, moved forward but Grand Lodge was not ready to support the proposal immediately.

In speaking of the assets of the Grand Lodge, the Grand Master said: "At Cedar Rapids the Masons of Iowa have the world's foremost Masonic Library, housed in what is undoubtedly the most beautiful building in this State. While the value of the building may easily be established, only an estimate can be made of the true value of the contents as many are irreplaceable, some items in the museum and vaults being without known duplication anywhere in the world."

The Grand Lodge was opened in emergent communications a total of fourteen times during the year. No fewer than eight new Temples were dedicated.

There are now 2,233 members of Iowa lodges exempt from paying dues, owing to their fifty years in Masonry.

The Committee on Fraternal Reviews consists of M.W. Bro. R. R. Douglass, who is the Committee. He presented his seventh report. "It is regrettable," he said, "that so many Grand Lodges have discontinued printing Fraternal Reviews in the proceedings. Even more to be deplored is that there were so few interested readers in the membership that would justify the dropping of the Reviews in the interest of economy." He paid high tribute to M.W. Bro. R. G. Pollard of Maine, saying "much of the best current literature of Masonry is found in Reviews compiled by such students" as he. This reviewer would concur in his evaluation of M.W. Bro. Pollard and thank him for his further statement that in "Canada (Ontario)" "The Fraternal Reviews are exceptionally well done."

M.W. Bro. Douglass puts the place of reviews on a high plane aspired to by all reviewers. "The Committee on Fraternal Reviews or Fraternal Correspondence, or however they are designated, perform a beneficial function in generating a fraternal spirit between jurisdictions that promotes the universality of Masonry. It is a potent influence working the field of communications and by creating better understanding between men of the same lofty ideals, it solidifies the Fraternity with a lasting cement and breaks down the barriers that arise through misconception and misunderstanding."

IRELAND—1963

Annual Report of the St. John's Day Meeting and the
Report of the Grand Secretary

Grand Master — M.W. Bro. Raymond F. Brooke

The Grand Master reported that the year had been a quiet one, with records of steady progress and of good fellowship. He dealt, at length, with two aspects of Masonic progress: the expanding collections of relics, manuscripts, and books in the Grand Lodge Library and Museum, and the feasibility of lodges, in tourist areas, holding meetings during the summer months. One donor presented what was "probably the most valuable and interesting collection" ever received by the Library. Included were sixteen "Lodge Certificates and Demits." The two earliest are dated March 16, 1754, and April 2, 1756, and are believed to be the two earliest in existence. The great need at the moment is a qualified librarian. As for the holding of summer meetings, the Provincial Grand Master of Wicklow and Wexford stated: "Several of the Lodges in the tourist areas have in accordance with the suggestion of the M.W. Grand Master, already signified their willingness to hold meetings in the summer months so that Masons on holidays may have an opportunity to see something of the workings outside their own areas, and become acquainted with the local Brethren."

During the year the Grand Lodge issued three new warrants, two in Belfast and one in County Down.

The Board of General Purposes would not agree to permit the use of a tape recorder or record player to provide music for any purpose whatever within a lodge.

JAPAN—1963

Sixth Annual Communication — March 15-16

Grand Master, 1962-63 — M.W. Bro. N. O. A. Peck

Grand Master, 1963-64 — M.W. Bro. G. B. Morgulis

Lodges, 16.

Membership, 3,232.

Gain, 138.

An item of interest, at the opening of the Grand Lodge, was the well-worded reply of a Past Master of Torii Lodge No. 6 Nagoya, to the address of welcome by the Grand Master. In part, W. Bro. W. T. Wagner said: "So little is known concerning Freemasonry and its glorious past and present among the peoples of Japan, only by precept and example of the life and actions of each and every Mason

of this Grand Lodge, high and low alike, can we ever hope or expect to obtain the goodwill and serious interest of the vast numbers of Japanese gentlemen of character."

Another important item of business was the introduction of the newly-published Japanese Language Masonic Bible now available for use in the constituent lodges, along with the English Language Bible.

Great progress has been made in translating Masonic books into the Japanese language. It is now possible to examine a Japanese Entered Apprentice and Fellow Craft Mason for proficiency in the Japanese language and to provide him with Masonic Literature that will enable him to better understand the meaning of Masonry. Efforts to establish the Grand Lodge of Japan on a firm and solid footing in the country are meeting with success.

The Grand Orator, W. Bro. Saburo L. Kitamura, gave a scholarly and thoughtful address. He evidently is steeped in the principles of Freemasonry and the literature of the world. In one place he quoted, in speaking of Masonic goals, from the poet Rabindranath Tagore:

"Thou hast made me known to friends I knew not
Thou hast given me seats in homes not my own
Thou hast brought the distant near and made a
brother of a stranger."

KANSAS—1963

107th Annual Communication — March 13-14

Grand Master, 1962-63 — M.W. Bro. A. H. Bishop
Grand Master, 1963-64 — M.W. Bro. B. W. Graybill

Lodges, 438. Membership, 97,320. Loss, 1,073.

A severe blizzard in the western part of the State kept many representatives from attending this Communication. Seventy-eight lodges were not represented, five more than the previous year, but far short of the absences in other years. Total representation in Grand Lodge was 898. The biography of the newly installed Grand Master, M.W. Bro. Graybill, records that he saw service in the Canadian Army in World War I but does not give details.

The retiring Grand Master, M.W. Bro. A. H. Bishop, whose biography shows that he came from a line of Methodist ministers though now a Presbyterian, presented a calm and dispassionate evaluation of the decision of the

United States Supreme Court that a prayer as prescribed for use in the public schools in one of the states was unconstitutional. "Howls of anguish filled the radio and television airways along with statements in the press from individuals and organizations. Many inferences were given that it was against the law to pray. It is my belief that the Supreme Court only ruled against prescription. Certainly we can pray as we please as well as when and where we please. The prayer should be from the heart, and not because it was ordered or prescribed."

Special Communications of the Grand Lodge were convened to lay corner stones of three post office buildings, one court house, and two lodge halls, and to dedicate five lodge halls.

Two lodges observed centennials during the year. Times were trying in the young State of Kansas in 1863 and for Freemasonry within her borders. Nevertheless, two lodges which were chartered during that year are now thriving and have maintained high standards for one hundred years. Several others chartered that same year dropped by the wayside owing to changes in the economy and movement of population.

KENTUCKY—1962

162nd Annual Communication — October 16-18

Grand Master, 1961-62 — M.W. Bro. C. J. Hyde
Grand Master, 1962-63 — M.W. Bro. J. W. Elam

Lodges, 470. Membership, 100,297. Loss, 358.

The Grand Secretary, M.W. Bro. Orton, presented his twenty-seventh annual report. He was Grand Master in 1923. His forty years as a Grand Master was exceeded by an earlier Grand Master, M.W. Bro. O. S. Ware, who held office in 1913, and who attended the Grand Lodge Communication.

The Committee on College Scholarships reported that fifteen students from the Masonic Home were receiving scholarships.

The Chairman of the Committee on Fraternal Relations, G. W. Rogers, had taken on the responsibility for the first time and was surprised to discover the time and effort involved. He also found the task most rewarding. He wrote; "In reviewing the work of our contemporaries we somehow feel a closer Masonic Fellowship with all who so diligently

strive to provide facts of value to brethren in all sections of the world." He is not alone in his opinion. He had a kind word for the Reviews in our own Proceedings, and also remarked on the excellence of the entire volume of Proceedings. His seventy Reviews reflect most careful and diligent reading.

LOUISIANA—1963

152nd Annual Communication — February 4-5

Grand Master, 1962-63 — M.W. Bro. D. A. Dahmes

Grand Master, 1963-64 — M.W. Bro. L. V. Noles

Lodges, 279. Membership, 51,421. Gain, 187.

These Proceedings make a stout volume of more than nine hundred pages. Several hundred pages are given over to a roster of lodges, listing the name of every Mason in the Jurisdiction. Many more pages tell of the Sesquicentennial celebration and various area meetings throughout the State in 1962.

Thanks to the careful planning of the Sesquicentennial Committee the celebration was most successful. During the year many lodges also enthusiastically participated in the programme of improvement of Masonic buildings. Six new lodge halls were dedicated and a seventh was under construction.

The Grand Master recommended that, in order to save time, constituent lodges be permitted to examine candidates for advancement either in open lodge or by committee. If the committee method were to be followed, the lodge would act on the committee report that the candidate had passed a satisfactory examination. The proposal was not immediately endorsed and was deferred to the 1964 Communication. This proposal would appear to be a major change and not one to be undertaken without much thought.

MAINE—1963

144th Annual Communication — May 7-8

Grand Master, 1962-64 — M.W. Bro. R. M. Rideout

Lodges, 209. Membership, 47,474. Loss, 267.

One of the best indicators of the condition of the fraternity in Maine is the number of new Masonic temples either

under construction or planned. Two lodges have new buildings under construction. Two have bought former school buildings and are remodelling them, while several other lodges are planning changes and improvements.

A special activity during the year was the calling together of "A Masonic Conference between all the Grand Bodies of Masonry and Concordant Orders" in Maine. The meeting was held and thirty-five bodies were represented.

The Grand Master recommended the appointment of a committee to study the effect of economic conditions upon the lodges. A few have not changed their dues or fees for many years. During the year, twenty lodges, or about ten per cent, raised theirs.

Twenty-one Schools of Instruction were held during the year. The total registration for all schools was 1,090.

The roster of lodges in this Jurisdiction carries some interesting sounding names. Three in a row, 127 Presumpscot, 126 Eggemoggin, and 129 Quantabacook, stand out. But 137 Kenduskeag and 166 Neguemkeag are not far behind.

The Committee on Condition of the Fraternity, in a most comprehensive report, included a fine paragraph on "Quality" which may well be repeated here.

"Our committee wishes once more to stress the need to keep quality foremost in all of the lodge activities. The inspection reports indicate the need in many lodges to gain strength and prestige through quality of candidates, quality of degree work, the quality of programs, and the quality of leadership. When vision, dedication, and leadership are lacking Masonry suffers proportionately. The personal, friendly, fraternal relationship is what gives members a strong attachment to a lodge and to each other. For this and other reasons, it is the unanimous opinion of this committee that lodges with large memberships do not give members what they had hoped for by way of fraternal fellowship. We are positive that vast gains could result if ways and means could be found to bring about the creation of new lodges in cities where there are now lodges with large membership."

For eighteen years the Fraternal Reviews have been presented by M.W. Bro. R. J. Pollard, the Chairman of the Committee on Correspondence. He also addressed the Grand Lodge. A reader of the printed version is left with the feeling that he would have liked to hear the address. After making it clear that "No British or American Freemason would ever dream of violating" the rule which "prohibits

the discussion of partisan politics or sectarian theology within the precincts of a Masonic Lodge," he showed that Freemasons must recognize that there are groups which declare themselves to be enemies of Freemasonry. He declared, however, "We recognize these external enemies of our Fraternity but we do not particularly fear them." He then concluded: "All that we really need to fear are those once described by our late Brother Theodore Roosevelt as 'the foes of our own household.' Misconduct by Masons can do far more to injure our Fraternity than was ever done by the torture chambers of the Inquisition, by the firing squads of tyrants, by the political machinations of Thurlow Weed and Thaddeus Stevens, (two anti-Masonic politicians in the early 1830's) or by the concentration camps of Hitler. Only by constant education, ceaseless vigilance, and, when necessary, prompt disciplinary action can we protect our beloved institution from the attacks of its worst and most dangerous enemies, those in our own ranks who would relax our Masonic standards of moral conduct, those who would make innovations in the ancient usages and customs of our Craft under the guise of modernizing or improving Masonry, those who would introduce levity and horseplay into our ritualistic work, thus turning our most solemn ceremonies into a vulgar farce, those who would knowingly hold Masonic intercourse with clandestine and un-Masonic groups, and those who would live their own private lives in such a way as to bring the good name of Freemasonry into disrepute in the eyes of the profane world. These are the foes of our own household. These are the enemies within the gates. Some are vicious and should be expelled. Some are merely misguided and need to be informed.

"Brethren, from the folly of our own members, in the words of the old litany, 'Good Lord deliver us.' "

MANITOBA—1963

88th Annual Communication — June 5-6

Grand Master, 1962-63 — M.W. Bro. S. H. Dayton

Grand Master, 1963-64 — M.W. Bro. A. C. Slessor

Lodge, 121.

Membership, 16,105.

Loss, 86.

The Board of General Purposes reported that it would appear from requests received from not a few lodges to purchase property, or to move to new locations for meeting, that Masonry in Manitoba is progressively improving. Many lodges which over the years have rented quarters now own their premises.

During the year a new lodge was constituted and consecrated in the new mining town of Thompson in Northern Manitoba. The Lodge is known as Mystery and numbered 174.

The Grand Lodge was invited to lay the cornerstone of the new Hamiota Collegiate. This is a ceremony less often seen than in days gone by.

The Grand Historian, M.W. Bro. William Douglas, who has held the office since it was created in 1940, gave his opinion that the first Freemason to settle permanently in Manitoba was John Palmer Burke. After describing this pioneer's career, the Grand Historian reviewed interesting happenings which had occurred in the Jurisdiction.

A proposal was put forward and approved that the Grand Lodge enter into a lease for premises in the proposed new Masonic Temple in Winnipeg. The present Grand Lodge is "dangerously near the end of its natural life."

The Grand Master spoke with candour in evaluating the position of Freemasonry today. Much has been said and written on the subject but few have presented the case so clearly. Two paragraphs must suffice here.

"It is common but futile to regret that Freemasonry suffers from the effect of social changes that have come about over the last half century, the over-organization of society, the rapid and convenient forms of transportation—the increase of spectator entertainment, to mention a few that are most commonly quoted. To be realistic we must realize that regardless of the detrimental effect of these changes on existing organizations, these changes are largely beneficial to society. In any event, they are here to stay and likely to increase in number. All of these things are a part of our world; this is the world in which we must live and the world in which Freemasonry must work and endeavour to be effective. Freemasonry has demonstrated its adaptability throughout the centuries, else it could not have survived, and never at anytime at the cost of changing its basic structure, and will continue to adapt to changing social conditions, and needs, indeed must have, no change in its basic structure.

"First we must clarify in our own minds the objective of Freemasonry. It is simply the attainment of the Universal Brotherhood of Man. All the teachings of the Craft have this great purpose as an end objective. The development of the purely human qualities in Man, to the highest possible degree. When this is accomplished then Man, in truth, will be Brother to his Fellowman. Freemasonry has sur-

vived throughout the centuries because it fills a need that is basic in humanity, man's need to be brother to his fellowman, Man is separated from his fellowman by many barriers. By race, creed, nationality, class, vocation and many others, all of which are man-created. These, Freemasonry dissolves, by the simple expedient of ignoring them. There but remain the barriers of hate, prejudice, envy, greed and others that are inherent in human nature and can and will be dissolved only by the practice of the principles of the Craft. The practice of the virtues extolled by Freemasonry is the sole hope of mankind for his survival, it is also his inevitable destiny as decreed by the Creator. We have all attested to our belief in a Supreme Being. This belief surely inspires in us a confidence that one who is responsible for the beauties of nature, the orderly procession of the Seasons of the year and the stars and planets in their orbit, has not also decreed beauty and orderliness in the affairs of Man—the supreme achievement of Creation."

MASSACHUSETTS—1962

4 Quarterly Communications, 13 Special Communications, and Stated Communications, December 27

Grand Master, 1960-62 — M.W. Bro. L. E. Eaton

Grand Master, 1963 — M.W. Bro. A. N. Osgood

The roll of living Past Grand Masters, who serve three years in this great Jurisdiction, contains only six names.

One of the several Special Communications was held at Cristobal, Canal Zone, to celebrate the fiftieth anniversary of Sojourners Lodge. Actually the Lodge had its beginning in 1898, when Masons in Colon petitioned the Grand Lodge of Scotland for a charter, which was granted. When construction of the Panama Canal began, in 1904, an increasing number of Americans went to the Isthmus, and the membership of the Lodge came to be largely American. In July, 1912, Sojourners Lodge surrendered its Scottish charter and became a lodge under the Grand Lodge of Massachusetts. By then most of the members were American.

The building of the Panama Canal not only affected the membership of Sojourners Lodge but also brought about the establishment of other lodges. Masons on the Pacific end of the Canal could not readily visit Atlantic side Sojourners Lodge and petitioned the Grand Lodge of Massachusetts for a charter at Ancon. Canal Zone Lodge was granted a dispensation in 1912 and thus was the second

lodge in the Canal Zone to celebrate its fiftieth anniversary with a Special Communication of the Grand Lodge in the one year. The Grand Lodge of Massachusetts now has seven lodges chartered in the Canal Zone.

In 1916 the Grand Lodge of Panama was organized with the blessing of Masons generally, and particularly of the Grand Lodge of Massachusetts. Recognizing the need for a uniform ritual, the Grand Lodge of Panama, in 1920, adopted the ritual authorized by the Grand Lodge of Massachusetts, translated into Spanish. This is now used by the Spanish-speaking lodges. Two English-speaking lodges, however, were permitted to use the ritual of the Grand Lodge of England. Freemasonry on the Isthmus reflects many origins.

In addition to the lodges in the Canal Zone, three lodges in Chile and one in Tokyo, Japan, owe allegiance to the Grand Lodge of Massachusetts.

Discussion of the lodges lying outside the Commonwealth of Massachusetts has kept us from the main body of Massachusetts Masonry. During the year many improvements were made to the Boston Temple. Work in the Library progressed. Efforts were concentrated mainly on cataloguing and classification of books. The Museum attracted many visitors. The Director of Education reported a full year. Total attendance at Lodges of Instruction was 32,788. This figure represented an average attendance of 103.4 at 317 meetings.

MEXICO (YORK)—1963

101st Annual Communication — March 16

Grand Master, 1962-63 — M.W. Bro. F. B. Cummings

Grand Master, 1963-64 — M.W. Bro. J. E. Stockdale

Lodges, 10.

Membership, 601.

Loss, 22.

The Grand Lodge (York) believing that historically and otherwise it has an inherent right to charter lodges at will in Mexico, gave dispensation to a lodge in Baja California, which apparently worked in Spanish. The work of this Grand Lodge, however, is done in English. Members are required to be able to read, write, and understand English. The Grand Lodge of Baja California protested and the York Grand Lodge withdrew the dispensation in "the spirit of Freemasonry." The surrender of this dispensation accounted for a loss of twenty-two members.

Unfortunately M.W. Gran Logia del Estado de Hidalgo (i.e. The Grand Lodge of the State of Hidalgo) which has vacillated over the years in its attitude has once again wavered in its friendship and ended fraternal relations. The decision was by no means unanimous. The Grand Master concluded: "We sincerely hope that one day the M.W. Grand Lodge of Hidalgo will feel sufficiently sure of its strength and sovereignty to again meet with us upon the level of mutual friendship." Until then members must take note of the withdrawal of recognition.

MICHIGAN—1963

137th Annual Communication — May 28-29

Grand Master, 1962-63 — M.W. Bro. G. L. Alt

Grand Master, 1963-64 — M. W. Bro. N. S. Bacon

Lodges, 541.

Membership, 171,326.

Loss, 2,098.

When the Past Grand Masters of Michigan were presented fifteen were welcomed, including M.W. Bro. C. W. MacKenzie, Grand Master in 1922, and Grand Treasurer Emeritus, who was attending for the 57th time.

It was announced that Zion Lodge No. 1, Detroit, would celebrate its two hundredth anniversary in 1964. Building plans for eight new Masonic Temples were approved. These lodges burned the mortgages on their Temples. A committee, created in 1962, to study the possibilities of having a library, museum, and Grand Lodge building, gave a great deal of thought to the matter and began locating and cataloguing Masonic material in the State. Twenty-four lodges increased their dues and two their fees. The Grand Master granted a dispensation to Grand Blanc Lodge No. 571 to allow the First Presbyterian Church of Grand Blanc to use their lodge quarters on Sunday mornings while a new church was being built.

An amendment to Michigan Masonic Law was submitted and heartily endorsed by the Board of General Purposes, proposing that the Canadian flag be displayed in any Michigan Masonic Lodge upon the occasion of an official visitation by a lodge of a Canadian Grand Jurisdiction recognized by the Grand Lodge of Michigan, provided that both the Canadian and Michigan lodges have special dispensations from their respective Grand Masters authorizing the visitation. The proposal brought forth a lengthy discussion, not against the amendment but rather questioning whether the honour should be extended to visiting lodges from other "foreign" Grand Jurisdictions. The first point made by the

Grand Master was that a more acceptable term was "sister" Grand Jurisdiction, and from then on that term was used. The gist of the discussion was that the Grand Lodges in Canada stood in a special relationship with those of the United States and the amendment, referring only to the Canadian flag, was carried. As one member of Grand Lodge said, "This is really a tribute to Canada."

The Grand Lecturer reported on a year full of activity. Two of his paragraphs may well be given here in full.

"I am happy to report that the great majority of our Lodges are striving in an earnest and sincere manner, by Officers and members alike, to strictly adhere to the Esoteric work as outlined in our Ritual.

"Likewise, I would be less than honest, but it is with a heavy heart, I also include in this report, that there are those few Lodges who continue to feel that it is necessary to rewrite the Ritual to conform to the wishes, and perhaps the dictates, of dramatic Directors who feel that our Ritual is drab and meaningless, unless the conferring of degrees be embellished by extraneous matter such as soliloquies, dramatic and elaborate stage effects, etc."

MINNESOTA—1963

110th Annual Communication — March 20-21

Grand Master, 1962-63 — M.W. Bro. H. B. Olson

Grand Master, 1963-64 — M.W. Bro. E. M. Toms

Lodges, 290. Membership, 69,543. Loss, 423.

The list of dispensations shows, among a large total, that the Grand Master refused permission for a lodge to enter a float in a civic parade, gave permission for Lakeside Lodge No. 281 of Duluth to put on a Third Degree in Port Arthur, Ontario, using a Master Mason as a candidate, and permitted the Lodge in Taylor's Falls, Minnesota, to hold their meetings in the other half of the town, across the river in Wisconsin. The Minnesota Lodge had lost their building.

The Board of Custodians reported that there were "a total of 90 schools held, 77 of these being regular schools in degree work and lectures and 13 being Special Sessions of Information, commonly termed 4th schools. Total attendance was 3,266."

The Committee on Publishing the Minnesota Mason has the goal of placing the journal, free, in the hands of all member Masons in Minnesota. Thanks to the work of the

lodge secretaries, the mailing list now contains 65,000 names. During the year the publication reached a total of sixty pages. Activities, such as this, are not inexpensive. The total cost of the publication was over \$14,000.

Readers of the Fraternal Reviews for 1962 may recall the report that in 1958 a hospital was opened at the University of Minnesota for the care of patients suffering from cancer, regardless of race or creed. The Masons of Minnesota, through the Masonic Memorial Hospital Fund, Inc., raised one million dollars, the whole amount required for the purpose. The hospital is now operated at full capacity and a third floor is required for patients and a fourth for research laboratories. The aggregate cost is estimated at \$1,100,000. The Grand Lodge has authorized a campaign to raise that sum by voluntary contributions from individual members of constituent lodges. We will all wish them success in this second great project.

MISSISSIPPI—1963

145th Annual Communication — February 12-13

Grand Master, 1962-63 — M.W. Bro. J. A. Cabaniss

Grand Master, 1963-64 — M.W. Bro. J. T. Brown

Lodges, 312.

Membership, 50,872.

Gain, 93.

The Grand Master, in one short paragraph, gave a full report on the year under review:

"As I have travelled over our state, I have been deeply impressed with the earnest zeal and enthusiasm of the brethren. A finer group of men exists nowhere else. Masonry in Mississippi is in a healthy condition. We have even made a significant increase in membership, with 93 more members than we had when the last report was given. Above all, we now have a strong objective, the reconstruction of our greatest charity, the Masonic Home. I think we have every reason to be proud of our brotherhood. And that is what I have tried to say in all my talks to the lodges during the year just ended."

The Fraternal Correspondent, Bro. L. M. Page, in a brief report, described well the satisfaction which comes from reviewing the various Proceedings published each year.

"The Fraternal Correspondent of the Grand Lodge is afforded the rare privilege and opportunity of closely observing the universality of Freemasonry. By a review of the proceedings of the various Grand Lodges, the correspondent gains an insight seldom offered concerning the achieve-

ments and problems of the many Grand Lodges of the world, without the necessity of leaving this jurisdiction. For this privilege and opportunity I am deeply grateful.

"Based on a review of over 70 Grand Lodges as well as diverse correspondence I am happy to report that Freemasonry, the world over, is on a solid foundation, its philosophy remains basic and its goals are ever constant."

The Grand Orator spoke on "Politics and Masonry." After stating that it has never been the purpose of Freemasonry to organize itself as a power of its own, or to control or regulate the affairs of government, this is not to say that "the influence of Masonic principles has no place in politics." The address then went on in such specific detail that a reader, living in Ontario, cannot but contrast it with an address which might be given under the strict rules regarding the avoidance of political discussion in this jurisdiction.

MISSOURI—1963

142nd Annual Communication — September 24-25

Grand Master, 1962-63 — M.W. Bro. M. B. Dickinson

Grand Master, 1963-64 — M.W. Bro. A. U. Goodman, Jr.

Lodges, 594. Membership, 120,661. Loss, 1,055.

Lodge buildings provided one subject on which the Grand Master spoke well. The most disheartening fact he found in his travels was that in far too many middle-sized towns and cities in Missouri lodges were occupying quarters in which they had been for seventy-five years. He asked "Can we seriously expect men to be attracted to a hall which is high on the third floor, up winding narrow non-fireproof stairs, and dingy when you get there?" On the other hand, in some cities and towns, not a bit better circumstanced, lodges meet in relatively modern and attractive quarters and are relatively vigorous and thriving.

In many country areas, in spite of declining rural population, he found lodges of small membership most active and making a genuine and substantial contribution to the life of their communities.

The Masonic Home of Missouri is proving to be an expensive operation, largely owing to the fact that over half the residents are now bed-ridden, requiring additional care. The average age of residents is eighty-two. The annual per capita cost of a hospital patient is \$2,500 whereas the cost of an ambulatory resident is \$1,300. The Grand

Master spoke strongly against Grand Lodge participation in any plan to build retirement homes.

MONTANA—1963

99th Annual Communication — June 24-25

Grand Master, 1962-63 — M.W. Bro. LeRoy Aserlind

Grand Master, 1963-64 — M.W. Bro. G. C. Schmidt

Lodges, 141. Membership, 25,283. Loss, 348.

Of the 141 lodges in the Jurisdiction thirty were represented at the Annual Communication.

The list of Dispensations shows that permission was granted to hold six outdoor meetings. Five were held and one was rained out.

The Centennial Committee reported that the Centennial Fund stood at \$15,000. The fund was raised by a voluntary assessment of ten cents per member during recent years. All lodges paid their assessments. The history of the formation of the Grand Lodge is well in hand. A suitable play is being planned for the centennial communication which is scheduled to be held in Helena.

The Correspondence Report included a salute to all Canadian Grand Lodges as a group. The information was added that all the Montana Grand Lodge Communications are opened with ceremonies that include the presentation of the Canadian flag and the Stars and Stripes. The assembly sings both the Star-spangled Banner and O! Canada. These customs bear witness to the close ties between the Grand Lodges both sides of the international boundary.

NEBRASKA—1963

106th Annual Communication — June 4-5

Grand Master, 1962-63 — M.W. Bro. E. O. Van Wey

Grand Master, 1963-64 — M.W. Bro. R. M. Carhart

Lodges, 273. Membership, 45,653. Loss, 210.

The most original project in this Jurisdiction is "Masonic Manor," an apartment building for Masons. The steel for the building is now a familiar sight on the Omaha skyline. Readers of these Reviews for 1962 may recall that the building was to provide quarters for Masons over sixty-

two years of age and their wives or widows, on a life-time lease for between \$3,000 and \$4,500. Sixty apartments were planned. It is said that Masons from other jurisdictions are watching this pilot project with interest. Some revisions have been made in charges.

The Grand Historian prepared and distributed a preliminary history of the laying of corner-stones by the Grand Lodge, from 1869 to 1962.

Throughout the Proceedings the importance of Masonic Education was stressed. This is one of the jurisdictions which have a Grand Orator. His oration, entitled "Education faces the future," contained much food for thought.

NEVADA—1962

98th Annual Communication — November 12-13

Grand Master, 1961-62 — M.W. Bro. W. A. Ray
Grand Master, 1962-63 — M.W. Bro. J. P. Whitmore

Lodges, 32. Membership, 6,530. Gain, 190.

As was the case during the previous year, in the larger areas of population, lodges are active and membership is growing. However, in the smaller population areas only, a few dedicated Masons are keeping the lodges alive. Three lodges were chartered and a fourth was started under dispensation. Four constitute a healthy percentage in a jurisdiction of the size of Nevada.

The Centennial Committee continued to plan. Several Nevada lodges also are one hundred years old. Carson Lodge No. 1 was chartered in 1862, Amity Lodge No. 4 in 1863, Escorial Lodge No. 7 and Lander Lodge No. 8 in 1864. The numbers omitted represent lodges which surrendered their charters or consolidated with other lodges.

As is usual in Nevada, the Grand Lodge laid many cornerstones. On one such occasion, when two cornerstones for University of Nevada buildings were laid, the trowel used was the one used at the laying of the cornerstone of the first building of the University on September 12, 1885. The speaker on this occasion, Dean W. D. Carlson, gave a brief but informative account of the history of the laying of cornerstones in Nevada.

"Historically we might note that the first lodge of Masons between the Rocky Mountains and the Sierra Nevadas was established 100 years ago, when Carson City Lodge No.

154 (now Carson Lodge No. 1) was granted a dispensation by the Grand Lodge of the State of California on February 13, 1862. In January, 1865, the Grand Lodge of Free and Accepted Masons of the State of Nevada was organized. The following year on September 24, 1866, the Grand Lodge laid its first cornerstone at the U.S. Branch Mint at Carson City. Since that time the craft, upon invitation, has laid the cornerstones of more than one hundred public and Masonic buildings, these today being 108 and 109. Of the 109 cornerstones laid, eleven were for Masonic buildings, eighteen for churches, seven for Federal government buildings, twenty-two for state, county and city government buildings, and fifty-one for school buildings."

His conclusion is inescapable:

"It should be obvious that Masons would not have been invited to lay the cornerstones of all these diverse buildings unless the organizations and communities concerned had confidence in, and knowledge of, their support and interest in education, the community, the state and the nation. The symbolism of the ceremonies we have just witnessed are indicative of their basic precepts."

In addition his remarks provided a thoughtful commentary on the practice of laying cornerstones, well-worth recording here, though the ceremony is seldom seen in this jurisdiction nowadays.

"In terms of speculative Masonry, a temple is symbolically built upon a base from east to west and in the north-east corner is placed a smoothed and finished ashlar, in the shape of a squared cube, uniting the two walls and serving as the principal foundation stone to support the building. It is therefore a symbol of strength and permanence, and is considered an emblem of truth.

"The most meaningful act in the ceremony is naturally the placing or setting of the stone in the proper position. The most morally significant part is the 'trying' or testing of the stone by the application of the implements of Masonry, the square, the level and the plumb, to ascertain that it is 'well formed, true and trusty.'

"The ceremony of consecration, in which corn, wine, and oil are deposited on the newly-laid stone, is symbolic of the prosperity, peace, freedom and joy which a grateful people acknowledge as gifts bestowed upon them by a Divine Creator, in whom they put their trust.

"Thus a cornerstone serves not only to forever remind us of the building, but as a re-dedication to the highest

principles and truths which serve as a guide to the people who shall use the building."

Two new lodge buildings, namely, Sussex Lodge No. 4 at Dorchester and Lodge Saint Andrew No. 16 at Rexton were dedicated. Carleton Union Lodge No. 8 traditionally celebrates the Festival of Saint John the Baptist with an emergent meeting and by holding a salmon supper. Corinthian Lodge No. 13, Hampton, does not recess for the summer months. An annual event is the strawberry festival held after the July meeting.

R.W. Bro. F. Nickson, D.D.G.M. of District No. 2, presented a seventy year jewel to Bro. A. O. Richards, of Hibernia Lodge No. 3. Readers of these Reviews will note that similar presentations were made in Nova Scotia and Saskatchewan.

The reports of the District Deputies tell of many visits between lodges. Though not great in numbers, the members reveal a fine fraternal spirit. Furthermore, the Grand Master was favourably impressed by the attention to their duties of Masters and Officers. Attendance was gratifying. The standard of the ritual is excellent. Throughout his visits the Grand Master endeavoured to carry a message of confidence and increased interest in the fundamental principles which support and guide our Fraternity.

The Grand Master reported a year of "plenty, health and peace." No serious difficulties disturbed the harmony of the Grand Lodge. Some minor complications were smoothed

out and relations with other jurisdictions were cordial. Many questions were asked the Grand Master and he answered them but none were of such importance as to be classed as decisions.

The Committee on Masonic Education has completed a new Manual on Procedures and Customs according to tradition in New Hampshire. This piece of work, begun five years ago, will fill a long need in the Jurisdiction.

The Review of the Proceedings of our Grand Lodge covers over two pages in the Fraternal Correspondence.

NEW JERSEY—1963

Every lodge in the Jurisdiction was represented at the Annual Communication, and in practically every case by more than one member. Seventeen Past Grand Masters were present, while four were unable to attend.

An annual celebration of the Feast of St. John the Evangelist, in the Crescent Temple, Trenton, must certainly be unique in the annals of such celebrations. The *pièce de resistance* at the dinner is "stewed snapper soup." After the annual dinner, the nine hundred who attended heard an address by a member of Fidelity Lodge, Bro. The Reverend Dr. C. A. Plant, a Presbyterian divine, on "The Day of Fraternal Necessity."

Trenton Lodge No. 5, Trenton, celebrated its 175th anniversary. Four lodges celebrated their centenaries.

In his travels in the Jurisdiction the Grand Master observed that, in general, the condition of most lodges and most districts was healthy. This was certainly the case "where the Masters, Wardens, Officers, Past Masters and District Deputy Grand Masters, worked as a team to keep the brethren informed of the by-laws, general regulations, landmarks, declaration of principles and ancient charges."

Unfortunately, the Grand Master was forced to rewrite a portion of his address. He had written that no matter of discipline had come up when he was forced "to arrest the charter of a lodge" for failing to follow the ancient regulations of the Grand Lodge regarding balloting.

The Grand Master's calendar included two hundred and twenty-five visitations, including his four days at the Annual Communication of our Grand Lodge.

NEW MEXICO—1963

86th Annual Communication — March 18-19

Grand Master, 1962-63 — M.W. Bro. LaMoine Langston

Grand Master, 1963-64 — M.W. Bro. H. M. Sleeper

Lodges, 65. Membership, 15,290. Gain, 10.

This Jurisdiction is not so large as some but it does have sixty-five lodges. The Grand Master was able to report that he had visited every lodge in its own building, and generally on a regular meeting night. In addition, he attended ritualistic workshops in the fifteen districts. The calendar of his year, with 119 entries, clearly shows how busy a Grand Master really can be, and usually is, during his year, or years, in office.

The Grand Master's decisions during the year show him to have been a scrupulous adherent to the laws of the State, in refusing to permit a raffle in aid of a scholarship fund; and to the Constitution of his Grand Lodge and the approved decisions of his predecessors, in refusing to waive residence requirements, etc.

The Grand Master judged the work of the officers in the constituent lodges with the critical eye of a Grand Lecturer of twenty-two years ago. He found that Masonry is in good hands today and declared that the officers are better prepared in general than they were twenty years ago. He went on "They are better ritualists; they know more about Masonry; they are more interested in planning programs of interest to the Lodges; they are encouraging candidate training programs to a greater extent; and they know more about how to preside. I am not one who thinks that Masonry is going to the dogs. The 'good old days' were not as good as at present."

The improvement no doubt can be attributed in no small part of the work of M.W. Bro. Langston himself, who, in the twenty-two years he spoke about, served five years as Grand Lecturer, five as Grand Secretary, and nine as an officer in the Grand Lodge. The successful year reported was no accident.

Two lodges, in Albuquerque and Roswell, respectively, offered sites for a proposed new Grand Lodge office but no action was taken at this Communication.

NEW SOUTH WALES—1963

75th Annual Report of two Special and Four Quarterly Communications, 1962 and 1963

Grand Master, 1962-1964 — M.W. Bro. E. L. Beers

Lodges, 904. Membership, 125,380. Loss, 2,419.

At the March, 1963, Quarterly Communication the Grand Master told something of the history and success of "The Masonic Temple Fund." The Fund was set up in 1959. Under the plan each Mason in the Jurisdiction was required to contribute one pound per annum to the Fund, sixty per cent of the income was to be set aside for the building and furnishing of a Memorial Temple in Sydney, and forty percent for the building, air-conditioning, and alterations of suburban and country Temples. At first there were some misgivings, now almost entirely allayed.

So far, the first part of the programme has produced £289,900, not yet considered sufficient to provide the type of Memorial Temple envisaged. The second part has produced some problems in making sure that the funds are most equitably distributed. There are some 310 Temples in the Jurisdiction and requests for loans have been numerous. Loans are made available at 2% per annum, to cover costs of administration. The Fund is increasing steadily as loans are returned and more funds come in. In a decade the programme should be in a strong position to assist in the erection of new Temples and renovating existing buildings. In the meantime the Fund has already proved its worth.

Final arrangements for the Seventy-fifth Anniversary celebrations were almost completed by the time of the Special Communication of June, 1963. Programmes, which by now will have been carried out, were planned for Sydney, Newcastle, Canberra, Broken Hill, Wagga Wagga, Tamworth, and Orange.

The N.S.W. Masonic Jubilee Choir reported that new members would be welcomed. The body has a permanent conductor and, in order to keep up its quality, practices once a week. Some other Australian jurisdictions also have choirs. That in Victoria has 140 members.

The Grand Master referred to discussion in some quarters about race being a disqualification for membership. To answer the allegation he quoted one of the predecessors in his office.

"As to our individual membership, there is nothing in our Constitutions which excludes anyone by reason of race, religion creed or national origin. Eligibility for individual membership is regulated by Chapter III of our Constitutions and subject to its provisions admission to membership is within the province of each individual Lodge. The Lodge is a family which decides whom it will take and whom it will not. Our Constitutions recognizes that, and thus the door is open to anyone to make application, and it is for the Lodge to determine whether to accept that man or not."

The Grand Master added:

"This policy I now reaffirm. Grand Lodge has no right to direct its constituent Lodges as to whom they may or may not admit to membership. That is the responsibility of each individual Lodge and I strongly urge that this responsibility be discharged in the spirit of true Brotherhood."

The most original proposal of the year was, as the Grand Master said, erection of a "Masonic Brotherhood Center at the World's Fair, where members of our fraternity and their families, our veterans, and all others, Masons and non-Masons alike, may find an oasis of brotherhood in a world of industrial, scientific and material advance." The Grand Lodge gave unanimous approval.

The Grand Historian told of numerous lodges planning to celebrate major anniversaries. Mt. Vernon No. 3, in Albany, St. Patrick's No. 4, in Johnstown, and Masters No. 5, in Albany, will soon reach the 200 year mark. Eleven others have celebrated 175, 150, or 100 years of Masonic service. Such round numbers, the Grand Historian admitted, do have a fascination, but he pointed out no lodge needs to wait a quarter of a century or more to preserve its records. This work should be a continuous process, beginning with the work of the Secretary, continued and extended by the lodge Historian.

NORTH CAROLINA—1963

North Carolina is one of the jurisdictions with a Grand Orator. Here he is W. Bro. Sam J. Ervin, Jr., Senior Senator of the State. His address was not long but was a solid piece of work on allegory and symbolism, much too concentrated to abridge here. Too often these speakers get carried away by themes scarcely Masonic. This was an address which would have been well-received in any Grand Lodge.

The Grand Historian called on all secretaries of lodges to keep accurate and comprehensive minutes of proceedings. He also reported that since the Grand Lodge of this jurisdiction granted no charters in 1862 and 1863, owing to the War between the States, there could be no centennials in 1962 and 1963. He had collected much information on the Masonic records of Governors of North Carolina who were Masons. There were many such.

The jurisdiction has a well-organized system of "Certified Lecturers." The roster of Class A Lecturers contains 480 names. A Class A Certified Lecturer may accept an invitation to instruct in the ritualistic work from any lodge in the State.

NORTH DAKOTA—1963

The attendance at the first session of Grand Lodge was unusually large, and "the atmosphere of this communication," we are told, "was surcharged with hope, enthusiasm, and anticipation." Much of the spirit of the occasion arose from the fact that never in the lengthy history of the Grand Lodge had a communication been held at a place other than Fargo, Grand Forks, Bismark, or Minot. This communication was held at Williston.

At the opening the Stars and Stripes and the Union Jack were displayed and the assembly sang both "America" and "God Save the Queen."

The Grand Master reported that he saw a great enthusiasm among the younger members, promising good leaders in the future. He also suggested that dues would have to be raised to compensate for rising inflation if the many fine Temples in the Jurisdiction were to be maintained. He attended and addressed the gathering at the "Annual Lookout

Point" meeting and also the outdoor meeting of Lewis and Clark Lodge No. 132.

Of the forty-eight dispensations granted, one gave a lodge dispensation to participate in a community parade by building a float depicting Masonry. Another allowed a member who had not served as Warden to be elected Master.

NOVA SCOTIA—1963

The Grand Master had a busy year. Three meetings he attended were not of the usual type. He was present at University Lodge No. 110 when the Master of the Lodge was succeeded by his son, W. Bro. F. A. Milne, installing his son, Bro. F. E. Milne. Though not unique, such occasions must be extremely rare. Another uncommon event occurred when the Grand Master presented a seventy-year bar to Bro. J. D. Robertson, of Hudson Lodge No. 77. Finally, the Grand Master visited Annapolis Royal Lodge No. 33. Here he unveiled a bronze tablet which records a most important event in the history of Freemasonry in Canada. The inscription gives the full story.

"To Commemorate the 225th Anniversary of the Initiation
on November 14, 1737

—of—

MAJOR ERASMUS JAMES PHILIPPS
in Saint John's Lodge, Boston, Massachusetts,
and the Founding by him at Annapolis Royal
in June 1738, of the first Masonic Lodge
on Canadian Soil

THE GRAND LODGE OF A.F.&A.M. OF NOVA SCOTIA
Meeting in Annapolis Royal on the Occasion
of the Centenary of Annapolis Royal Lodge No. 33, G.R.N.S.
June 26, 1962, by Resolution Unanimously Awarded
the ERASMUS JAMES PHILIPPS BRONZE MEDALLION
to the Lodge
to be Worn by the presiding Worshipful Master"

The Grand Lodge has one lodge outside the Province, Polaris Lodge No. 114 at Goose Airport, Labrador. Members have very little opportunity to visit with other Nova Scotia lodges and are influenced by the many visitors from other jurisdictions. While eager to conform in every way to the

usage of their jurisdiction, they need instruction. The Grand Secretary paid a visit to Polaris Lodge and on his return recommended that some Past Master be appointed as the Grand Master's Representative with Very Worshipful rank, with authority to inspect the books and records of the Lodge annually, and act in close liaison with the Grand Secretary's office. A new Masonic Hall has been erected by the Lodge and was to be ready for dedication in June 1963.

During the year two new lodges were constituted, both in the Kings County District: Horton Lodge No. 132 at Kentville and Argus Lodge No. 133 at Kingston. Both have shown steady progress during the year. Early in the spring, a new Lodge, The Shore Lodge, was instituted at Cheverie, in the Hants County District, thus making Freemasonry available in an area hitherto rather remote from a Lodge.

M.W. Bro. R. C. Levy, the newly-elected Grand Master, practiced law from 1932 until his election to the Provincial House of Assembly, in which he served as a cabinet minister from 1956 to 1959. In the latter year he resigned and was appointed Judge of the County Court for District No. 2, Nova Scotia.

OHIO—1963

154th Annual Communication — October 18-19

Grand Master, 1962-63 — M.W. Bro. R. M. Francisco

Grand Master, 1963-64 — M.W. Bro. C. B. Montis

Lodges, 675.

Membership, 277,729.

Loss, 1,690.

Two new lodges were constituted but the Grand Master expressed his regret that more petitions for new lodges were not received. As he said, "In many areas of the State, particularly the heavily populated metropolitan areas, there are a number of lodges that continue to grow in membership far beyond the reasonable means for these lodges to serve and retain the active interest of their members."

At the last Annual Communication, a scholarship plan was adopted with a view to aiding able and deserving young people to secure an education at an accredited college, university or theological seminary of their choice. A scholarship fund of \$10,000 was set up. After much deliberation the committee in charge distributed scholarships valued at \$400 to twenty-five accredited schools in Ohio. Each school was given complete freedom to award the scholarship allotted to it under its own rules.

The Grand Secretary microfilms all annual returns as a matter of routine. Two secretaries retired in their respective lodges. One had served forty-six years, the other thirty-two. One active secretary has held office since 1903.

The Committee on History requested permission to search for and record the burial places of all Past Grand Masters, over one hundred in number. The members proposed to carry out the work without expense to Grand Lodge.

Ten pages of the Proceedings give a history of several mid-nineteenth century attempts to found Masonic colleges, in the United States. Ohio was not behind the Grand Lodges in such States as Kentucky, Missouri, Tennessee, Arkansas, North Carolina, Illinois, Georgia and New York, in these attempts. The account provides an interesting and little known, withal ill-fated, chapter in the history of American Freemasonry. The Civil War saw the end of practically all of those institutions which were set up.

The Fraternal Correspondent, M.W. Bro. C. W. Ellenwood, P.G.M., reviewed sixty-seven Proceedings in great detail. One general conclusion he came to was that the average age of residents in Masonic homes is in the early eighties and new applicants are in their late seventies. More and more homes are giving up their farms.

OKLAHOMA—1963

55th Annual Communication — February 12-14

Grand Master, 1962-63 — M.W. Bro. H. E. Barkley
Grand Master, 1963-64 — M.W. Bro. R. W. Osborn

Lodges, 379. Membership, 84,596. Loss, 651.

The Grand Lodge was convened in special communication fifteen times to lay cornerstones. The buildings included two churches, two public schools, a high school, high school gymnasium, library, municipal building, general hospital, and six Masonic Temples.

Twenty Past Grand Masters were at the Annual Communication, the earliest going back to 1922.

The official publication of the Grand Lodge, The Oklahoma Mason, is sent to every member of an Oklahoma lodge. The financial statement shows that this is annually a \$94,000 operation.

The Grand Master discussed the problem of so-called sojourners, members living elsewhere than where they hold

membership. He expressed the belief that many Masons would like to affiliate where they live but for sentimental reasons wish to retain the membership in the lodge where they have been raised, or in which perhaps they have served as W.M. He felt that if such members were permitted to hold membership also in a lodge where they were residing, they would again become active Masons. He found that forty-nine Grand Jurisdictions permit dual membership out of the state or province, while thirty-six permit it within the jurisdiction only. He recommended the appointment of a special committee to investigate the desirability of permitting dual memberships in Oklahoma lodges with other non-Oklahoma lodges on a reciprocal basis, to report at the next Annual Communication. The question of dual or plural membership, where not permitted, is becoming widely discussed, and it would appear that in the not too distant future dual and plural membership will be generally permitted.

The Masonic Education Committee recommended the formation of a lodge of research to which would be given the responsibility of "developing a good sound Masonic History."

During the year under review, the Grand Lodge lost M.W. Bro. S. P. Larsh, who was Grand Master of the Grand Lodge of Oklahoma Territory in 1903. One might well wonder if ever before a Past Grand Master served for almost sixty years. He was born in 1865, when Lincoln was President of the United States, was thirty-eight when elected, and lived to ninety-seven.

OREGON—1963

113th Annual Communication — June 12-14

Grand Master, 1962-63 — M.W. Bro. L. C. Palmer
Grand Master, 1963-64 — M.W. Bro. W. D. E. Sharpe

Lodges, 192. Membership, 43,241. Loss, 548.

This Grand Lodge has had a grand oration at its Annual Communication every year since 1861. The Grand Orator this year spent much time in reading what his predecessors had said. He was struck by the remarkable emphasis on the harmony and universality of Masonry reflected in the addresses over the years.

Today, one of the most important committees of the Grand Lodge, in the opinion of the Grand Master, is the Committee on Public Schools. In Oregon, as early as 1854, a Grand Lodge Committee on Education was formed and

directed to report at the same session. Subordinate lodges were requested to open subscriptions to raise money to be used as a permanent fund for educational purposes. Every Mason in Oregon was requested to contribute a sum not exceeding five dollars, a large sum indeed in those days, for the creation of the fund. Masonry did much to establish the present educational system in Oregon.

PENNSYLVANIA—1962

Annual Communication — December 27,
and Quarterly Communications, March,
June, September and December

Grand Master, 1960-62 — R.W. Bro. M. F. Balcom

Grand Master, 1962-63 — R.W. Bro. W. L. McKinley

Lodges, 604. Membership, 256,139. Loss, 1,208.

There is a great deal of interest concerning lodge rooms and Masonic halls throughout the Jurisdiction. The Grand Lodge has prepared a brochure showing suggested designs. Models and architects' drawings have been prepared and are on display at Grand Lodge. The plans have been most helpful. More than fifty lodges have completed new halls or made improvements in their present quarters.

In order to reduce the work of lodge secretaries the Grand Master ruled that all visitors must sign their names in a bound visitor's register. In addition, each visitor fills out a card for the Tyler, as does each member. Heretofore, the names of all visitors and members were entered in the minutes. A permanent register signed by every visitor and member, it would seem, would serve the same purpose as cards.

All Pennsylvania Masons now receive the Pennsylvania Freemason by mail. The task of setting up the address file and preparing address stencils for almost 260,000 names was an enormous task. The work revealed that 35,000 Pennsylvania Masons live outside the State, several thousand in Florida and California.

The Circulating Library, set up in 1954, had its busiest year to date. During the twelve months 8,000 persons visited the Library and Museum.

PRINCE EDWARD ISLAND—1963

88th Annual Communication — June 22

Grand Master, 1962-63 — M.W. Bro. F. A. VanInderstine

Grand Master, 1963-64 — M.W. Bro. A. E. Lavers

Lodges, 17.

Membership, 1,498.

Gain, 9.

The condition of the Craft in this Jurisdiction is good. Though the gain is only nine, partly attributable to affiliations with a new lodge Airisle, the situation is not considered serious. More than half the losses were due to deaths and many of those who demitted affiliated in other jurisdictions. Only nine were suspended for N.P.D.

The size of this Jurisdiction permits the Grand Master to visit every lodge, usually accompanied by a large number of Grand Lodge officers.

The Grand Master did not spare those things he saw which he thought deserved criticism, but came to a saguine conclusion: "The spirit of Masonry is stronger today than it has been for some years and I found most Masons proud they are members of the Craft. All that is needed is a bit more interested leadership, that leadership exists because there are more brains among the Craft than can be found in any other organization."

QUEBEC—1963

93rd Annual Communication — June 6

Grand Master, 1961-63 — M.W. Bro. B. V. Atkinson

Grand Master, 1963-65 — M.W. Bro. S. L. Hodge

Lodges, 109.

The reports of the District Deputy Grand Masters bear out the opinion of the Grand Master that "morale and vitality are at a high level" in the jurisdiction. The lodges of Quebec City received Coeur Unis Lodge No. 25 of Montreal. The first degree was exemplified in the French language during the afternoon, after which all got together for "an exchange of real fraternal goodwill."

The District Deputy of Ottawa District told of the frequent visits between lodges in his district and lodges in our jurisdiction. These visits, which take Masons back and forth across the Ottawa River, extend from Grenville and Lachute at one end to Temiskaming and Noranda on the other.

Although the Grand Secretary's report shows a loss in membership for the year, it is well to note that initiations, 464, were within eighteen of the total of the previous year. Deaths accounted for the greatest loss, 355. Deaths have averaged 350 for the past three years, while the average for the previous three-year period was 381. These figures could indicate that the average age of membership is lower.

There were two Consecration ceremonies during the year and one new lodge was instituted. The first of these events took place in Chateauguay when Salaberry Lodge, No. 130, was consecrated. The second was the Consecration of Harmony Lodge, No. 131, at Roxboro. Grenfield Park Lodge U.D. was instituted. A Lodge of Instruction has been set up at Sorel.

During the year the ritual in the jurisdiction has been completely standardized. The committee responsible made sure that the ancient landmarks were in no way disturbed. Their main concern was clarification and uniformity, and to correct language errors which had crept in over a period of time.

QUEENSLAND—1963

42nd Annual Report — One Special and Four Quarterly Communications

Grand Master, 1961-64 — M.W. Bro. J. Paterson

Lodges, 469. Membership, 37,329. Gain, 143.

During the year three new lodges were consecrated, Southern Star at Toowoomba, Thynne at Brisbane, and Sepik at Madang, New Guinea. Six new Temples were dedicated. Their sites bore the colourful names of Nambour, Go lna, Kavieng, Imbil, Dirranbandi, and Petrie Terrace, Brisbane. The last-named will fill a much needed want in Brisbane.

This Temple is the third to be erected in the Brisbane area under the Metropolitan Building Fund of the Grand Lodge. This modern air-conditioned Temple is capable of providing accommodation under most pleasant conditions for twenty-five lodges. It is so situated as to be easily reached by public transportation and there are no problems of parking. There are now fourteen lodges meeting in the building and the indications are that it will be fully tenanted in the not too distant future.

The Grand Masters throughout Australia express themselves well. They, on occasion, must inevitably speak on

subjects which we have heard discussed before, but they bring a fresh point of view and clarity of expression which make their remarks stand out. M.W. Bro. Paterson, for one, has been quoted at length in these Reviews before. Once more he has given a few brief paragraphs which deserve wider circulation than that attained by the Proceedings of his Grand Lodge.

"We are indeed fortunate in being members of this wonderful fraternity whose beneficent design is the uplifting of the character of the individual, and the promotion of happiness amongst its members in particular, the whole human race in general.

"Freemasonry is a way of life—it is not so much a matter of a spoken ritual, as what is contained in the heart, and it is manifested in the way we act in relation to our fellow man.

"Freemasonry knows no creed except humanity, and has no philosophy except that which makes better men.

"Freemasonry gives us the working tools but it cannot make us skilful in their use. It is only ourselves who can put those tools to work in our daily lives.

"Freemasonry gives us the eternal truths wrapped about by our ceremonies, but gives us material, as well as spiritual benefits—the relaxed and peaceful atmosphere of the Lodge room, the fraternising with the best types of men from all walks of life, the happy evenings spent together, the privilege of giving, and helping with our Masonic Homes, and the opportunity of justifying our existence by doing something practical for our fellow man."

The matter of hot-weather dress, which has been a subject of discussion in the Jurisdiction since 1945, again came up. The Grand Master pointed out that actually there was no constitutional provision regarding clothing, except, of course, the apron, but that certain rules of Masonic etiquette had been followed. Thus formal or dinner dress is worn at all Grand Lodge Communications and by Grand Lodge officers when attending Installations. The opinion is that formal or dinner dress should, if possible, also be worn in lodges. The Board of General Purposes recommended that "during the hot weather, Lodges may adopt a Summer Dress consisting of a white shirt with long sleeves fastened at the wrist and with collar attached, self supporting black trousers, black cummerbund, bow tie, black socks and black shoes; the wearing of a white mess jacket with this dress to be optional.

"This recommendation of the Board does not apply to the dress to be worn at Grand Lodge Communications or by

Grand Officers in attendance on the Grand Master or his representative."

The recommendation was carried.

The great expansion in the building of high schools in the country areas of Queensland led to the decision to close "Barrymount," the Masonic School Home for Boys at Too-woomba. The project was not an old one, having been begun in 1948. During the few years of operation, however, two new dormitories were built and many sons and close relatives of Freemasons benefited from the existence of the school.

RHODE ISLAND—1963

Semi-Annual Communication — November 19, 1962
172nd Annual Communication — May 20, 1963

Grand Master, 1962-63 — M.W. Bro. D. F. Culton
Grand Master, 1964-65 — M.W. Bro. L. E. Smith

Lodges, 45. Membership, 18,633. Loss, 164.

Owing to the increased speed of travel, the movement of population, and the small size of the State, the Grand Master recommended that all jurisdictional lines in Rhode Island be abolished. The Standing Committee on Jurisprudence agreed that this was a proper recommendation to come before Grand Lodge and explained the procedure necessary. The recommendation evidently will be presented at the earliest opportunity.

For more than ten years the matter of the Grand Lodge line of succession has been under discussion. In Rhode Island customary practice has usually involved a line of four stations added to seven years as District Deputy. A committee, appointed to discuss the problem, presented a full report on the practices in many jurisdictions, which revealed a great variety of patterns.

The District Deputy system of Rhode Island is unique in that a District Deputy serves in every Masonic district in turn. There are seven districts. The senior District Deputy, in years of service, invariably is elected Grand Junior Warden. The Committee came to the conclusion that the long and firmly-established custom is too deeply rooted to warrant any recommendations for fundamental changes.

SASKATCHEWAN—1963

57th Annual Communication— June 19

Grand Master, 1962-63 — M.W. Bro. Arthur Wilson
Grand Master, 1963-64 — M.W. Bro. T. McK. Spencer

Lodges, 207. Membership, 17,202. Loss, 172.

When the distinguished visitors were introduced the Grand Master of Saskatchewan in 1953, M.W. Bro. R. L. Hanbidge, was presented alone as Lieutenant-Governor of the Province. Like many other Westerners, the newly-appointed Lieutenant-Governor was born in Bruce County, Ontario. He went West when he had completed his secondary education.

During the year the Jurisdiction lost two Past Grand Masters, M.W. Bro. N. R. Craig (1933-34) and M.W. Bro. W. J. Smith (1925-26). They had reached the ripe old ages of 89 and 87 respectively. The former hailed originally from Nova Scotia and the latter from Huron County, Ontario. "M.W. Bro. Smith attended every communication of the Grand Lodge of Saskatchewan from the time it was formed until a few years prior to his death." The Jurisdiction must owe a great debt to these stalwarts.

During the year the Grand Master laid the cornerstone of the new Masonic Temple at Saskatoon. He also visited a far northern lodge, Uranium Lodge No. 210. He was greatly impressed by the work and the friendly atmosphere.

For the first time in the history of the Jurisdiction a member, Bro. F. W. Martin, attained the record of seventy years' membership. No fewer than seventy-nine members received fifty year jewels. Four members completed memberships of sixty years and one sixty-five.

The Grand Secretary, M.W. Bro. R. Mayson, microfilmed all available lodge histories and the Grand Lodge Register for preservation. The cost was surprisingly low in view of the security achieved. The Grand Secretary has a programme to write the histories of the first thirty lodges in Saskatchewan, and one on the formation of the Grand Lodge, well under way. Another member of Grand Lodge, R.W. Bro. S. R. H. Pipe, is writing the histories of all the remaining lodges.

The Report of the Committee on the Condition of Masonry was a lengthy and comprehensive document. The Committee pointed out that the percentage of attendance shows great variation, ranging from 14% to 50%. The

smaller and rural lodges show higher percentages of attendance. They added, "We would suggest that if dual membership were adopted in this jurisdiction as it is in all other jurisdictions in Canada, it would strengthen the small lodges, give new Masons the opportunity to take part in the degree work and encourage better attendance."

The financial position of all lodges is very good. The Committee on the Condition of Masonry was clearly correct in stating: "Masonry on the whole is in a very sound condition."

SCOTLAND—1963

M.W. Grand Master Mason — Lord Bruce

R.W. Grand Secretary — Dr. Alexander F. Buchan

Lodges, within Scotland, 630.

Overseas, 371.

Lodge St. David, No. 36, Edinburgh, celebrated its 225th anniversary on March 7, 1963. Lodges going back to 1738 must be few and far between.

Twenty-five overseas visitors attended the Quarterly Communication held on August 1, 1963. Among them was Bro. Sir Edward Asafu-Adjaye, District Grand Master of Ghana. When called on to speak he told of the progress of Masonry in Ghana. In part he said, "We have been established as a District for the last ten years and in that period we've got fourteen Lodges In a society, such as ours, where there are no differences of race, religion or creed or position in life, one marvels at the level on which we meet and on the esteem that one has for the other."

Another speaker was Bro. Schlomo Arazi of Israel. The Grand Lodge of the State of Israel was organized only ten years ago. The beginnings were small. At that time there were four Scottish lodges in Israel which were the petitioners for the new Grand Lodge. "Our Work" said the speaker "now has spread and broadened not only because we have done everything to make Masonry a factor in Israel but because the conditions of my country are such that the ideals and tenets of Freemasonry are life necessities It was, therefore, easy to preach Masonry amongst our citizens. We are very selective in the choice of our candidates." Owing to the great diversity of Masonic origins of many of the immigrants entering Israel the lodges are working with three different rituals and in seven different languages.

One third of the lodges of the Grand Lodge of Scotland are overseas. Consequently, during the last ten years, it has been the policy of the Grand Lodge to send deputations, normally the Grand Master Mason, in person, accompanied by the Grand Secretary, to one group of lodges. This year the primary object was to visit the lodges in Peru and Chile. The itinerary was greatly extended, however, to include twelve districts. As the Grand Master Mason said: "We travel in twenty-four different aircraft and sleep in twenty-five different beds. For two months we live out of two suitcases. We freeze in the Andes when we visit our Lodge Roof of the World and we sweat in the tropical heat of West Africa. Perhaps an even greater trial of our fortitude is to stand up to the exotic dishes which are placed before us daily."

The visits included Bermuda, Jamaica, St. Kitts, Barbados, Trinidad, British Guiana, Panama, Peru, Chile, Sierra Leone, Ghana, and Nigeria. The Grand Master Mason was present at meetings in all these countries. At La Oroya, Peru, the meeting was that of Lodge Roof of the World, No. 1094, at an elevation of 12,225 feet above sea level. This is probably the highest lodge in any jurisdiction. While walking around the community, the visitors were given the occasional "whiff of oxygen." At night they had cylinders of oxygen by their beds.

In Chile the Grand Master Mason was made particularly welcome as Lord Cochrane, one of the liberators of Chile, was his great great uncle.

The Jurisdiction continues to expand in Scotland and outside. Petitions, for example, were received during the year for proposed new lodges in Bloemfontein and Johannesburg, South Africa; Korforidua, Ghana; Port of Spain, Trinidad; and Kuala Lumpur, Malaysia. Initiates totalled 11,068, a decrease from 11,889 during the previous year. Nine new lodges were chartered, compared with seven the year before.

SOUTH AUSTRALIA—1963

Grand Master, 1963-64 — M.W. Bro. The Hon. Sir Bruce Ross
Lodges, 208. Membership, 27,708. Loss, 169.

The Circular convening both Communications indicates "Evening dress."

The Jurisdiction is embarking on an ambitious "Masonic Memorial Village Project." The President of the Board of General Purposes made the following points. Extensive Masonic Homes schemes are either actually in being or in the process of being established in Queensland, New South Wales, Victoria, Tasmania and Western Australia. The title "The Masonic Memorial Village" and the word "residents" for those who occupied it had been adopted to avoid any suggestion of old folks' homes or cottage homes, inmates, annuitants, or other terms which might be repugnant to some people.

It was felt that the very minimum expenditure on such a project would be £170,000. The proposal was carried overwhelmingly. Before six months had elapsed the Board of General Purposes had made arrangements to buy a suitable site.

During the year three new lodges were added to the roll.

SOUTH CAROLINA—1963

226th Annual Communication — April 25-26

Grand Master, 1962-64 — M.W. Bro. H. D. McAlister

Lodges, 304. Membership, 58,630. Gain, 561.

The outstanding feature of the Proceedings of this Jurisdiction in 1963 is the group of seven pictures of the Grand Lodge Administration Building, Library and Museum, 1401 Senate St., Columbia. The cornerstone was laid on April 21, 1962, and the building was dedicated on April 25, 1963. The Grand Secretary moved into his new quarters on February 26. The pictures show that the new building is attractive and capacious. The front corridor and Grand Master's office appear to be most official-looking and business-like, but at the same time warm and comfortable. The Masons of South Carolina can well be proud of this building and we in our Grand Jurisdiction congratulate them and all those responsible for its erection.

During the Annual Communication no fewer than six lodges, which had been U.D., were granted Charters. Consequently when the Proceedings for 1964 appear, the total of lodges in the Jurisdiction will be 310. There cannot be many Grand Jurisdictions as active as that of South Carolina.

SOUTH DAKOTA—1963

89th Annual Communication — June 11-12

Grand Master, 1962-63 — M.W. Bro. A. P. Stoddard
Grand Master, 1963-64 — M.W. Bro. Walter Reckling

Lodges, 167, Membership, 19,617. Loss, 302.

The Committee Reports are full and detailed. The Museum Committee requested the appointment of a special committee to survey and study the Museum as it now exists. Much needs to be done in cataloguing. The Committee suggested that the body they proposed study "the extent to which such a museum is resorted to by the general public and the degree to which such a museum contributes to the welfare and advancement of Freemasonry."

The Grand Historian reported that Minnehaha Lodge No. 5 had erected a plaque on a building in Sioux Falls marking the first meeting place of the Lodge, in 1883. He also reported that the lot on which there is a fine marker commemorating an early story of Dakota Masonry continues to be a problem. Finding a local group to maintain the plot is the difficulty.

The Board of General Activities, among its many duties, reported that their library of tape recordings of important talks made at Grand Lodge Communications are constantly growing. These recordings are available without cost to any lodge. The Board also mailed four issues of the "Masonic Messenger" to all Lodges, Masters, Wardens and Secretaries in the Jurisdiction.

The Board of Custodians reported that at least forty schools of instruction were held, as well as sixty or more informal visitations. The Committee on Grand Lodge Building spent a busy year in planning repairs and clearing up areas which had been problems of maintenance. They were able to say that the building now is in good operating condition.

The Special Committee on the Library presented a lengthy report which, in brief, recommended that the Library concentrate on Masonic subjects and that non-Masonic material, such as old Congressional records, law books, etc., be presented to suitable depositories. A reader of the report who does not live in the Jurisdiction and therefore can comment only with diffidence, cannot fail to say that the report reflects the expenditure of much time and thought and lays down principles which might be sound, generally, in the management of all Masonic libraries. Readers of

these Reviews of past years may recall that the Library has been used by students of two local colleges.

TASMANIA—1963

72nd Annual Communication — February 23
Half-Yearly Communication — August 31

Grand Master — M.W. Bro. Rt. Rev. W. R. Barrett

Lodges, 74. Membership, 8,992. Gain, 56.

The Proceedings start out with the remark that when Grand Lodge was opened "The Temple was crowded to overflowing." Only one lodge on the register failed to be represented at the meeting, probably a record for the past twenty years.

With reference to the constitution of a new lodge, Lodge Scotch College, which incidently meets in the Heather Masonic Hall, Launceston, the Grand Master made some thought-provoking remarks which would be appropriate in similar circumstances in any jurisdiction.

"A new lodge is officially constituted with a ceremony that is impressive and full of age-old symbolism. Note, it is not the building that is consecrated, but a body of men who are the foundation members of the Lodge. The place where they hold their meetings—hall or temple—if it is the property of the Lodge, is dedicated. Consecration and dedication practically mean the same, viz., to set apart for a sacred use; to give over entirely to the use of a specified high purpose.

"We are familiar with the terms in connection with buildings which are consecrated or dedicated to the worship and service of God, and many not thereafter be used for secular purposes. It is hard to make Church folk remember that they are the Church in a very real sense, very much more so than the building of wood, brick and stone; that their religion is not something for Sunday use and then put into cold storage for the rest of the week.

"The same applies to freemasons' lodges. A lodge is a body of men banded together for the high purpose of freemasonry. The lodge is, therefore, a living organism, a continuing group knit together into an entity by the granting of its charter, the ceremony of consecration, and the solemn declarations and affirmations of officers and brethren to live and act within the confines of the bounds of freemasonry and to be loyal and true to its ideals and practices.

Each member thus has the honour, faith and dignity of his Lodge in his keeping, and, even more, that of the craft in general. This requires that the meetings of the Lodge be conducted with dignity and decorum, each brother being conscious of the high purpose involved and being anxious to make his contribution, remembering always that no chain is stronger than its weakest link.

"But as the Lodge is comprised of living persons, and is not just a building, or a monthly meeting which transacts its ritual in that building, it is vitally important that our masonry be a real part of us. Its ethics, ideals and traditions must be carried over into our daily life in shop, office, factory and the like, and be exemplified in whatever we are and whatever we do."

TENNESSEE—1963

149th Annual Communication — March 27-28

Grand Master, 1962-63 — M.W. Bro. S. E. Stephenson

Grand Master, 1963-64 — M.W. Bro. J. E. Malone

Lodges, 390.

Membership, 91,137.

Gain, 492.

No fewer than twelve special dispensations were granted for lodges to move into new quarters and three others were permitted to move to temporary quarters pending repair or rebuilding of old buildings. Several meetings were held in gymnasias as the lodges concerned did not have adequate accommodation. Masonry must be most active in Tennessee. One might well wonder, however, what time the officers of John B. Garrett No. 711, Nashville, had to devote to their daily vocations in view of the fact that they conferred 180 degrees. The lodge with the largest membership has 1837 members, the smallest 18.

The Board of Custodians reported favourably on their task of improving the execution of the ritual.

"We are approaching in our opinion, a standard of ritualistic performance with an atmosphere of dignity and reverence in the conferring of the three degrees. We feel that the joint goal of proficiency and impressiveness will tend to help create a better response from those who knock on our door 'seeking light.' The Board members and Lecturers are happy to report that the idea of frivolity and fun, formerly noted in the conferring of degrees, has been rapidly disappearing. In this important phase of our work our two Grand Lecturers have been making a large contribution and we expect them to continue to do so."

The abstract of returns shows that during the year 2,894 were initiated, 2,685 were passed and 2,646 were raised. This great number of degrees evidently did not result in a lowering of quality in the work.

UTAH—1963

91st Annual Communication — January 28

Grand Master, 1962-63 — M.W. Bro. G. V. Culp

Grand Master, 1963-64 — M.W. Bro. E. A. Vail, Jr.

Lodges, 31. Membership, 6,930. Gain, 18.

The Grand Master reported that degree work is being done in all lodges in his Jurisdiction. Attendance is improving and the lodges are in good financial condition. Several lodges are actively gathering funds to build new and improved Temples. The Grand Lecturer reported that almost without exception all lodges are ritually proficient.

The Centennial Fund, established last year, already has received over \$1,000. The \$10,000 required for the Centennial Celebration should be available, when the Centennial arrives.

The Masonic Foundation of Utah reported assets of over \$150,000. The Foundation was instituted thirty-four years ago. It began with the Charity Fund which had been accumulated by Grand Lodge to that time. Its purpose was to create a substantial fund which would produce sufficient income to carry on a number of activities vital to Masonry. These consist of support and assistance to needy members and dependents, development and education of youth, and the providing of care through hospitalization or otherwise to those requiring such assistance. The Fund has grown steadily.

The Committee on Masonic Education reported that the new publication, Utah Mason, had been well-received. Five issues had been published by the date of the Annual Communication.

For several years the Committee on Grievances and Appeals has not been called upon as no matters have been submitted to it.

VERMONT—1963

170th Annual Communication — June 12-13

Grand Master, 1962-64 — M.W. Bro. N. L. Cobb

Lodges, 102. Membership, 17,617. Loss, 164.

During the year the Grand Master attended one 150th anniversary and two 100th anniversaries. The oldest lodge in the Jurisdiction is Dorchester No. 1, Vergennes. The charter has two dates, 1791 and 1798. Union No. 2, Middlebury, is dated 1794 and 1797. The lodge named "Seventy-six" is No. 14, with a charter dated 1829. The name presumably commemorates the Declaration of Independence.

The Grand Master showed concern over the number of lodges represented at the Annual Communication by proxies. The practice is sufficiently widespread that many Masons are missing their opportunity to learn of the Grand Lodge and its activities. Also, when the Grand Master and his officers visit a lodge or district there are few who know them by sight or name. He remarked: "This is a rather strong indictment." In spite of the points made, a great majority of lodges are generally represented by their own officers.

The Grand Lecturer reported that only one district failed to have 100 per cent representation of lodges at a district meeting. The programmes were done exceptionally well.

VICTORIA (AUSTRALIA)—1962

Quarterly Communications, March, June, September,
December

Grand Master — M.W. Bro. His Excellency General
Sir Dallas Brooks

Grand Secretary — R.W. Bro. C. W. Davis

Lodges, 808. Membership, 113,456. Gain, 187.

The foregoing membership figure excludes dual memberships, which total 4,453.

The quarterly reports of the Board of General Purposes, the Board of Benevolence, and the Board of Management of Freemasons' Hospital, tell much of the range and the amount of good work done by the Grand Lodge.

The Committee of Management of the first Board considered 700 applications for Masonic scholarships and were able to award twenty-five. In addition, they awarded fourteen specially-named scholarships.

The Board of Benevolence met many times and several of its members did not miss a meeting. Benevolence totalled more than £20,000 during the twelve months.

Freemasons' Hospital has been in operation for twenty-five years. During the year the total number of patients treated was 3,306. Operations totalled 1,890 major and 954 minor. Masonic patients comprised 65% of the total. These figures show that the hospital maintains a high standard of service to members of the Order and the community in Victoria. Freemasons and their dependents received rebates from their accounts of £9,837. These rebates are set at £3/13/6 per week, the usual weekly rate being between £30 and £45, depending on the accommodation.

The Grand Inspector of Workings stated that a high standard of dignity and ceremonial is evident in lodges. He showed the strict obedience to the rules laid down in the Jurisdiction by drawing attention to certain irregular practices which had been introduced in some lodges.

“Non-Freemasons in attendance and giving harmony at Festive Boards.

“Master Masons assisting a Past Master when communicating the Secrets.

“Junior Wardens instead of Masters instructing Stewards to retire.

“Junior Wardens instead of Directors of Ceremonies inviting Brethren to the Festive Board.

“Masters making special reference to the Chaplain when inviting the Brethren in the East to retire with him at the conclusion of the meeting.

“Brethren remaining at the Festive Board after the Tyler's Toast has been honoured.”

The Grand Inspector gave his opinion that all lodges which had introduced these unapproved practices should be directed to discontinue them. For, as he added, “Uniformity of ceremonial throughout the Constitution has always been accepted as one of our basic rules, and the good sense of Freemasons will lead them to appreciate that if individual Lodges were permitted to introduce irregular practices into Lodge procedure the Order would soon be faced with a bewildering variety of such innovations.”

The Grand Master, who was installed at the March Quarterly Communication, spoke feelingly of the sympathy he had received during his severe illness. As he once again, for the thirteenth time, heard the address on the qualities of a Grand Master, his thoughts turned to the word “ambition” and he wondered if it is a good or evil quality to possess. He left his hearers to think about the problem. He did present one conclusion, however, “A sense of humour is a great safeguard against wholesome emulation turning into fearsome ambition.”

One 70-Years' Jewel was presented.

The March Quarterly Communication sees the most business dealt with. In September, however, the Pro Grand Master reported on plans to build a new Temple for the Grand Lodge. As he said, all contributing members "should be regularly informed as step by step we move onward to the consummation of our cherished ambition of the building and dedication of a worthy edifice, beautiful and adequate for generations to come, and a visible witness to the dignity, high importance and strength of our beloved Order in this State of Victoria."

The aim is to commence operations not later than June 1966. It is anticipated that building will take two years and that the total cost of the building and furnishings will be £1,400,000. The plan envisages that lodges will make an annual contribution of £1 per member. After the building is completed it is hoped to continue the annual contribution to a fund to assist in financing rebuilding of and extensions to country and suburban Temples.

The December Quarterly Communication saw R.W. Bro. Eric Hughes, Deputy Grand Master, declared Grand Master-elect for the forthcoming period.

A Commemorative Communication of the Grand Lodge was held in the lodge room of Fredericksburg Lodge No. 4 in Fredericksburg, November 3, 1962, to commemorate the 210th anniversary of the initiation of George Washington.

M.W. Bro. A. B. Gay, the Grand Secretary, is endeavouring to build up a card file on every individual Mason in the Jurisdiction. Many requests are received from genealogists for biographical information. The Grand Secretary actually has little information except the name and lodge number to which the member belonged.

An interesting statistical table compiled by the Grand Secretary shows that in 1962 26.3% of the initiates were between 21 and 29 years of age, 43.9% between 30 and 39, and 21.7% between 40 and 49. These percentages revealed

a marked rise in the two categories between 21 and 39 when compared with former years. Candidates are evidently entering younger in Virginia.

Despite two periods in hospital, the Grand Lecturer was able to visit twenty-four districts and give instruction to the officers and members of 127 lodges.

The Grand Secretary writes the Fraternal Reviews. In his foreword he states his opinion that "The greatest need in Masonic circles today seems to be that of dynamic leadership."

WASHINGTON—1963

106th Annual Communication — June 18-20

Grand Master, 1963-64 — M.W. Bro. A. N. Bradford

Lodges, 284.

Membership, 67,927.

In addition to laying cornerstones for two lodge buildings, the Grand Lodge laid cornerstones for four schools. The Grand Master added, "Undoubtedly, the best-attended and the ceremony attracting the largest interest among military and local brethren, as well as the local people, was the cornerstone laying for the new athletic building at the University of Alaska at Fairbanks, Alaska." As readers of these Reviews will recall, the lodges in Alaska, fourteen in number, come under the jurisdiction of the Grand Lodge of Washington.

The Grand Secretary told of two unusual happenings during the year.

"A Lodge in this area conferred the Three Degrees of Masonry upon a brother who was 90 years of age. In confirming the birthdate, the Secretary said that the brother had no difficulty in memorizing the posting Lectures, and that he was still self-employed as he was the manufacturer and salesman for his own product. The other unusual situation was that a Lodge reinstated a brother who had been dropped for non-payment of dues in 1912. He had been Raised in 1906. I suggested to the Grand Master that perhaps we should present him with a certificate commemorating his fifty years of continuous absence from our Fraternity."

The great pity in these stories is that the two brethren between them were deprived of over one hundred years of those values which we all receive from our membership in the Craft.

The Committee on Fraternal Correspondence, represented by M.W. Bro. Winkels, P.G.M. (1953), devoted the second part of its report to the subject of candidate indoctrination and officer education and capability. The two pages of comparatively small type are full of sound conclusions. Two paragraphs will serve to show the tenor of the remarks, but certainly not all the points made.

"Are we putting too much emphasis and effort in publicizing the activities of Freemasonry and making an appeal to prospective candidates on the basis of pomp, pageantry and entertainment, and too little appeal to the highest instincts and aspirations of thinking men in their quest for a better way of life for all mankind, a brotherhood, best attained, best exemplified and best advertised by the practice of the principles and tenets of Freemasonry by Masons wheresoever dispersed? What will it profit us to attract candidates if we cannot maintain their interest and retain them on our rolls?

"Our brethren of the English, Irish and Scottish Constitutions, as well as many others, are not greatly concerned about a constantly accelerated increase in membership, for they are concerned with quality only and not with quantity as it refers to mere numbers. Consequently, their petitioners are carefully investigated to provide every assurance that if accepted, they will become Masons in fact and deed. They leave nothing undone to properly instruct and impress the candidate concerning the principles, aims and objectives of the Craft and the part that he, as a member of it, is expected to play in furthering its ideals. As a result their losses in membership for the non-payment of dues is very, very small indeed."

The Reviews, extremely well-done, cover eighty-seven pages. Information of interest is given under "Scotland."

"Among the Officers of the new Grand Lodge of India it is of interest to note that, following the custom of the Grand Lodge of Scotland, there is an office of 'Bearer of the Volume of the Sacred Law.' There were in fact five brethren in this office, each Brother bearing a separate Volume of the Sacred Law—The Gita, The Koran, The Granth, The Zend Avesta and The Bible."

WESTERN AUSTRALIA—1963

Communications — April, September

Grand Master — M.W. Bro. Frank Gamblen

Lodges, 320.

Membership, 22,035.

Loss, 192.

These Reviews, last year, reported the death of the Grand Master, M.W. Bro. J. L. Rossiter, and the installation of M.W. Bro. His Excellency Sir Charles Gairdner. He in turn, in April, 1963, announced his departure from Australia, on the conclusion of his term as Governor. Although busy with official duties, as Grand Master, he found time to cover the State "from the sparsely settled North to the productive South, from the sea-grit West to the rabbit-proofed East."

M.W. Bro. Frank Gamblen, Pro Grand Master, was elected Grand Master. In his reply to the address of the Installing Grand Master, the new Grand Master recognized the fact that he had inherited a great tradition, but pointed out that tradition is not enough. "We must live in the present and look to the future — our heritage is a guide post to the future, not a hitching post to the past."

WEST VIRGINIA—1963

99th Annual Communication — October 16-17.

Grand Master, 1962-63 — M.W. Bro. W. J. Maier, Jr.

Grand Master, 1963-64 — M.W. Bro. H. A. Avey

Lodges, 163.

Membership, 48,396.

Loss, 234.

The newly-elected Grand Master, M.W. Bro. H. A. Avey, as his biography reveals, has "an outstanding attendance record, not having missed a stated communication of his lodge (Berkeley Lodge No. 37, Hedgesville, W. Va.) from the date he was raised, February 7, 1925, until February, 1961 or a period of 36 years." Such a record shows great interest in Freemasonry and good health, the first an essential in, and the second of great value to, a Grand Master.

Unfortunately, though, M.W. Bro. Maier suffered from illness for several months during his year in office. In spite of problems of health, however, the Grand Master visited many lodges. He reported: "On numerous occasions we exercised the ancient prerogative of the Grand Master to preside in the East of any particular (i.e. constituent) Lodge as a matter of constitutional right, not with any intent to display the authority of the Office of Grand Master, but to preserve the legal integrity of that valuable prerogative and to illustrate and emphasize the close relationship between the Grand Lodge and its particular Lodges." For the same reason, whenever possible, he gave notice to all lodges of all special communications of Grand Lodge. As he said, "The Masters and Wardens of the particular Lodges are as much entitled to these notices as any of the officers or past officers of the Grand Lodge." Certainly, his actions would serve to draw the various lodges and the Grand Lodge to-

gether. Attendance at special communications has also increased.

During the year the Grand Master issued five edicts "all concerned with problems arising out of the vexatious law of territorial jurisdiction".

Of twenty-three formal rulings one group dealt with relations with other organizations. In all cases, the Grand Master took the stand that "Ancient Craft Masonry is an exclusive organization." Fraternal greetings of the Grand Lodge, he held, may be extended by the Grand Master or his representative only to regularly-constituted Masonic bodies. Organizations, which he listed, claiming connection with Masonry through family ties of their members, are not Masonic bodies. He ruled also that the Grand Lodge could not sponsor an organization such as the West Virginia Association for Mental Health. He concluded, "Our Constitution binds us to the ancient usages and customs of the Craft, which strictly forbid such relationship."

The Grand Master covered many other subjects, and, at every point, showed himself to be a strict adherent to the principles of the Craft, which he clearly knows well.

WISCONSIN—1963

119th Annual Communication — June 11-12

Grand Master, 1962-63 — M.W. Bro. B. E. Fulmer

Grand Master, 1963-64 — M.W. Bro. B. H. Schlosstein

Lodges, 305.

Membership, 61,421.

Loss, 827.

During the year five lodges built or acquired new Temples, one broke ground for a \$75,000 Temple, and two more were in the process of acquiring new buildings. The Grand Master believed that the great activity heralded an upturn in interest in Freemasonry. "Masons who have no hope, no faith in the future, do not invite the hard work of raising money and building new temples."

The Wisconsin Masonic Foundation had a favourable year. Total assets now amount to almost \$120,000. Contributions to the funds during the year amounted to \$39,000. The expenses of the Foundation amounted to only \$43.99, striking evidence of the wholehearted voluntary service given by the Officers and Trustees. The Foundation contributes \$15,000 to the Wisconsin Masonic Home at Dousman and \$1,500 to the University of Wisconsin, to be used as a scholarship for needy and deserving students "in the studies of the formulation of the Declaration of Independence, the

United States Constitution and Bill of Rights, and the fundamental principles established by our forbears." Briefly, the subject might be called "American Political Theory."

The Foundation is aiming to have every Mason in Wisconsin become interested in its affairs by considering it the vehicle through which contributions to any charity may be made. The Foundation has the power to make contributions for practically any charitable purpose. All contributions to the Foundation are exempt from Federal and State taxes.

WYOMING—1963

89th Annual Communication — August 26-27

Grand Master, 1962-63 — M.W. Bro. Hugh Brower

Grand Master, 1963-64 — M.W. Bro. A. D. Murray

Lodges, 55.

Membership, 12,997.

Loss, 40.

"Believing that every Masonic Lodge should have sufficient financial means with which to maintain its Temple, Furniture, Regalia and other equipment in suitable condition, and to maintain its proper prestige in the community," the Grand Master recommended that no lodge confer the three degrees for less than one hundred dollars and that annual dues should not be less than ten dollars. The Jurisprudence Committee did not support the Grand Master and the recommendations were not approved.

In 1952 the Grand Lodge of Wyoming withdrew questions relating to the manufacturing or sale of intoxicating liquors from petitions for initiation and affiliation. The form for the report of the committee, however, still included a question on the subject. This last question was dropped at this Communication and now no form used in the Jurisdiction carries the question.

The Committee on Appeals and Grievances reported, with great satisfaction, that no request had been received for action.

The following names of lodges stand out among the colourful ones encountered in various Proceedings: Chugwater No. 23 and Tensleep No. 46. These Lodges were named after the towns in which they meet.

APPENDIX "B"
GRAND MASTER'S BANQUET
Royal York Hotel, Toronto, Ontario

July 15, 1964

M.W. BRO. J. A. IRVINE: I shall now call upon M.W. The Hon. R. W. Treleaven to introduce our guest speaker.

M.W. BRO. THE HON. R. W. TRELEAVEN: M.W. Grand Master, M. Wor. Sirs, Distinguished Guests and Brethren: It is a very pleasant task which has been assigned to me to-night, that of introducing our guest speaker that you all know now to be Dr. Carl S. Winters. Dr. Winters was born on a farm, and I'd like to digress for a moment to tell you that he is one of the most delightful conversationalists that I have ever met; you sit beside the speaker that you have never met before; you feel sort of subdued and awed, but we have had just a very delightful time here and if you enjoy him as much as I have already, we are going to have a very lovely evening.

Dr. Winters made his first speech at the age of 11 when he addressed a local farm bureau on the subject of raising a prize-winning Duroc Hog—I asked him all about that and I know all about Duroc Hogs now. (Laughter). The audience liked his talk so much they awarded him first prize, a week's course at Purdue University called The Farmer's Short Course, and Carl Winters has been speaking ever since. (Laughter).

At the age of 18, Carl Winters became the minister of a country church where he looked after the spiritual needs of its 30 members. Now again I must digress; when I got this material it was carbon copied, that line wasn't very plain and I read it and read it and I thought that can't be right, because I read it that at the age of 18 Dr. Winters became the minister of a country church where he looked after the spiritual needs of its thirsty members! (Laughter).

Since that time his ministerial duties have expanded considerably. He served for 9 years as the minister of The First Baptist Church of Jackson, Michigan, and for 20 years headed one of the greatest Baptist Churches in America. Since September 1, 1959, Dr. Winters has given full time to writing, lecturing and travelling. He has devoted a great deal of his time and energy to the problems of crime prevention and rehabilitation, particularly as these relate to young people.

While in Jackson, Governor Fitzgerald appointed Dr. Winters the Chairman of the Crime Commission of the State of Michigan, and, while serving in this capacity, he put on a programme of prevention in the field of juvenile delinquency.

He also served for 5 years as Chairman of the Skid-Row Commission in Chicago—you can let your imagination work on that—and as an adviser on the Juvenile Board of Sheriff Loman's, Cook County, Illinois. He is a member of a number of crime prevention and rehabilitation boards, one of which is the St. Leonard's House headed by Father James Jones. His particular assignment there is the Michigan Farm of Rehabilitation for Ex-Convicts.

Dr. Winters is a guest lecturer for General Motors Speakers' Bureau. Now let me make it plain; I haven't been told to say this but I think you should know that he is here to-night through the courtesy of General Motors of Canada and we appreciate it.

He is a Mason, belongs to Fair Oaks Blue Lodge, No. 1006 in Oak Park, Illinois; he is a member of Silom Commandery; 32° Scottish-Rite Mason from the Valley of Chicago and, unless he's changed his mind, he's to speak to us on a very timely subject of "Masonry and the Art of Living." Brethren, I mean it when I say I am delighted to give you Dr. Carl S. Winters. (Applause).

MASONRY AND THE ART OF LIVING

DR. CARL S. WINTERS: Thank you, Judge, Your Honour, for that gracious introduction. Worshipful Master, Most Worshipful Masters, very distinguished Masons from all over America: When I get a beautiful introduction like that I like to come down to earth by telling a true story that happened to me when I was head of the Skid-Row Commission in Chicago and, incidentally, I'm glad the Judge mentioned that because it's good to see three or four of you again—(laughter). We had a fire on Skid-Row, on Madison Street, and a couple of old men were burned to death, Mayor Connelly called me about it and one of my little daughters answered the phone. The Mayor said "Is Dr. Winters there?" Well, she knew what a medical doctor was, she knew what a dental doctor was, but she wasn't sure about my kind of doctor, so she hesitated a little while and then she said "Yes, Dr. Winters is here, but he's not the kind of doctor that will do anybody any good. (Laughter). Now Mayor Connelly was a good Catholic and he said that was the best description he had ever heard of a Baptist clergyman. (Laughter). Well, I told him that I thought he was pushing that point a little too far, so the next time he introduced me he countered by telling this story: He said that reminded him of the old woman who had been everywhere, had the money to go anywhere, but didn't know where to go. She was pestering the daylighters out of the railroad agent to see where she should go. She was holding up 17 typical Americans in the line all of whom were in a hurry—

some of whom wanted to tell her where to go—so to solve the situation he decided he'd break the bottleneck and get into production by making a suggestion. He said "Mrs. Jones, why don't you go to Ireland, you've never been to Ireland and that's a lovely country." She said, "I don't want to go to Ireland, it's cold, it's damp and it's full of Catholics." With that, he said, "Then why don't you go to Hell, that's hot and dry and full of Protestants". (Laughter).

Now I don't feel like telling anyone to go there to-night, because I have been thrilled to be here and I have been amazed to see how many foreigners you let in here. (Laughter). Considering all these distinguished Grand Masters from all over who have invaded Toronto, I sure hope that these brethren from the U.S.A., will stay under control over here, and I think it is wonderful of you to be such gracious and generous hosts to those of us who have crossed our peaceful border which is a symbol of the way the human race ought to live side by side in power and plenty. So I am very happy to be here to-night.

I had a delightful time visiting with this man who has held the highest position in your Dominion in judicial affairs in this country, and across him to a city farmer in Pittsburgh—those are the birds that make the money in town and waste it on the farm—tax deductions! But he assures me now that the farmers can't make any money. (Laughter).

I have been so happy to see the Grand Masters of a dozen of the Grand Lodges of the States where I have had the privilege of speaking, and on Sunday I shall have the privilege of addressing 7,000 of my brother Shriners in the Radio City Theatre in New York City. I always love to talk to my fellow Masons. They are a special kind of people and the best kind of people.

The other night we had the wedding of our final daughter. She's always been a little brat and loves to kid her daddy but I never knew exactly when she was kidding. Recently she looked across the breakfast table at me and said: "Daddy, as an outsider what do you think of the human race?" (Laughter). Well, I don't know whether she knows it or not, but I belong, I carry a card, and when I am with gentlemen like you I am very proud of the fact that I carry a card. There are sections of the human race in my very interesting life, from the farm on up, and I thought that was—you know, Judge, that's thirsty Baptists, we had some of them (laughter) but that was not really allowed. We Baptists, as Dr. McAlister here, who is a Past Grand Master and a Baptist Clergyman here knows, we

Baptists are allowed to sin a little but we are not allowed to enjoy it. (Laughter).

But what I think I ought to say to you is that I have sort of graduated a little bit because I am on the Episcopal Board. I was talking to the Archbishop about it and even he was nice about it, and I wanted you to know that when a Baptist gets on an Episcopal Board he's arrived, Bud. (Laughter).

But I do want you to know that this is not a religious speech to-night. (Laughter). A little later I've cooked up something with Dr. McAlister here; we are the two Baptist Clergymen here and may I salute all the rest of you clergymen, my fellow ministers, but we are going to leave you out of this. Dr. McAlister and I are going to do something religious after awhile—we are going to take up a collection! (laughter) and since we are the only two Baptists that I have located yet, we are going to divide it. (Laughter). Anyway, I think I'll let him take it home with him because General Motors, my favourite General, is paying me. (Laughter).

This is not about denomination—that's a wonderful thing about Masons; we don't ask you your denomination. I lecture a lot for the Methodists and I always consider that a great missionary opportunity (laughter)—I'm only kidding. I really am. But one of my Methodist Bishop friends said that if we could get the heat of the Methodists out of the water of the Baptists, we could warm up the Presbyterians. (Laughter). He said: The Methodists are picked up out of the mud, the Baptists wash them off, the Presbyterians put starch in them, and the Episcopalians iron them stiff. (Laughter). I think it would be fair to-night to say that the Archbishop is going to get equal time later on—but not to-night. (Laughter).

This is not a Baptist sermon, and it's not a political sermon, I don't belong to any organized political party in the States—I'm a Republican—(laughter). You fellows know that in the States we may get organized, but so far we haven't.

But getting back to this youngster of mine, and what do you think of the human race, in spite of the fact that for 38 years I've walked with one foot in the gutter and the other foot on the boulevard, one half of my life in the criminal parade of crime and the other half in the creative business of the church, in spite of the fact that I have 31 murderers paroled to me as a part of that work, in spite of the fact that I have known the best and lived with the worst, I still like the human race. I think there's an awful

lot of hope for us when we really get on the beam and Masonry does put us on the beam.

Now, I don't always approve of the human race any more than it always approves of me. For instance, I used to have a character on my official board in my church that I didn't approve of. He used to say: "There ain't never ever going to be unanimous on this Board as long as I'm on it. (Laughter). So now it's hard even for a clergyman to like a stinker like that. (Laughter).

The other day, at Rotary, our School Superintendent walked in with a big grin on his face. His principal was ill in hospital and the Board of Education thought they should send him a note of recognition of his ailment, and the message read as follows: "By a vote of 4 to 3 we hope you survive." (Laughter). There are parts of the human race that put a strain on you, you know; we have such terrible disagreements.

There is a lady on my street who henpecks her husband; she doesn't completely dominate him; she let's him iron his own aprons, a few things like that. But the other day she was giving him a hard time and he knew that he didn't dare talk back but he was mumbling to himself when she caught him, (laughter) well, she fixed him with a stoney stare and said: "You quit mumbling—if you've got anything to say, shut up." (Laughter).

I was delighted the other day about a story which came to light when our U.S. contribution to the British Parliament died, if you remember. She was a lovely lady from Virginia, I believe, Lady Astor. She had had a running battle with one of this century's, perhaps this century's greatest statesman, Sir Winston Churchill, and one day she planted herself in front of him, shook her bony finger in his chubby face and said: "Sir Winston, if you were my husband I'd poison you." Well, he chomped on his burned-out cigar for awhile, looked at her and sized her up, and then he said: "Lady Astor, if you were my wife I'd take it." (Laughter).

Now maybe this is the reason why somebody on my street said recently: "It takes all kinds of people to make a world, thank God I'm not one of them."

But when we come together under the banner of Masonry, we come together in a special kind of fellowship. It is not only the magnificence of the high ideals embodied in the work we take; it is not only the pledge we make to each other when we kneel at the altar, but it is a kind of fellowship that is not known in most of this world to the degree that we in the Craft know it.

I have always loved the beautiful poem, Trees, by Joyce Kilmer. But I think, as applied to Masons across the world, I like the parody written on it called "Friends", it says:

"I think that God will never send
A gift as precious as a friend,
A friend who always understands
And fills each need as it demands
Whose loyalty will stand the test
When skies are grey and overcast
Who does far more than creeds can do
To make us good, to make us true
Earth's gift tastes sweet contentment lends
But only God can give us friends."

And so, brethren, it is to-night under that banner of a friendship, of a fraternal sort, that I want to speak a few words to you around a few thoughts around or about the fine art of living and Masonry, or, "Masonry and the Art of Living."

You know, when I talk about this friendship, I can tell you across this world innumerable stories that have come out of my experience of circling the globe four times, of people who happen to have on a symbol which signifies, or a ring which meant they belong somewhere in our Craft, who have done the most unusual things.

I think the most amazing one that ever happened was when I was head of the Skid-Row Commission. I often had to go down into the dives of the City of Chicago and pick up some person who was in trouble. In this particular case, at 2:00 o'clock in the morning, I got a frantic call from a joint in Chicago and it was the son of the janitor of my church. The janitor of my church was one of the most deeply religious persons I have ever known. He also had a perfect Christian wife but, as so often happens, they had a son who was a repeat, and repeat, and repeat criminal. He had just gotten out on parole, his third time and he had gotten his pay that day and headed for the dive in the City of Chicago. Now he had spent in this dive of gambling and vice the \$320.00 he went in with and was \$300.00 in debt, and the owner was going to call the police. Well, if you know anything about criminal law in our part of the country, that meant he would go back to the penitentiary permanently, and that was the end. So in frantic desperation he called me.

Now my congregation always furnished me with money, money which they did not require me to report on, to help people who could not help themselves because my people did not want to embarrass them and they trusted their minister to spend it the right way. So at 2:00 o'clock in the

morning I telephoned Mike Fraser and said: "Get a cheque for \$100.00 ready, I have a call to make." He said: "Pastor, are you drunk?" (Laughter) I said: "No, just get the cheque ready."

Now of course when I went to those places I always did a thing to protect myself, I always telephoned the Chief of Police, or the Desk Sergeant, and I always let one of the officials of my church know because the Pastor might run into one of his Deacons down there (laughter) and he would wonder what he was doing there! because I've often had people bother me who had spent all night sowing their wild oats and then come to me and pray for a crop failure. (laughter). So I went to this place after I had established with the church and the police where I was going. I walked in and both the girls and the gamblers thought I had come for business but I rushed through to the back room where a large man of ancient extraction sat beating his fat fists on the table and holding this ex-convict.

I walked in to him to explain my position that I was a Pastor, had \$100.00 and wanted to clear off this \$300.00 debt. But the man made the point that the man owed him \$300.00. I pointed out to the man who owned the dive that it was a great injustice, that he was violating the law and that I could call the police. He calmly said "I own the police"—and this was right. This was in the backwash of Al Capone's days when Al said: "I can handle any policeman in Chicago in one of two ways. I can shoot him, or I can buy him for \$10.00 and," he said, "it's cheaper to buy him."

Well, I didn't get anywhere with that. So I got out to approaching him on his religion, but he was one of these characters who had his religion in his wife's name and I got nowhere there either. (Laughter). But as this angry man, who felt a great injustice had been done to him not only because he wasn't going to get the full amount, although he had already gotten \$320.00, and I was offering him \$100.00 more, as he beat his fists on that table I noticed a ring, a ring that I had on my hand, and I wondered how in heaven's name he got it. I looked into his beady eyes and I thought—this was the first and last time in my life I ever used that ring—I thought I'm going to try this and I said: "You know brother, it looks like you and I have travelled some of the same spots", and his eyes fell on my ring, and I'm telling you the truth, the whole truth, and nothing but the truth when I say he crumbled, he crumbled like a child, and what I could not do by law, and what I could not do by religion, I was able to do by a symbol. I said: "It seems to me that when we knelt at the altar we'd do anything in the world for a brother; I am asking you for the life of a man and I am giving you \$100.00 for him."

Well, I got my man, took him home to his wife who didn't even know he was an ex-convict. We got him straightened out; we paid his debts and got him out of town and he started life over and became a great churchman.

What I am trying to say to you is this: There are depths to our fraternal fellowship that we seldom ever realize, and it is for that reason that I think Masonry is significant in this particular moment of history, in this day when we have nuclear giants and ethical infants, in this day of guided missiles and misguided men, we need some of the things that give men a foundation, a base on which to stand.

Now do not misunderstand me, brethren. As a preacher I do not believe that my Masonry is my religion—I do believe it supports my religion and enriches it. It is for that reason that I always said to the members of my church, "always live on the square all week and come round on Sunday." And this is a good way to do it.

And so when I'm talking about the art of living and Masonry, I'm talking about the things that begin with fellowship and was illustrated by this radical example, but true example, that could very well have been written about in the anapolic, who said:

"Oh the world is a curious compound
With its honey and its gold,
With its cares and bitter crosses
But a good world after all
And a good God must have made it
Leastwise that's what I say
When a hand is on my shoulder
In a friendly sort of way."

How good and how pleasant a thing it is for brethren to dwell together in peace, and if we can enlarge those circles of peace, so that the United States and Canada, who are the supreme illustration of the longest piece of border of all history, that all men could learn to live in peace, we would build a heaven on earth which we have not been able to build in peace.

Now in the art of living there are two sides which are very important, one of those sides is how we make a living, and the other is how we live our lives. The one has to do with money, and the other with meaning; the one has to do with the practical and the other the philosophical; the one has to do with material and the other with spiritual, and they are both superlatively important. Even a Baptist preacher, for instance, knows you have to make money. In

church as in business, it's profit or perish and I dare you to prove that it isn't.

When I became the minister in the great church in which I have just retired after a 20-year pastorate, my first job there, Dr. McAlister, was to pay off the \$500,000.00 debt on which they couldn't even pay the interest. This was 25 years ago and I was very young. I didn't know how to do that kind of job so I went up to New York City to talk to Dr. Southam, Dr. Fosdick and Dr. Peale and, while I was there, as was my custom, I went to see the plays on Broadway. Now the most popular play on Broadway 25 years ago was about money. It was that delightful play that many of you saw called "You can't take it with you." I loved the play, but I came away quite unconvinced because I needed \$500,000.00. I said, maybe you can't take it with you but you can't go where I have to go without it either. (Laughter).

I didn't know what to do about that, so on the way home I got an idea, and on my broadcast in Chicago the following Sunday morning I said to my congregation: "You can't take it with you, but if you will give it to me I'll send it on ahead for you." (Laughter). You know, you'd be surprised to know how many Baptists there were in Chicago who were willing to buy a little fire insurance (laughter) and we paid off that debt in no time flat. Then I got \$300,000.00 more out of them to improve the church and build a new chapel, I got another \$300,000.00 out of them to build a new church, which I dedicated last October, and when I left them as their minister I left them \$250,000.00 in the bank.

Now the point of this story, which is a true story, is this: I believe in money. I've got some news for you—this may not be orthodox Baptist-ism, but I like money. I've got some more news for you—I don't even like anybody who doesn't like money (laughter) and I'll tell you why, brethren: Money is a tool. I think the most amazing epitaph I ever saw in my life was in Greenville Cemetery. it said: "He fought a good fight, but his razor was dull." (Laughter). You see, the tool was no good and he was dead as a dodo.

Money, brethren, in the hands of a good man—ask the Archbishop or anybody else—money in the hands of a good man is a tool: it is a magnificent tool; it is the tool by which I built the church in which I worship; it is the tool by which I built the home in which I live; it is the tool with which I educate the children the daughters whom I love: it is the tool by which I pay my taxes in 3 States and which I am proud to pay, because taxes are the price you pay for the civilization you hope to get—I just hope we get a little more of it as we go along. (Laughter).

The point I am making is this: Pick up The Telegram, your local newspaper. I just picked it up and it mentioned the children of Hong Kong—I've just returned from there. You watch those children as I have watched them with the same shrill voice begging for a penny, or attempting to sell you their sister or their mother for food. You sit as I have sat with Albert Schweitzer in the heart of Africa and listen to him talk by the hour of two things, fertilizer and fallout, that is, food from the earth, or death from the heavens. Then you hear him say: "If I could teach the people of Africa to fertilize their soil, they would not have to sell their daughters to buy a little land."

Three days after I had had my last conversation with Dr. Schweitzer, I was finishing my lectures on the Gold Coast of Africa in the City of Dakar. My wife belongs to that political party in America, or in the United States, where we have an elephant for a symbol, and she wanted some ivory elephants to take home for some of her friends. So we went down to the market on this Sunday afternoon, and at 2:00 o'clock on a beautiful sunny summer afternoon, on the Gold Coast of Africa, I got a motion picture story of a slavetrader attempting to sell us a beautiful 18-year old healthy happy black girl, for life, for any purpose for which we wanted to use her, no questions asked, for \$5.00. Her father and mother had sold her for \$1.00 and, as Dr. Schweitzer had said, being illiterate, with that \$1.00 they could buy 5 acres of land, stay there until it had sapped its strength, then move on like animals.

I spent all night in the Black Hole of Calcutta with 40,000 women who had been sold, and when I come away from things like that, brethren, and come back to America or Canada where we have an economic system of free competitive capitalistic enterprise that has given us the finest products for the widest distribution, paying the highest wages and getting the most fantastic standard of living history has ever known, when I come back to America where our economy has enabled us to walk a little straighter with the dignity of the image of God upon our hearts, I thank God for money, I thank God for our way of life that brings us coin by the sweat of our brow and the toil of our hands, the tool of our compassion, and we should not apologise for it.

I like what one of our British economists said to me recently as I was leaving the University of London; he said: "the people who criticize America for being too materialistic miss the point." He said, "they forget that while America creates things, they also create values, visions, purposes, programmes and people." And I dare you to try to separate entirely our economic standard from some of the

compassion. We people of the Dominion of Canada and the United States of America are the most generous people in the world; we are the freest people in the world and we use this tool.

We, in the States, since the last War, have given away to enemy and friend alike \$115 billion to help develop the economy of our world, and I just don't like anybody who doesn't see what this means, because it means something in the art of living, and you, as a Mason doing an honest job in your legitimate business are just as much a clergyman as Dr. McAlister, or the Archbishop, or myself, or you other distinguished brethren. You are ministering in the field of economic service and we need to keep our ideals of Masonry in mind when we do that thing. But I do not want to leave you with that thought. Basically I am not an economist. I am rather stupid about money. I just know enough about it to know that my neighbour was right the other day when he said: "Every time we catch up with the Joneses, they re-finance." (Laughter). This is the other side of it.

Basically I'm as stupid as a friend that they tell about who graduated from one of our great universities just because he could play football. They said that he was so stupid academically that when the President gave him his Athletic Letter he had to read it to him. (Laughter). They said Gus was so stupid he even flunked recess. (Laughter). They voted him most likely not to. Well, 25 years later his fraternity was having a reunion; all the rest of the gang was there but they didn't think Gus would be there. They thought he'd be on one of my skid-rows. But a large chauffeur-driven Cadillac drove up in front of the place and in the back seat was Gus, large as life and twice as funny. He got out, looked up at his amazed fraternity brethren, and in evident self-satisfaction said: "Yes, boys, it's me, and it's my rig and furthermore it's paid for. Also that's my chauffeur and he's paid for." They said: "Gus, how did you do it? In school you didn't seem to know anything!" He said: "That's right, I didn't know what the professors were talking about then and I don't know what they are talking about now but," he said, "you know when I got out into the world I invented a little gadget which I can make for \$1.00, I sell that gadget for \$4.00, and it's absolutely amazing how that 3% adds up. (Laughter).

Now I tell you that story, brethren, because I honestly hope your percentage adds up and because it is a tool.

But this is what I want to leave you with; not just how we make a living—this is an art, an art which requires intelligence and integrity, and this we get from our fratern-

ity. But there is another thing—how we live our lives, the philosophy you see, the intelligence and integrity is a part of the philosophy.

One of my business friends said: "I make the living at our house, my wife and daughters make it worthwhile." This is the other side.

I stopped off recently, coming back from Tokyo, and one of my friends in Honolulu gave me this little verse, which says:

"Are you trying to make a million
Is a fortune your only aim
Do you search like a ghost
From pillar to post
For the will o' the wisp called fame.
Calm down and slow up for a minute,
I hear the fishing is fine.
And God's buttercups grow over the hill
In gold that is yours and mine.
Let somebody else make the million
Fool's gold that one never spends
How much wiser to find a bounteous love
In the heart of a million friends."

You see, the two go together. I was delighted that my friend from Pittsburgh is going to come to the very lake on which I live, to fish, as soon as he goes away from here.

What is your philosophy? I have just finished 6 special addresses for our greatest American statesman, Herbert Hoover, and the first of those was in the Coconut Grove out in Los Angeles and the singer that night was little Pat Sazuki, a beautiful little Japanese girl whom I had originally met in Tokyo. She made the newspapers that day, not by her singing and acting, but by something she had said on her 21st birthday. She said: "I am too young to have a philosophy of my own, but until I get a philosophy of my own, my daddy's will do. He taught me, work hard, think big, and have a dream." That's a beautiful philosophy.

I went down-state the other day where I was to speak to 6,000 of our future citizens in one of our great universities, and they were getting ready for an athletic rally, and over the door of their field house they had their philosophy posted which had been given to them by their football coach, and it was this: "When the going gets tough, the tough get going."

I was talking the other day to Father Jim back in Chicago, the one who is on the Episcopal Board and who this

poor Baptist clergyman has the privilege of serving, and he gave me this little bit of philosophy and verse:

"Life is mostly frost and bubbles
But two things stand like stones
Kindness in another's trouble
Courage in your own."

In the year 1871 we burned down the City of Chicago—I wasn't there but I read about it—and the city burned for three full days, and in those three days tens of thousands of discouraged human beings turned their backs on the smouldering ruins of their dreams and walked away into oblivion, honestly believing that Chicago would never rise again. At the beginning of the fourth day when the fire had nearly burned itself out, a young merchant and his lovely young wife stood looking into the ashes of their dreams, for three days before it had been a 6-storey high brand new multi-million dollar department store. After a long time of sad silence, this young man caused a post to be erected, and on the post he put his philosophy; it said this:

"Lost everything except wife, child and hope,
Business to-morrow as usual."

And that young man was Marshall Field who became the merchant prince of the world. Recently when I was in Hong Kong buying some gorgeous oriental material for my lovely ladies at home to make dresses from, I found the lovely ladies of Hong Kong were buying theirs from Marshall Field in Chicago. (Laughter).

The man will stay in business with this philosophy—give the lady what she wants—and you can't go wrong on that, you can sure as thunder go broke, but you can't go wrong. (Laughter).

So you see, brethren, it is this side of our life, this fraternal fellowship of economics and ethics, this fellowship of head and heart, or mind and morals; this is the thing that makes us strong in the Dominion of Canada or your neighbours in the United States of America.

I do not know what your philosophy is, but I want to thank you for allowing me to share just a tiny bit of these two sides of the finest of all fine arts, the fine art of living, for I have said your philosophy should be grounded in love, and we have it in a fraternal love.

Dr. Schweitzer said: "Love is the medicine to cure the sickness of the world." To be the glad instruments of God's

love is the supreme task to which man is called. And the other one is faith; doubt sees the obstacle, faith sees the way; doubt sees the darkest night; faith sees the day; doubt dreads to take a step, faith soars on high; doubt whispers who believes; faith answers I, and when you renew your vows at the great altar of Masonry and with the lights of Masonry, these are the things for which we stand.

I've talked to you brethren for 45 minutes—there are no souls saved after the first 20 (Laughter)—so I've got to throw you back into the hands of the Archbishop. (laughter). He outranks me.

But I want to close by saying this to you: I was in Washington, D.C. the day Robert Frost died, and the leading newspaper in its leading editorial had a lead line that said this:

"Every time Robert Frost came to our town, the Washington Monument stood up a little straighter."

Brethren, in every community there are men who walk in such a way that all who see that stand up a little straighter. Don't you think that ought to be a Mason?

My closing toast to you is this:

We come into this world naked and bare;
We go through this world with trouble and care;
We go from this world we know not where
But if we are thoroughbreds here
We'll be thoroughbreds there.

God bless you, my brethren.

DEPUTY GRAND MASTER HON. J. N. ALLAN: M.W. Grand Master, Distinguished Brethren—Guests and my Brethren: Brother Winters, I am honoured to-night in having the privilege of conveying the thanks of the 1,600 brethren who have listened so attentively to your address. As you were speaking, I was impressed with our good fortune in Canada in having such wonderful neighbours. We have been honoured by the advance cheering section that you sent over yesterday to us, who have been with us to-day, and we have been thrilled with your address to-night. You gave us so much food for thought and kept us awake so we could hear it. It was most interesting and I know that I speak for everyone here when I say how grateful we are to you that you came to us. I want to congratulate you, M.W. Sir, on your good judgment in inviting Dr. Winters, and may I hope that sometime again you will come back and speak to us on another occasion. Thank you, very much.
